Major General Putnam, U. S. A.

THE hero of Bunker Hill—who first marshaled the Riflemen of the Revolution—and left his plow standing in the furrow to hoist the banner of defiance against legislative oppression! Who has not heard of him?

In its cozy bar parlor they delighted to periodically gather and drink with him the foaming juices of the malt; toasting each other in memory of the splendid and heroic days when they gave blood and treasure to found this nation and write the immortal principle of "PERSONAL LIBERTY" in our laws forevermore.

Hale, hearty and generous minded to the last, Israel Putnam died at eighty-three, and what living Prohibitionist dare stand up and say, "I am a purer patriot than he?"
