SUMMER TOBOGGANING

New Sport in Austria—Other Uses for the Mountain Sleigh.

Vienna correspondence Pall Mall Gazette.

Summer ... at the Semmering and other mountain resorts near Vienna ... is summer tobogganing— ... sleigh ... to the winter ...

The summer toboggan has a body ... the ordinary ... mounted on four low wheels, equipped with a strong and ... brake, as well as steering apparatus. It affords a pleasant and speedy means of descending mountain and hill ... and has already become very popular among tourists.

It is expected that the new toboggan will have other uses besides sport and amusement, for it offers a swift and ready vehicle for carrying a messenger from the mountain hotels to the towns and villages below or in summoning medical aid in case of accidents. Experimental trips on the Semmering range and also on the hills near Vienna with the new sleigh have proved entirely satisfactory.

The Lad Said Grace.

A West Philadelphia youngster named Frank had not behaved at dinner as his strict parent had thought proper, so for supper the 10-year-old was seated at a small side table as a punishment.

"My son," said his father, seated at the other table with the rest of the family, "I shall expect you to say grace over your supper."

Frank did. Lowering his eyes he murmured: "I thank thee, oh Lord, that thou spreadest for me a table in the presence of mine enemies."

* * *

Little Helen, who had but recently mastered her catechism, confessed her disappointment with it thus: "Now, I obey the fifth commandment and honor my papa and mamma, yet my days are not a bit longer in the land, for I'm put to bed every night at 7 o'clock just the same."
