Homesteads

Regarding homesteads, we know and you know that good homestead locations or relinquishments in Oregon are a scarce proposition, so do not be deceived by the firm that offers you something "just as good" or maybe "twice as good" for half the price asked by a reliable firm, and maybe offer to pay your railway fare and other expenses and perhaps throw in a suit of clothes to boot.

If you don't mind locating 40 or 50 miles from nowhere, why well and good; but if you are looking for a place to make a home and that has some value, take our advice and investigate thoroughly not only the proposition but the firm making you a "bargain counter" offer.

Last but not least, when you are satisfied that it is not the proposition you want, why see us, as the homesteads we have are guaranteed filings and can't be beat if you consider quality of the land and location to be worth anything.

Homesteads

We are now getting up a party of eight to go out and take the best homestead claims in the state. All it will cost you is $150, which includes railroad fare, meals, all other expenses and location fees. Why pay $300 for claims that are not worth one half as much as these? Come here quick, first come first served. For convenience will be at office from 10:00 to 12:30 today.
