Because we have learned to obey authority we are in a position to exercise it so far as millinery is concerned. Every hat which is to be found with us, whether it be a copy, an adaptation or the creative effort of our own designers, is marked by the influence of the most exclusive imported models. Without a single exception we hold our collection of trimmed hats to be the most distinctive and exclusive which we have ever presented.

## Silverfield's Fine Furs

Merit Made Them Famous

The Fur Question Is the Question of the Hour, and the Demands of the Weather Render It Imperative That It Be Solved at Once

### Whom Will You Trust When You Buy Furs?

This is the supreme question in fur-buying. Furs, like diamonds, need an expert to value them, and the wise buyer will not trust his own superficial judgment, nor that of a merchant who sells what he buys, without knowledge of skins or workmanship.

### The House of Silverfield Knows Furs

THEY HAVE KNOWN THEM FOR MANY YEARS, and they now handle more furs than any house on the Pacific coast. Their trappers bring their skins from every fur-bearing country in the United States and Canada, as well as from Europe. They have so long practiced the difficult craft of fur-matching and fur-sewing that their experts excel in that which contributes in large proportion to the value of a fur garment. **THE WORK IS DONE IN THEIR OWN FACTORY, UNDER THEIR OWN SUPERVISION,** and the fit and finish of a Silverfield fur garment is proverbial. With these facilities in one harmonious organization—**FROM SILVERFIELD TRAPPER TO SILVERFIELD PATRON**—every buyer may be sure of the greatest fur values, latest fur styles and most moderate prices. Not only do these facilities apply to their collection of high-priced furs, such as

NATURAL RUSSIAN SABLE, HUDSON BAY SABLE, DARK ALASKA MINK, SILVER FOX, BROADTAIL, ETC., ETC.,

But Satisfaction is also guaranteed in lower-priced goods, such as

Persian Lamb, Russian Pony, Caracul, Black Lynx, Blue Lynx, Fox, Astrachan and Other Dependable Furs.

Can you afford to trust other than the most expert in selection and purchase of fur garments?
