BEAVERS THROW MATINEE AWAY

Incipient Batting Rally in Ninth Is Smothered After Two Runs.

(United Press Leased Wire.)

Los Angeles, August 17.—Los Angeles won yesterday's game in the first inning, when the Beavers' wild heaving to various bases allowed the home guard to scamper thrice across the white plate. Casey, Cooney and Whaling assisted in presenting the locals with the trio of scorlets along with two hits.

It all started when Dillon's grounder to Casey was thrown wide to catch Bernard at the plate. Whaling gathered it in and a see-saw took place between Johnson and Whaling, the bush catcher finally throwing it over Ole's head. Bernard came home while Bassey fielded the overthrown ball to Cooney to catch Dillon, who had turned second. Cooney threw past Johnson and Dillon registered. Oakes made the other score of the inning.

Two more tallies were put over by the Angels in the fifth, when Nagle was passed, pilfered second and scored on Bernard's single. A sacrifice allowed Bernie to take second and he scored on Jack Graney's wild heave to first base.

Portland got her first look-in in the sixth. Whaling was walked and reached home when Graney poked a long two-base hit into left field. Their other brace of runs came in the ninth, but the lead was too great to overcome. A base on balls, two singles and a two-bagger by Danzig rushed Bassey and Johnson across the plate, but the incipient batting rally was smothered before any real damage was done.

BIG ATHLETIC CLUBS AFTER OREGONIANS

In Store for Oregon Athletes.

Illinois Athletic Club, Chicago—Let us know date of arrival of Oregon athletes and we shall do the rest. The Illinois Athletic club has the reputation of doing big things in Chicago—Charles J. Zeller, secretary.

Chicago Athletic Association—Matter presented to proper committee. Inform us when boys expect to reach Chicago.—Fred Y. Coffin, secretary.

Missouri Athletic Club, St. Louis—Will show Oregon's athletes every courtesy while in our city. Let us know time of arrival and I'll meet them myself.—Charles H. Flack, president.

Salt Lake Y. M. C. A.—We are planning big things for Oregon's famous athletes. Wire date of arrival in Salt Lake. Glad to entertain them as long as they want to stay.

When E. E. Morgan, chairman of the foreign entertainment committee of the athletic hero reception being prepared for Smithson, Gilbert and Kelly, opened the morning mail, letters and telegrams were on hand from four prominent athletic organizations in the west and middle west informing him that a royal welcome would be extended the delegation upon its arrival.

There are still a number of athletic clubs to be heard from, but it is presumed there will be some delay owing to the fact that it is the summer season and many of the directors are out of town.

The finance committee has decided to postpone its meeting which was to have been held tonight until Tuesday or Wednesday. This is made necessary owing to the fact that several of the members of the committee will be unable to attend a meeting tonight. Owing to the lateness of the date an automobile will be utilized tomorrow to get over ground and visit business men who heretofore have not been reached.

CHINESE PHYSICIAN WILL HELP HEROES

That there is an appreciation of the athletic skill of the three famous Oregon athletes, Kelly, Gilbert and Smithson, in hearts other than the Caucasian was proved this morning when Dr. C. Gee Woo, the well-known Chinese physician, hunted up the finance committee and subscribed $5 to the fund to bring the Oregonians across the continent. Dr. Woo wanted to help out and since none of the committee had seen him, resolved to see the committee.

Another contribution this morning swelled the fund. It came from the firm of Everding & Farrell, commission merchants, and was in the shape of a $25 check.

Ball Player Gets Leg Broken.

Clatskanie, Or., Aug. 17.—At the baseball game here yesterday between Cedar Grove and Natal, Lincoln Peterson of Natal had his leg broken between the foot and the knee. ePterson was playing on the base when one of the opposing team leaped against his leg while running the bases. Dr. Wooden immediately placed it in a cast and the patient is getting along nicely.

CHEHALIS ESCAPES "23 SKIDOO" IN THE NINTH

(United Press Leased Wire.)

Chehalis, Wash., Aug. 17.—Chehalis escaped a "23 skidoo" in a heart-disease finish of today's baseball game with Elma, winning in the last half of the ninth inning. Up to that time the game seemed to be hopelessly lost, the score being 6 to 4 in favor of the visitors. Two men had gone out when Osborne went to bat. The pitcher got two strikes on him, when he knocked out a short one which was fumbled, leaving the runner safe on first. Two more men reached first and the bases were filled. Elma went to pieces, making a series of errors, which, coupled with a hit by Nehring brought in 3 scores, at which the crowd went wild. This won Chehalis' twenty-third successive game. Battery for Chehalis, Osborne and Ruff; for Elma, Wakefield, Kinnaman and Miller. Osborne was weak, allowing 9 hits to 1 yesterday, when he pitched a phenomenal game, but 29 men in all going to bat.

UNION MEAT CO. LOSES GAME AT THE DALLES

The Union Meat company Grays journeyed to The Dalles yesterday where they met The Dalles team in one of the best games played at The Dalles this season. The Dalles team was the victor but they were forced to go their limit before they won.

Both Hoover and Troch were in good form and the best either team could do was to get 6 hits while each pitcher fanned 8 men. Troch, however, was a little unlucky and the game went to The Dalles. There was a very large crowd out to see the game, as the fame of the meat company's team is well known. The score:

	R.	H.	E.
The Dalles	6	6	3
Union Meat Co.	4	6	4

OREGON MAY LOSE CLARKE AND TAYLOR

Crack Football Players May Attend Eastern Colleges This Fall.

