

You Cook With Pleasure

WHEN YOUR KITCHEN IS SUPPLIED WITH ONE OF OUR CELEBRATED

"Gevurtz" All-Steel Ranges

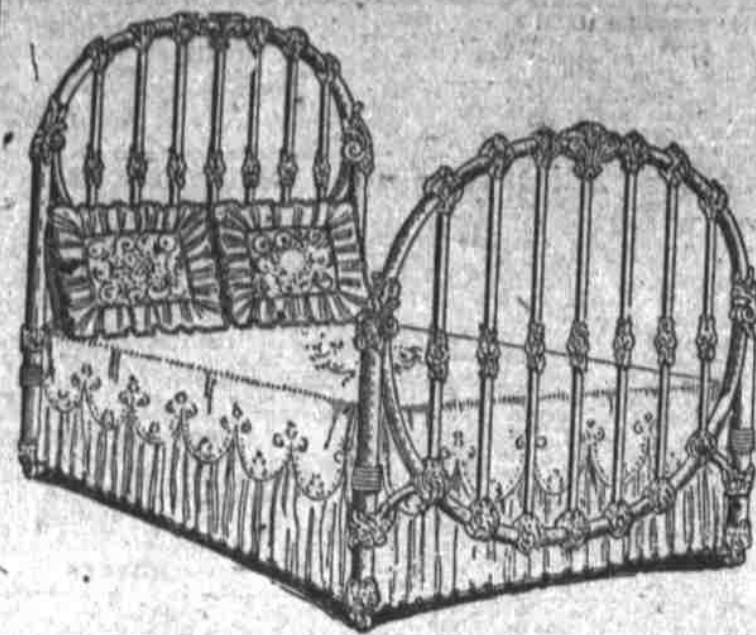

Saves Worry — Saves Wood

"It courts investigation, because it will be found to be the quickest and surest baker of any range made. You will find that it consumes but little fuel—in fact, will save its cost in the small consumption of fuel as compared to other steel ranges. It has many special features possessed by no other range. We have sold thousands of this range in Portland, and its popularity never wanes. It is built especially for us and meets the conditions of this western country to perfection. As an extra inducement to have you try it, we give

Come in and investigate the merits of this great Range. Prices range from \$35 upward.

Splendid Enamel Beds at \$11.25

This is a very popular bed with high-class hotels and lodging houses, as well as many Portland families. It is extremely low in price, yet not "cheap" looking. The weight of this beautiful bed is about 130 pounds. The enameling is secured through the oven-drying process, and we can furnish all cream enameling or white and blue, both with rich French gilding. The large, round cones at head and foot are 7/8 inch in diameter, while the pillars are 1-1/16 inches, and both are made of the best wrought iron. The filling rods are 3/4 inch and ornamented with heavy chills. It is one of those designs that will grow in favor with you as time elapses. The looks are of the latest design, and when the bed is set up is strong and durable and stands perfectly rigid. Altogether it is an uncommonly good iron bed and is specially priced at..... \$11.25
