

OSCAR GOES TO PACIFIC MELBA ON TROLLEY LINE

New York Manager Undaunted by the Feud With Tetrizzini. Two Cars at Full Speed Collide on a Curve Near Tacoma.

(United Press Leased Wire.)
New York, July 17.—Although Oscar Hammerstein is going to make a special trip to Europe to effect a reconciliation, word was received from London today that Madame Melba declared she would never make peace with Madame Tetrizzini. Undaunted by the determination of the diva to continue the warfare with her rival, the American manager will sail for England very soon, confident that he can straighten matters out.
Refusal of Tetrizzini to take part in Melba's concert started the feud, which has become very bitter. The two divas sing exactly the same repertoire, and Melba declares she will not allow any other soprano to appear in any of her operas. She wants "Lucia," "Gilda" and "Violetta" exclusively for herself.
Melba explains that she will go to Australia as she has a contract to fulfill, and her "dear old daddy" wants her there.

CHINESE FLEEING THE ANGEL CITY

Campaign Against Fan Tan, Hop and Lotteries Is Too Much for Them.

(United Press Leased Wire.)
Los Angeles, Cal., July 17.—Raids on fan tan games, opium joints and lotteries threaten to wreck the fortunes of every Chinese merchant in Los Angeles, and it is said there are less than 500 Celestials in the city today, while there were more than 3,000 here a year ago. The Chinese are hastily departing for San Francisco and Oakland, where few restrictions are placed upon their enjoyment.
A meeting of Chinese will be held next week to discuss the problem with the merchants of Chinatown here. They have laid in stocks worth thousands of dollars, and at the present rate of emigration there will not be a single customer left in the city by next December.

RAID AT WATSONVILLE. Chinese Chased Out of Property Belonging to Lieutenant-Governor.

(United Press Leased Wire.)
Watsonville, Cal., July 17.—Ten Chinese gamblers are in jail here today after a raid ordered by District Attorney Hardy and conducted by Sheriff Nesbit. The Chinese gambling dens are located on property owned by the Porter family, of which Lieutenant-Governor Warren R. Porter is manager, and had been operated in defiance of law for 20 years.
The raid was spectacular. Chinese gamblers were caught jammed in the doors and windows while trying to escape.
District Attorney Hardy today said the political prominence of the lieutenant-governor would make no difference to him, and that the gamblers would be prosecuted vigorously.

J. B. DOESN'T MIND THE FLEET

Just Let It Sail Round the World If It Wants to—So Says Germany.

(United Press Leased Wire.)
London, July 17.—Criticism by the British press of Australia and New Zealand for the expenditure of enormous sums in preparation for the entertainment of the American fleet is not finding favor with the general public here. Sentiment of the people generally is with the colonies in their stand on the question, and editorial utterances on the subject are much milder today than they have been in the past.
On the continent there has been no criticism of the world voyage of the United States men-of-war. The German press unites in declaring the political aspects of the cruise are most favorable.

VICE-CONSUL BOYD DISGRACED HIMSELF

Got Drunk in His Official Capacity, and Now He Is a Wifeless Man.

(United Press Leased Wire.)
Reno, Nev., July 17.—Because the American vice-consul at Shanghai was not diplomatic enough to remain sober at a diplomatic dinner in China, his wife, Mrs. Carmen V. Boyd, is free from wedlock today through a divorce.
Mrs. Boyd, who has been living here the past year with her young daughter, filed her suit several months ago.
The court refused to act hastily in the case, and made a thorough investigation of the complaint before granting a decree.
The diplomat was accused of drunkenness and failure to provide. Mrs. Boyd alleges that she often became intoxicated, and that upon the occasion of the diplomatic dinner mentioned she grew so hilarious as to mar the pleasure of the evening.

ANNA RAISES \$ FOR HELIE

Disposes of Her Personal Property to Restore Ancestral Estate.

(United Press Leased Wire.)
Paris, July 17.—It is announced today that Princess De Sagan, formerly Anna Gould, has offered Chateau Marais for sale, fixing the price at \$250,000. It is reported that she subsequently will dispose of all her other holdings in France and raise as much money as possible.
Then, it is said, she will purchase a whole or a part of the ancestral estate of Prince Helie De Sagan on the German frontier. Her plans include restoring the estates to their former splendor and she and the prince expect then to live in grand style and occupy a high social position.
The De Sagan estates have greatly depreciated and passed nearly entirely out of the hands of the family, which has met with financial reverses at various times. The lands, however, are well located and with the lavish expenditure of money in improvements will make one of the most attractive estates in France.
This announcement was hard news for Count Boni de Castellane, the former husband of the Princess De Sagan, who is almost penniless.

SAYS NO HOLDING COMPANY FORMING

(United Press Leased Wire.)
San Francisco, July 17.—On the plea that he was too busy to discuss the matter, H. H. Taylor, president of the B. B. & C. railroad, today refused to confirm or deny the story that the Union Pacific and Canadian Pacific railroads have formed a holding company to take over his line.

MISSOURI TRIES PRIORITIES PLAN

System So Cumbersome That Some Ballots Bear 300 Names.

(Special Dispatch to The Journal.)
St. Louis, Mo., July 17.—Early in the coming month Missouri is to have its first trial of the primary election law. Nominations will be made for all state and county offices and for members of the state legislature which will have the selection of successor to United States Senator William J. Stone. Senator Stone is a candidate for reelection and is opposed by Governor Folk.
Former Congressman W. S. Cowherd appears to have a good lead in the contest for the Democratic nomination for governor, though in order to win out he will have to overcome a spirited opposition. The race started with nearly a score of aspirants, but the field has now narrowed down to Cowherd, David Hall and one or two others.
To receive the Republican ticket it is also pretty well established just who the nominees will be. Attorney General Herbert S. Hadley will be the candidate for governor. For all the other places on the Republican ticket, with but two exceptions, there are no contests. All of the principal state officers on the public side are to receive nominations without opposition, excepting in the cases of attorney general and railroad and warehouse commissioner, for which there are rival aspirants in the field.
Dissatisfaction with the primary system is expressed in many quarters. Objection is made that it is too easy for favorite sons to get their names on the ballot, with the result that voters are very confusing to the average voter as well as a source of great expense to the state and county. In some counties the names of nearly 300 candidates will appear on the ballots.

LA GRANDE'S CHARTER IS BEING REVISED

(Special Dispatch to The Journal.)
La Grande, Or., July 17.—The charter for the city of La Grande, defeated at the election called for its consideration last fall, is being revised by a committee composed of members of the city council and at the next regular meeting of the first Wednesday in August, the changes recommended will be embodied in the form of an ordinance.
It was recommended by the revision committee among other important changes, that the terms of the mayor be changed from two to four years, the recorder, treasurer and chief of police last but one year instead of two as was the provision before. The wording of the section regarding the bonding of the city will be changed. Several other minor features will be modified. Probably the most important of these is that any offender who is liable to a considerable fine or imprisonment may demand a jury trial. This change was at the solicitation of W. N. Monroe, the only Socialist member of the council.

PARAGUAYANS MUST ENLIST AS SOLDIERS

(United Press Leased Wire.)
Asuncion, Paraguay, July 17.—Congress has passed a law establishing obligatory military service by conscription. The project also provides measures against the customary abuses by which military officers enter homes and seize peaceable citizens for the army enrollment. In connection with this project is another by which it is forbidden to appoint military officers to positions as prefects or sub-prefects on account of their habit of abusing these positions of authority with tyr-
