The other side associates with great detail that the Matos revolution was initiated, inspired and organized by the New York & Bermudez company and was directed from the office of that corporation in New York.

The company protests with great vehemence that the seizure of its property was not the result of the aid it gave to the Matos revolution.

The United States government, therefore, has been insisting for two years that this whole controversy be submitted to international arbitration.

S.S.S. CURES ECZEMA, ACNE, TETTER, ETC.

The skin is an index to the quality of the blood. Eczema, Acne, Tetter, pimples, rashes, eruptions, etc., show that some unhealthy humor or acid impurity is discharging and corrupting the circulation, so that instead of supplying nourishment and strength to the fine, delicate tissues of the skin, it is continually pouring out its acid and unhealthy accumulations. External applications of salves, washes, lotions, etc., may relieve some of the itching and other discomfort caused by skin troubles, and for this reason should be used, but such treatment cannot reach the humor-laden blood, and therefore cannot cure. A thorough cleansing of the blood is the only cure for skin diseases. S. S. S., a purely vegetable preparation, is the best and quickest remedy. It goes down into the circulation and neutralizes and removes the acids, impurities and humors, thoroughly purifies the circulation and permanently cures skin diseases of every kind. When S. S. S. has driven the humors and impurities from the blood, and cooled and cleansed the acid-heated circulation, every symptom passes away, the skin is again nourished with rich, healthful blood and the trouble cured, as the cause has been removed. Book on skin diseases and any medical advice free to all who write.
