Let Us Help You to Realize That Dream

To help plan the furnishings of the home for young married folks is one of the most pleasant duties we have to perform

Perhaps you are one of those who are looking forward to having a home of your own. You've been putting money in the bank for this purpose. And it only remains for you to select the furnishings. At this point you'll find us of great help to you. Come in and talk it over. More than likely we can give you many valuable suggestions. At any rate, we are in a position to

give you the best service in the matter of choosing the furnishings for that home. Our stocks are large, our variety wide, and our prices are the most reasonable in this locality. Now is a good time to make your selections—for just now our stocks are at their best and we've made our prices unusually tempting for immediate buyers.

New Fall Furniture

"New" is an insignificant little word, but it is important enough to be the keynote in all of our talk and all of our advertising these days. New goods are arriving daily. Hundreds of new ideas this fall, and old ideas expressed in new ways. Now is the best time for you to come and inspect these new arrivals, all of which are guaranteed by us to give perfect satisfaction.

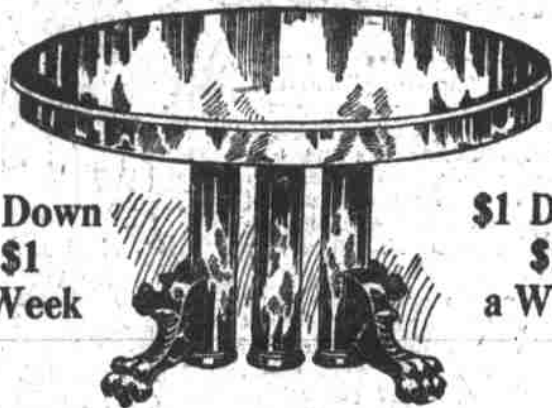

Do You Want Credit?

If you desire to purchase anything at our store on a credit basis come in and see us and we are sure that we can make satisfactory arrangements with you in paying for the same. You will find this is the right store, the right prices with the right goods at the right time.

Carpets and Rugs

Carpet and rug-buying time is here, and so is our new fall stock in all its wonderful variety and weaves. We are always pleased to be able to show our patrons the cream of the new season's productions, but this season we are even more than ordinarily pleased to do so—for we know you will be delighted with our selections.
