### MOTHER PAYS DELINQUENCIES

Ordered to pay \$15 per month for the support of his little girl by the circuit court and later ordered to pay \$10 per month by the county court when prosecuted for non-support. Edward L. Payne in over two years contributed just \$16. Then, confronted by the probability that if he remained in Oregon he would have to pay every month thereafter, he went to Honolulu, where Judge Webster and the non-support laws of Oregon could not trouble him. Presumably he forgot that he had faith fully promised Judge Webster that he would pay \$10 per month to assist in the support of his child.  
 Mrs. J. Duncan, mother of Payne, has been much grieved by her son's conduct, and a short time ago she went to Mrs. Payne and offered to pay \$150 cash for the benefit of little Vivian. Mrs. Payne's attorney appeared in the circuit court this morning and secured a modification of the decree of divorce of March, 1906, so that the \$150 might be accepted as in lieu of the court's order of \$12 per month. He also dismissed the proceedings in the county court.

**Good Fishing at Newport.**  
 Advice has just been received that silverside and chinook salmon are being caught on trolis in Yaquina bay.

### HAD A GOOD TIME ON WIFE'S MONEY NOW WIFE HAS ASKED FOR A HALTER

That her husband spent \$1,100 of her money touring California with her, but that he has worked only four weeks since they were married, and has left her to buy even the clothing he wears, is the complaint voiced by Mrs. Marguerite Edmonds in a suit for divorce from Robert Edmonds, filed in the circuit court.  
 She says the trip to California was taken soon after the marriage in Portland last February, her husband pleading that he was in poor health and that he needed a change of climate. She says he squandered \$1,100 of her coin

on this little jaunt, and that on their return he would not go to work. She says he abused her unless she would give him money, and that he used shocking language.  
 Mrs. Edmonds says that she owns the furniture and everything else in their home at 411 Third street, except a few of her husband's clothes, and even these were bought with her money. She declares that he has threatened her with violence if she tried for divorce, and she asks for an order of court restraining him from interfering with her. She desires to resume her former name, Marguerite Halter, and wants \$25 per month permanent alimony.

majesty in the guise of a man at the Bungalow theatre this week, and is strongly backed by Miss Ietta Jewel and Donald Bowles in the two other leading roles.

## S.S.S. CURES MALARIA

Malaria is due to impurities in the blood which destroy the rich, healthful qualities of the circulation, and reduce it to a weak, watery fluid. The body is then deprived of its necessary nourishment and strength, and is unable to resist the countless disorders that assail it, and the general system suffers in consequence. The appetite fails, digestion is weakened, chills and slight fever are frequent, while the sufferer loses energy and ambition. Boils, skin eruptions, and some times sores and ulcers follow when the blood becomes deeply polluted with the malarial germs. Both a tonic and blood purifier are needed to cure Malaria, and S. S. S. is best fitted for this work. It is the most perfect of all blood purifiers and at the same time an invigorating, healthful tonic. S. S. S. goes down into the circulation, and removes every trace of impurity or poison, and gives to the blood the health-sustaining qualities it needs. It cures Malaria thoroughly and permanently because it removes from the blood the germs and poisons which produce the disease, and while doing this tones up and strengthens every part of the system. Book with information about Malaria and any medical advice furnished free to all who write.
