THE CAPTURE OF MOSBY

A Military Expedition That Was Not a Success.

From the Youth's Companion.

General John S. Mosby, the Confederate cavalryman, used to tell of a comic incident which happened in the Shenandoah Valley in 1864. Near Millwood a regiment of cavalry halted one night and went into camp. One of the men, who was hungry, slipped away and went off in the neighborhood to get something to eat. [illegible] cabin on a farm [illegible] for the person inside [illegible]

A negro woman [illegible] as an intelligent [illegible] door and asked [illegible] The soldier [illegible] safety [illegible] eating his [illegible] the woman [illegible] was there.

She [illegible] "Is Mosby [illegible]"

"Yes [illegible]"

[illegible] and [illegible] was in [illegible] a house [illegible] regiment [illegible] a fast [illegible] in a trap.

[illegible] the negro woman [illegible] his men [illegible] Mosby's [illegible] with a few to [illegible]

[illegible] came to the door [illegible] inquired, "Is [illegible]"

[illegible] replied, "Yes," so he [illegible]

[illegible] got inside he looked [illegible] an seemed to be all [illegible] conscious of having [illegible] person for her guest. [illegible] the colonel demanded, "[illegible] is Mosby?"

[illegible] answered the terrified negress, at the same time pointing to a cradle on the floor.

The colonel looked into the cradle and saw a little African pickaninny sucking its paw.

Many a woman worries more about owing a call than she does about owing the butcher.
