TRI-CITY LEAGUE QUITS THE FIELD

The Championship playing season of the Tri-City league was brought to an abrupt close last evening at the directors' meeting, when the unanimous vote of the managers was for the discontinuing of the scheduled games.

The Woodburn team, having won the greatest percentage of games, was declared champion of the Vancouver-Tri-City league.

A post season series of games will be played on the Vaughn-street grounds August 3 and 8, when the Vancouver and Woodburn teams will meet, and on August 15 and 16, when the St. Johns "Apostles" and East Portland teams will fight it out to see who will pose as "cellar" champion, the two teams now being tied for this honor.

The directors presented a detailed report of the financial status of all games played during the season, averaging an attendance of 1,000. The average attendance at the Tri-City league games fell off just about 40 per cent less than last season.

A section of the by-laws creating any game of baseball between two leagues during the time during the championship schedule, a championship game, and same counts as such in the average. Last Sunday West Side team and Woodburn scheduled game came to an end in the second inning, when Empire Rankin "Sold" the players from the game for about a language. The West Side team, then having only eight men in the lineup as the rules require, were unable to continue the game, and the umpire very properly declared it forfeited to Woodburn.

After the game, the same two teams agreed to play another game, and did play seven innings, in which the Woodburn team won by a decisive score. The game, according to the by-laws of the league, becomes a game for the championship and counts in the percentage.

The directors will meet immediately after the post-season series and close up the affairs of the league for 1908 and officially declare the standing of the clubs as of the 1908 season.

MEN CURED

Never was the old saying, "He who hesitates is lost," more aptly illustrated than in the case of the man who suffers from NERVOUS DEBILITY, WETTED BED, PROSTATIC INFLAMMATION, ORDER OR CONTAGIOUS BLOOD DISEASE, and who neglects to have his ailment treated. Do not scatter my faculties, as does the ordinary physician, but I concentrate them on diseases and weaknesses peculiar to the male. Recently I have treated scores of stubborn cases for some of the best men of this city and vicinity, and not a failure nor an unpleasant result has been reported. What I have done for others I can do for you.

PROSTATIC INFLAMMATION

My cures of this disorder are permanent and lasting. No tonics that stimulate temporarily, but thoroughly scientific treatment for the removal of conditions responsible for the functional derangement of general nervous depression is merely a symptom of inflammation, or congestion of the prostate gland, and under my own original local treatment the gland is promptly reduced to its normal state and complete functional activity is the lasting result.

MY FEE FOR A THOROUGH CURE IS ONLY \$10

PAY ME WHEN I HAVE CURED YOU. IN ANY SIMPLE CASES. VARIOUS CONTRACTED DISORDERS, STRICTURES, PILES AND SPECIFIC BLOOD POISON I TREAT AND NEVER FAIL TO EFFECT A CURE. CONSULTATION FREE—MY HONEST AND CANDID ADVICE COSTS YOU NOTHING. I cheerfully give you the very best opinion, guided by years of successful practice. Men out of town in trouble, write if you cannot call, as many cases yield readily to proper home treatment and cure. If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1 only.
