

An Exceptional Sale of Bigelow Axminster Carpets

The Standard Bigelow--Best Made

\$1.59
Worth \$2.25
a Yard

This offer is remarkable, both from the standard of quality and value. A grand Bigelow Axminster for only \$1.59 the yard. How can we do it? We have told you how we succeed in doing the carpet business of Portland. We go to the manufacturer, direct, and buy his entire output of certain popular patterns and then ship them by the carload. We pay no more than the wholesaler.

There are three beautiful patterns in this lot—not a "cull" carpet, but most perfect patterns. You will find a grand pattern in tan, another in green and also one in red. They are superb carpets. There are sufficient for several rooms in each pattern and will go to the first bidder at the price quoted. Remember, these are the best Bigelows made—not an imitation. Name woven in the back.
