Clever Tailored Suits For Fall and Winter

The indispensable, all-around garment for the well-dressed woman. More good styles shown in this store than in any other hereabouts. The season's best productions from not one but several of New York's famously good gown artists. 'Tis easy to see why this store leads in selling women's fashionable apparel if you will slip on one of the clever models we are showing now, and ask the price. The best possible styles at the lowest prices possible.

Silk Petticoats For Monday's selling we offer a stirring special on women's superb silk petticoats. These come in full size and all colors. Light or dark shades for outdoor or dress wear. Made of a splendid grade of Taffeta silk, full-sized, finished with deep flounce and extra dust ruffle. Some are trimmed in tucks and small ruffles; others in accordion pleating. Reg. values to \$8.50, Monday \$4.98

Trimmed and Smart Hats

The best hatters in New York and Chicago supplied the models that we are now displaying and selling to the more discriminating buyers of Portland. In tailored, semi-dress or popular priced trimmed hats, our assortments are most complete. The most pronounced styles of the coming season are shown in profusion. (There is more satisfaction in being the first to wear a GOOD style than in waiting two or three weeks longer to see what the style will be.)

Home From Vacation By Penrhin Stanlaws

The well-dressed women who make up the clientele of this great store are returning from summer and beach resorts. One of the first problems that presents itself is the securing of correct attire for fall wear. 'Tis fully answered by this splendid supply center. A new hat, a tailored suit, a party gown, gloves, shoes, hosiery, veilings, and various accessories here in the glory of their newness and freshness. The best and most authoritative fashions shown a little ahead here, of course.

Calendars Free In our Stationery Department Monday we will give away Five Hundred Calendars, mounted with drawing like this illustration. They are very artistic pictures, drawn by Penrhin Stanlaws, whose sketches appear in Portland exclusively in our advertising. Be sure you stop at the Stationery Department and ask for one. We give these away every month, and the set is well worth having.
