Men's Diseases ALL ARE CURABLE

There's no drawing the line between curable and incurable diseases. Each individual case must be considered. Most doctors claim that among that class of diseases peculiar to men one or two are incurable. This idea is wrong. I have demonstrated that it is wrong, for I cure all diseases of men. The truth is, that some cases of curable diseases are incurable, and some cases of so-called incurable diseases are easily curable by the right methods. I by no means claim the ability to cure any and every case that may come to my office, but I claim to cure most of the cases that others cannot cure, and I always refuse treatment where conditions indicate that I will be unable to obtain thorough and lasting results.

DR. TAYLOR, The Leading Specialist

My Fee for a Cure Is Only \$10 in Any Uncomplicated Case

I Will Wait For My Fee Until I Cure You

Do you feel tired in the morning and easily exhausted? Is your back weak? Is your memory failing? Do you have difficulty in fixing your thoughts? Are you losing ambition? Do you feel that you are not the man you once were? Do you have hot flushes up and down the spine or sudden chills, especially after eating? Have you pain in the heart? Dull headaches, pain at the base of the brain, sudden spells like fright from no apparent cause? Are you very restless or sleepless at night? Are you nervous and irritable, with a feeling that you want to be alone? Are you gloomy, with a sense of some great oppression upon you? If so, then you need my treatment.

My Cure for Weakness

I not only cure "weakness" promptly, but I employ the only treatment that can possibly cure this disorder permanently. It is a system of local treatment entirely original with me, and is employed by no physician other than myself. This may seem a broad assertion, but it is just as substantial as it is broad. So-called "weakness" is but a symptom of local inflammation or congestion, and a radical cure is merely a matter of restoring normal conditions throughout the organic system, and this I accomplish thoroughly and with an absolute certainty.

STRICTURE

My treatment is absolutely painless and perfect results can be depended upon in every instance. I do no cutting or dilating whatever.

SPECIFIC BLOOD POISON

No dangerous minerals to drive the virus to the interior, but harmless, blood-cleansing remedies that remove the last poisonous taint.

VARICOCELE

Absolutely painless treatment that cures completely in one week. Investigate my method. It is the only thoroughly scientific treatment for this disease being employed.

EXAMINATION FREE

I offer not only FREE consultation and advice, but of every case that comes to me I will make a careful examination and diagnosis without charge. No asking man should neglect this opportunity to get expert opinion about his trouble. If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m., and Sundays from 10 to 1.

Take a Dose of Nature's Medicine

Throw away your half-filled bottles of dope and poison, your patent nostrums and doctors' concoctions. You know they don't do you any good, and that your stomach is all upset as the result of filling it with these poisons. You know they have weakened your nerves and taken the life out of your blood.

It removes the cause of disease and when the cause is removed Nature will restore health. Electro-Vigor is a dry cell battery, which you wear while you sleep, and gives out a continuous stream of electric force. You never have to charge it, for it makes its own power. It does not burn or blister and never shocks the nerves.

Get back to Nature. Consider how she cures and gives life. Nature will cure you if she has the power. This power is electricity. This is because electricity builds up—supplies nourishment, strength to the body. Drugs destroy, tear down because they contain poison instead of nourishment. Of course poison will ease pain. Why? Because it paralyzes the nerves. The nerves are delicate wires that enable you to feel pain. If you poison your nerves with drugs you can't feel the pain until the stupor wears off. Then the pain comes back and you have to repeat the dose until Nature removes the cause.

Use of the appliance, with no return of the trouble. W.M. BISCO, Snoqualmie, Wash.

NELSON AND GANS FIGHT TOMORROW

Great Lightweights Slated for Another 45-Round Bout for Championship

HOW FIGHTERS GANS AND NELSON COMPARE

Table comparing Nelson and Gans: Nelson (5 ft. 8 1/2 in., 135 pounds) vs Gans (5 ft. 6 1/2 in., 125 pounds). Includes stats for reach, neck, waist, weight, calf, biceps, forearm, and wrist.

San Francisco, Cal., Sept. 8.—In the Mission Street Pavilion tomorrow afternoon, before what promises to be one of the largest crowds that ever witnessed a pugilistic event in San Francisco, Battling Nelson, the formidable Dane, will step into the arena to defend the lightweight championship against the man from whom he won the title in the same ring on July 4 last. His opponent will be Jane Gans, the veteran negro lightweight, who held the championship honors until his second encounter with the Chicago lad.

The bout is slated as a 45-round affair. According to the articles, 70 per cent of the gate receipts will go to the fighters, 60 per cent of that to the winner and 40 per cent to the loser. The weight will be 135 pounds, stripped, ringside. Eddie Smith will referee the contest.

Reports from the Nelson camp today are to the effect that the Dane is in the best of condition and ready for the going to call him into the ring. Reports of the same rosy hue emanate from the Gans quarters. Whatever the true condition of the negro may be, it is certain that he has trained for this fight as he has never trained before. Several weeks in the mountains and a period of strict training in quarters are said to have put him in the best possible shape. The hard training in which he has indulged and the fact that he has been boxing better than he did when he worked for his previous battle with Nelson has given his admirers so much confidence that they are betting freely on him to beat the Dane. The indications are that there will be plenty of betting at even money at the ringside.

