Want to Move?

When you want to move to a better house or room, or a different locality, the first thing you do is to secure your house, apartment or room from the list printed in The Journal. You then look in the Business Directory of the classified pages for the heading "Transfer and Storage." After selecting the company you want to move your possessions, you notify them by phone, and the trick is done without trouble or worry to you. You don't have to walk the streets until you are ready to drop to secure what you want, if it is not advertised when you want it—you can easily phone to The Journal and it will be inserted in the paper at the regular rate of one cent a word.
