OTE'S SLUGGING WINS LONG GAME

Swede Raps Two Homers, Single and a Two-Bagger in Peculiar Matinee.

(United Press Lensed Wire.) San Francisco, Aug. 6 .- Two homeruns, a two-bagger and a single by Ote Johnson gave Portland seven of her 15 runs and virtually won the game for the northerners. His double in the ninth inning off Sutor, after he had tied the score in the same canto with a homerun off Henley, who was chased by the umpire for kicking, gave the northerners a well-earned victory,

Por a time it looked as if the game would go to the Seals. The Beavers started to score from the jumpoff. Three runs were gleaned in the opening ghapter. Then one was copped in the second and another trio in the fourth. After the fourth had been tallied Oscar Jones gave way to Henley. Another one was made on Henley in the fifth, but after that the long one blanked the Beavers till the ninth, when Henley was chased for kicking after Ote Johnson had rapped out his second four-bagger. Harry Sutor was sent in to finish the game, but the Beavers romped around Harry Sutor was sent in to finish the game, but the Beavers romped around six times on the young Texan.

After Frisco had been blanked for three innings by Groom, the locals shot one across the rubber in the fourth. In

In the eighth Groom got wild and issued a couple of passes, which, with Cooney's error and a hit, allowed three runs to come in. Garrett was trotted out to heave 'em over for the northerners without warming up, and three more runs came in on three walks, and Zsider's two-bagger. This gave the Seals six runs and allowed them to take the lead, 9 to 8.

Johnson's hitting feat has already been told.

MARATHON HAYES.

New York, Aug. 6 .- Tom Longboat the great Canadian long distance runner, who was one of the entries in the Marathon race in the Olympic games at London, landed in New York yesterday. Longboat pays a high tribute to John J. Hayes, the young New York department store clerk, who won the greatrace against the best men in the world. Hayes was not considered good enough to go along with the team, so he paid his own expenses. Longboat quit after running 20 miles, most of the time in the lead. He says he is at a loss to know what burt him unless it was the giaring sunlight and the hard pavement on which he had to run. He says Hayes' victory was deserved, as he ran the best race of all from a durable and heady standpoint. ner, who was one of the entries in the heady standpoint.
