French Strikers Prepare Radical Program—Situation Very Grave.

(United Press Special Wire.) Paris, July 31.—Committees of all the labor organizations and the general labor federation held secret meetings today to take action regarding a clash between strikers and soldiers at Vieux-lez-Bras yesterday.

The leaders refuse to say what their plans are but there is no doubt they have adopted some plan for a drastic campaign. The government looks upon the situation as more serious than it was yesterday.
