BUSINESS CHANCES 20

This Is Your First and Last Opportunity

To purchase treasury stock in the Richmond Basin Tunnel Mines Co., at the phenomenal low price of 15 CENTS PER SHARE, whose assets are 18 quartz claims in the heart of the San Juan district, Colorado, joining the famous Camp Bird mine, whose annual dividends are $1,500,000, and our property SHOWS UP SECOND TO NONE IN THE DISTRICT. We believe that just a little more money is now necessary to place our property on a nice dividend paying basis. The principal stockholders have advanced all the money for past developments, and this month is the first, and will positively be the last chance to purchase treasury stock at this price. If you want to buy stock at 15c that is worth 50c per share buy this week and if you are not satisfied in one year come to our office and get your money back with interest. YOU HAVE EVERYTHING TO WIN AND NOTHING TO LOSE. NO SUCH AN OFFER HAS EVER BEEN OFFERED THE PUBLIC TO OUR KNOWLEDGE.

We say what we mean. We mean what we say. Average samples taken from our property was $47.19 per ton, and our manager thinks we will strike a high grade shipping ore of at least $100 a ton.

Write or call for a personal interview.

Secretary and Treasurer.
