SWATFEST GOES TO SOUTHERNERS

Graney, Rose, Groom and Johnson Face Angels Without Effect.

Manager McCredie tried four pitchers in an endeavor to win yesterday's game but to no avail. With two out, Brashear on second and Delmas not an especially hard hitter at bat in the eighth, McCredie gave Rose the hoist sign and substituted Robert Groom before the latter had time to warm up, with the result that before Robert got under way four runs were scored. Three more in the ninth made the Angelic horde's total 12, while by great effort our total was raised to 9.

Graney started the game but gave way in the third. Portland started off in fine form when, after the Angels had been retired, in order, Casey singled, Cooney beat out a nicely placed bunt and Ote Johnson sacrificed. McCredie singled, scoring Casey and Cooney and when Ellis tried to catch Cooney at the plate the manager got to third. Raftery singled, scoring McCredie, and Tom scored on a wild throw to first and Bassey's double. This made four and if ever a game looked safer the leading team had 40 runs or more to the good. It didn't last long, however, for in the third Brashear led off with a single and before the canto was over three runs were in and Graney had been chased.

Smith as second man struck out but Rube Ellis walked. Delmas fouled to Ote Johnson, making two out. Easterly, the second best hitter in the league, doubled to right scoring both Ellis and Brashear. Nagle also hit, scoring the catcher. This was enough for Graney and he was chased, Rose taking his place. Bernard ended the inning by grounding to Rose.

Portland filled the bases in her half but failed to score. Los Angeles was more lucky, however, and got a run over in both the third and fourth. Portland evened things up in the third. Three singles, scoring Ryan.

The eighth was where things went up without ballast. Brashear opened the inning by singling. Jud Smith sacrificed. Ellis went out on a foul fly. Rose seemed to have things well under control but Manager McCredie thought otherwise and Rose was given the high sign. Bobby Groom came in here and Delmas, Hogan, Nagle and Bernard singled in succession. Each team moved up in the ninth so that Los Angeles was an easy victor.

The score:

Briton Makes New Record.

(United Press Leased Wire.)

London, Sept. 12.—T. E. Hammond, a member of the London stock exchange, made a new world's record for walking 100 miles when he won the 100 mile walk in the Stadium in 18 hours, 4 minutes and 10 1-5 seconds. Hammond was first in a list of 42 competitors and finished strong. Apparently he could have walked 50 miles more at the same rate. The Stadium was thronged with people to see the finish of the race, and the victor was cheered along the last few miles of the course.

"Rube" Marquard, the great Indianapolis pitcher, is back in his old form and "whiffing 'em" out as he did in the early season.

ATHLETES HERE MONDAY EVENING

Reception and Parade Postponed From Tonight by Delayed Trains.

Delayed trains have necessitated postponing the reception to the three Oregon athletes from tonight until Monday night and the starting point of the parade from the Union depot to the Commercial club. There will be no change in the elaborate plans for the parade. That it would be necessary to change the date of the festivities was not known until late last night, when a telegram from the athletes stated that they could not make connection at Ogden to catch the Union Pacific train for Baker City and Portland to reach Portland tonight.

The local committee wired the athletes the following instruction last night, which, when followed out, will bring them into Portland Monday evening. They are instructed to leave Salt Lake at 1 o'clock today, which will put them at Baker City at 7:45 o'clock tomorrow morning. They will leave Baker City at 8 o'clock Sunday night and arrive at The Dalles at 6:10 o'clock Monday morning. They will leave The Dalles on the local at 1:45 o'clock and reach Portland Monday evening. They will be met at The Dalles by Dr. Homer I. Keeney, a member of the general committee, and escorted home.

The feature of the parade which leaves the Commercial club building at 8 o'clock Monday night will be the open carriage occupied by the athletes. It will be drawn by 200 boys from the junior class of the Multnomah club in custume. These boys have been especially drilled for the occasion by Prof. Robert Krohn and will execute a number of maneuvers on the line of march.