Spokane Team Will Play Portland Nine

Jack Helsler of Vancouver Challenges Slater Team for Post-Season.

Whether or not they play better ball in the Spokane City league than they do in the Portland Tri-City league will be determined by a post-season series of games between the Vancouver team and the Slater team of the inland city. Manager Jack Helsler of the Vancouver Eltons wants to meet the Spokane team next Saturday and Sunday, but the Spokane management finds this impossible, owing to a scheduled game with one of the local city league teams that date.

STANLEY KETCHEL LOSES NO PRESTIGE

Declares He Is Not Yet "Finished"—Heavy Bettors on Short Ender.

Los Angeles, Sept. 8.—Although Billy Papke is the hero of the hour among the fight fans today, Stanley Ketchel has not lost as much prestige as would naturally be expected after such a decisive defeat as that of yesterday when he was put out in the twelfth round of the scheduled 25-round go for the middleweight championship of the world.

The defeated champion's game showing saved him and while he has received a setback in his brilliant ring career, his declaration that he is not "finished" is generally accepted. "Papke declares he beat Ketchel at his own game with a lucky punch early in the fight and the defeated fighter swears that he was criminally careless. The fans agree with him. There is general satisfaction over the outcome of the fight among the heavy bettors. Although they made very little noise about it, most of the plunkers were down heavy on the short ender. One bet of \$5,000 real money was posted less than an hour before the fighters entered the ring.

PORTLAND BANKERS DEFEAT SEATTLE'S

The Open Air sanatorium was enriched several dollars yesterday at the benefit ball game in which the Portland bankers defeated the Seattle bankers, 4 to 2. The local team was composed of the First National and the United States National employes and the visitors were from the National Bank of Commerce in the sound city.

Showery weather prevented the attendance from being larger. The advance sale of tickets indicated that several hundred remained indoors during the afternoon. Word's pitching was largely responsible for the northerners' downfall. He struck out a large number of men and aided in the field and at the bat. Seattle's only run came in the seventh. After Beemis and Burns got on the bags they were scored by Russell's timely single. "Norris" bingle. The lineup follows: Portland, Brownell, 2b; Crowder, c; Johnson, 1b; Shearer, ss; Russell, rf; Morris, lf; Word, p. Seattle, Burns, 1b; Beemis, cf; Young, c; Bringolf, lf; Stevens, rf; Miller, ss; Word, p; Catterbill, 2b; Bennett, 3b. Umpire—Rankin.

ST. LOUIS RECRUIT IS VISITOR IN PORTLAND

Jack Mullen, star football, track and baseball man from Creighton university of Omaha, is in the city today, a guest of Buck Keith. Mullen is one of the best all round athletes of the middle west and as second baseman and captain of the Creighton baseball team attracted the attention of Jimmy McAleer of the St. Louis Browns, with the reserve sale of tickets indicating that he will be in the city next year. Mullen has been visiting his father in Fairbanks, Alaska, and is now on his way back to Omaha, where he will resume his studies.

PORTLAND GRABS THREE STRAIGHT

Little Jesse Garrett Fools Champions and Moisture Aids Beaver Squad.

After dropping four straight games to the Angels through the worst kind of playing, the Beavers came back yesterday and captured their third straight game from the leaders, 6 to 2. Little Jesse Garrett was in great form and the Angels had no chance for the game. With Bassey at bat in the third inning, the rain which had been distilling down all through the game developed into a large-sized shower and it became necessary to call the game for 30 minutes after this little vacation, however, the clouds cut out the wet stuff and the game was resumed with Bassey at bat. The little marquis walked the bases, but Ryan went out, Delmas to Dillon.

Portland took the lead in the second inning, when, after the Angels had put Bernard over the pan on Garrett's error, they scored two runs. Danzig was first up and as his share plunked the right-field fence with a line drive, Rafferty, in attempting to sacrifice, was safe at first. Bassey sacrificed and when Rebel Oaks got his fingers crossed in attempting to catch Bert Whaling's long fly, big Dan and Rafferty scored. Garrett singled, sending Whaling to second, but Casey went out to Ellis. Tom Rafferty got the last of three hits of the day in the fifth and it went for a triple. Ryan's single scored him.

In the seventh we got two more, when Ote Johnson singled, Danzig beat out a hunt and Rafferty sacrificed. Bassey fanned, but Ryan was there with bells and scored both Ote and Danzig with a single. Los Angeles got one in the sixth on a base on balls, two infield outs and Smith's single. That was all. The score:

Score for Los Angeles: Bernard, 2b; Oaks, cf; Dillon, 1b; Smith, 3b; Ellis, lf; Basmas, ss; Nagle, p.

Score for Portland: Casey, 2b; Cooney, ss; Johnson, 3b; Danzig, 1b; Rafferty, cf; Bassey, lf; Ryan, rf; Whaling, c; Garrett, p.

Struck out—By Nagle 5; by Garrett 4. Bases on balls—Off Nagle, 2; off Garrett, 1. Two-base hits—Whaling. Three-base hits—Rafferty. Double plays—Whaling to Danzig. Sacrifice hits—Smith, Bassey, Brashear, Rafferty. Stolen bases—Cooney. First base on errors—Los Angeles, 1. Left on bases—Los Angeles, 6; Portland, 10. Time of game—2:00. Umpire, Perine.
