BUSINESS CHANCES 20
Watch the Queen Princess Copper Mine
Although in its infancy, this mine has made wonderful progress in the last four months. The ore is of the best grade, and the mill is installed. The reduction work is yet to be put in to handle the ore economically.
The price of copper was raised on September 1 from 25 cents per share to 35 cents. Only 8,000 shares remain at this price. After this allotment is disposed of, no stock will be sold for less than 50 cents per share, if not at a profit. First come, first served. For prospectus and information, address 525-527 Lumber Exchange Bldg., Portland, Oregon.