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Aug. 17.—Reports here state that Dudley Clarke, the all-northwest fullback, and "Chuck" Taylor, the clever half-back, will not return to the university but will go to eastern institutions this autumn. Taylor, it is said, will go to Cornell, Clarke's choice being unknown. Two weeks ago Clarke expressed his intention of returning to Oregon.

By the loss of these two men there will not remain a single individual of last season's back field, and hopes of Oregon for high honors on the gridiron may be dashed.

Main, the California man who has expressed his intention of coming to Oregon, has not attended college in the southern state, and the conference rules in the northwest will not keep him out of the game.

Grout, a sub-guard, who played brilliant ball last year at times, also will not return the first semester, according to reports from his home at La Grande.

BATTLING NELSON HAS NO TIME FOR BRITON

(United Press Leased Wire.)

Los Angeles, Aug. 17.—Although Freddie Welsh has posted $1,000 with Charlie Eyton, the referee, to prove his good faith, Battling Nelson today refused to consider seriously the Englishman's demand for a 25-round battle, at 133 ringside.

Nelson declares Welsh is only looking for a little boosting at his expense and says he is willing the game little lightweight should have it.

After posting the $1,000 guarantee last night, Welsh announced that he was willing to put up a $5,000 side bet with Nelson if he could get a fight with the champion after his go with Gans, provided Bat retained the title.

Nelson said today that he was not sure that he would fight again after his next battle with Gans. He referred to his theatrical engagements and intimated that a championship is a business asset worth while retiring with.

PACKEY M'FARLAND GOES HOME TO "MA"

San Francisco, Aug. 17.—Packey McFarland and Manager Harry Gilmore left this city for the east last night. Report has it that Packey intends to ditch Gilmore and elect Billy Nolan to the position of looking out for his interests and that he is Chicago-bound for the purpose of letting Gilmore down in his home town.

There is a possibility, however, of McFarland's going east purely because of a boyish desire to see his "ma." Mrs. McFarland has been enjoying a European tour and while Packey was in Los Angeles last week he received a cablegram announcing her expected arrival in New York between August 23 and 25. It is thought that Packey at once made up his mind to greet her as she steps off the big ship.

LONDON NEWS WANTS MARATHON RACE RERUN

(United Press Leased Wire.)

London, Aug. 17.—Unable to recover from the shock sustained when the English long distance runners failed to finish anywhere near the front in the Marathon race of the recent Olympic games, the London News this afternoon offers a prize of $500 for the repetition of the race.

The News wants runners from every country in the world to compete for the prize. It is not charged that the Marathon was not won fairly, but the News says that it believes that the reason why English runners failed to sustain the reputation of this country has never been explained.

CARLISLE INDIAN TEAM MAY PLAY MULTNOMAH

The famous Carlisle Indian school football team wants to tour the northwest after its eastern schedule has been closed this winter, and has written a number of managers relative to games. It is understood the Redmen want to play in Portland, but so far Manager Martin Pratt of the Multnomah club eleven has had no word from them.

The "Winged M" has shown a willingness in the past to take on the crack eastern teams that come west and Carlisle can probably have a game if the Indians arrange to come west.

SHERWOOD WHITE SOX BEAT VANCOUVER TEAM

(Special Dispatch to The Journal.)

Sherwood, Or., Aug. 17.—The Sherwood White Sox came out victorious in their game with the Vancouver Pioneers yesterday by the score of 7 to 3. The game was highly interesting, as gilt-edge ball was played on both sides. A three-bagger in the seventh with the bases full cinched the game for the White Sox. These teams will play on the Vaughn street grounds in Portland next Sunday.

Horse Show at Bar Harbor.

(United Press Leased Wire.)

Bar Harbor, Maine, Aug. 17.—The annual exhibition of the Bar Harbor Horse Show association will be inaugurated here tomorrow on the grounds of the association and will continue over Wednesday. The show ranks among the best of the outdoor equine attractions in the east and is the summer social feature of the Maine shore. With a population of nearly 100,000 to draw from, made up largely of the summer colonies along the New England coast, the event promises to eclipse all former shows.

Tillamook Team Tours.

(Special Dispatch to The Journal.)

Tillamook, Or., Aug. 17.—Tillamook will send the first baseball team that has ever played outside the county, to the Willamette valley this week, where it will meet some 10 teams representing the various valley towns.

Next Thursday, August 20, the team will leave. Following is the schedule in part: August 21, Grand Ronde; August 22, Willamina; August 23, Sheridan; August 24, Amity; August 26, Lafayette; August 27 and 28, Dayton; August 29, North Yamhill; August 30, Forest Grove.

The tournament will continue ten days.

EUGENE RENT BY DISSENSION

City Bonds for Water System Are Refused—Two Factions Involved.

(Special Dispatch to The Journal.)

Eugene, Or., Aug. 17.—Morris & Co., the bond firm whose bid on Eugene's city bonds was accepted, have declared in a letter to Mayor Matlock that the procedure in the election authorizing the bonds was illegal, in that one election to cover three amendments to the charter invalidated the whole issue, and that they will not take the issue. Attorney A. C. Woodcock of the Willamette Valley company and City Attorney Bean both declare the bonds are legal.

A big fight is on between the opponents of the municipal system, and the adherents over the Ritchey creek plan, which latter project the council has sanctioned. The failure of the Morris company to take the $200,000 issue is considered a skirmish won by the opponents to the gravitation plan.

Those who are opposing the council, and the will of the people as expressed at the bond election last fall, want a battery of wells dug across the river and the water pumped into reservoirs. They also claim that Ritchey creek, the proposed fountain head of the gravity system is not a good source, and that the watershed is easily contaminated.

The fight will be ended October 1, when the people will have a chance to vote on the issuing of $500,000 worth of bonds to build the water system, $300,000 having been found too small.