In the parade will be officers and crew of the Italian warship Puglia, now in the harbor. Marchese Lorenzo Cusani Visconti, captain of the cruiser, and the officers will ride in carriages and the sailors will march.

The students and alumni of the three colleges which the atheltes attended will occupy gaily decorated tally-hos. Smithson was an Agricultural college student, Gilbert a Pacific university graduate and Kelly an Oregon student.

The route of the parade will be up Sixth to Washington street, down Washington to Third, up Third to Morrison, thence up Morrison to Multnomah field.

Holding the parade Monday night also causes a postponement of the banquet which will be held at the Commercial club Tuesday evening. It is for the public and not an invitational affair and tickets can be secured from General Charles F. Beebe, chairman of the committee, at $1.50 each. Three hundred plates can be laid and the tickets are going rapidly for the affair.

Honus Wagner and Lefty Liefield of the Pirates both own automobiles. Pretty good showing for one club. Both are enthusiastic motorists.

PENNANT RACES ARE HOT IN ALL CORNERS

Any direction you turn your head nowadays you will see a pennant race calculated to make your eyes nearly pop out of your noodle. The great struggles in the National and American leagues need no comment. Providence, Baltimore, Buffalo and Newark are furnishing a brilliant display of fireworks in the Eastern league. And while scanning the east don't overlook the New England league with Worcester and Lawrence in the leading roles, and the Connecticut league with Springfield and Hartford in a clutch to the finish.

Turning to the middle west the American association is found with Indianapolis, Louisville, Toledo and Columbus so close together that the A. A. fans are scarcely able to distinguish one from another.

And in the land of cotton. When it comes to the Southern league you're up against a guessing stunt for fair. It's a mighty wise fan who can pick the flag winner from among Nashville, Memphis, New Orleans and Montgomery.

Retrace your steps and take a peep at the Central league and Evansville, Dayton and South Bend; the Three-I league, with Springfield, Decatur, Peoria and Dubuque; the Illinois and Missouri league, with Macomb and Hannibal fighting it out for first place; the Western league, with Omaha, Sioux City and Lincoln all in the running.

What's that? You're getting dizzy? Why, you have just started. The heart disease finish is on from one end of the country to the other. Big and little fellows all are in it. Take the South Michigan league, the Virginia league, the Wisconsin and Illinois league, the Western association, the Texas league, the Pacific Coast league, the northwest league—Gee, we're at the end of the baseball map. Well, one thing sure, 1908 will be remembered as classy baseball year with the flossy finish.

LADIES' SINGLES PLAYED OFF TODAY

Miss Frohman and Miss Morrison in Finals—Bellinger Beats Anderson.

In the elimination matches of the Multnomah handicap tennis tournament, some more exciting games occurred yesterday in the ladies' and men's singles. Dan Bellinger took a step forward toward the singles championship, when he defeated Mr. Anderson, 6-2, 6-8 and 6-3. Anderson put up a hard game and the veteran, was puzzled more than once during the set.

Miss Frohman beat Miss Fording, 7-5 and 6-0, during the afternoon, and Miss Dorothy Morrison defeated Mrs. Northrup 6-1 and 6-2. These two excellent players will come together in the finals this afternoon. They are very evenly matched and the set should be the hardest one of the season.

The schedule of play today is as follows:

2 P. M.—Miss Morrison vs. Miss Frohman, court 2, finals in ladies' singles. Hughes vs. Freeman, court 1, finals in juniors. Townsend vs. Shines, court 3.

4 P. M.—Miss Frohman and Snow vs. Mrs. Northrup and Andrews, court 4, finals in mixed doubles. Hughes vs. Farrell, court 1. Wight and Katz vs. Mitchell and Applegate, court 2.

PAPKE MAY FIGHT HUGO KELLY AGAIN

Middleweight Champion to Meet Italian Wonder in Los Angeles.

(United Press Leased Wire.)

San Francisco, Sept. 12.—There is a good chance that Billy Papke, the middleweight champion, will fight Hugo Kelly at Los Angeles before he fights Ketchel here on Thanksgiving evening.

T. E. Jones, manager for the champion, left for the east today, but he stated before he went that the articles with Ketchel do not prevent either fighter accepting a challenge before the Ketchel-Papke fight and he thinks that a fight with Kelly might be arranged in Los Angeles.

Papke is anxious to get into the ring with Kelly. He will not fight any in San Francisco before his mill with Ketchel, however, and the Los Angeles fans might have a chance to see him in action again before he shows himself here.

Papke starts a sparring exhibition at a local theatre next week and will leave for Chicago after that if he has not signed with Kelly. When he returns he is to start a training camp at the beach.

MANAGER M'CREDIE OFFERS TWO GAMES

There will be another double header Sunday if Manager McCredie's plans go right, and once more the fans will be given the treat of two ball games for the price of one. The games will start at 2 o'clock. Los Angeles now has the majority of the games to her credit, and it is up to the Beavers to hustle if they expect to break even on the series. The two games Sunday should be hot ones.

AMERICANS LEAD IN AUTO RACING

(United Press Leased Wire.)

Brighton Beach, N. Y., Sept. 12.—By a series of desperate sprints Mulford and Cobe, Americans, driving a Lozier car, today gained the lead in the 24-hour endurance automobile race which began here last night. The Italian drivers, Parker and Capra, in the Fiat car, are running in second, nine miles behind the leaders.

The attendance has surpassed any on record in this country. The spectators who reached the track at 8 o'clock last night are nearly all here today and their ranks have been enlarged by hundreds who are arriving continually.

The only accident during the night was a collision which put the two French cars out of the race. Driver Sartori, who sustained a fracture of the arm and severe body injuries, is expected to recover.

The cars are whizzing around the track at lightning speed and the continual narrow escapes from disaster hold the crowd breathless. At the twelfth hour the standing was as follows:

Car.	Driver.	Miles.
Lozier	Mulford, Cobe	565
Fiat	Parker, Capra	556
Lozier	Michner, Lynch	552
Allen	De Palma, Rippi	522
Stearns	Laurent, Marquis	522
Thomas	Robert, Martin	478
Acme	Strang, Rogers	465
Simplex	Robertson, Lescault	460
S. P. O.	Kjeldsen, Juhasse	279

All the contestants now are Americans except Parker and Capra, and the fact that the Italians are so near the lead, insures exciting scenes in the final laps.

PAINTER FALLS 30 FEET; UNINJURED

(Special Dispatch to The Journal.)

Aberdeen, Sept. 12.—Kenneth Moody fell 30 feet from the roof of a building on which he was working today and escaped uninjured. He fell from the peak of a roof on to the soft earth of a garden. He lessened the force of his fall by grasping at a rung of a ladder. He was nearly deluged by the contents of a large pail of paint which fell with him, the sticky mass almost smothering him. Witnesses ran to his assistance, fearing that the fall had killed him. He recovered from the shock within a short time, and is now able to walk without apparent suffering.

Large Attendance at Sixteenth Annual Encampment of S. O. S. S. Ass'n.

(Special Dispatch to The Journal.)

Central Point, Or., Sept. 12.—The sixteenth annual encampment of the Southern Oregon Soldiers' and Sailors' association is in session here this week with a large attendance. The camp is located in a beautiful grove adjoining the city, and the ideal location and beautiful weather has helped make it one of the most enjoyable meetings ever held by the association.

Hon B. F. Mulkey, district attorney for this district, made an excellent address to the veterans Wednesday evening, and Rev. Sickafoose of the First Christian church of this city, was the principal speaker Thursday evening. Besides the regular addresses, campfire talks, old fashioned singing bees and other popular features are on the daily program.

About 90 veterans are registered as visitors, with almost an equal number of the Women's Relief Corps. Officers elected for the ensuing year are: Colonel Commander, A. C. Spencer of Ashland; lieutenant colonel, Jesse Adams of Ashland; major, George Perkins of Central Point; quartermaster, P. Hull of Medford; chaplain, Rev. Robert McLain of Grants Pass.
