SPEEDY HORSES WIN AT PORTLAND TRACK

NORTHWEST RECORDS MAY GO TO SMASH

Tomorrow is Portland day at the Country club track and the feature event on the program will be the Rose City purse for 2:09 pacers which is worth \$2,500. The fastest pacers on the coast will be entered in the event. Arrangements are being made to take care of an enormous crowd at the track.

There was never a doubt yesterday but that Portland has the fastest race-track in the west, when Josephine paced a mile in 2:07 1/2 in the 2:12 pace, and Daybreak trotted a mile in the 2:16 trot in 2:10 1/4, and then later when the running horses covered a half mile in 48 1/2 seconds.

Before the week has ended there is a likelihood that the pacing and trotting records of the northwest will be lowered materially. The exhibitions of speed yesterday are forerunners of this possibility.

The racing was of the highest class that has ever been seen in Portland. The horses are well matched and the finishes were by no means "breeding" or "spread-eagling" affairs.

In several of the heats yesterday the whips were applied on the home stretch and the leader passed under the wire half a length in advance.

Races Continue Today.
Today the races are continuing, with three harness and one running race on the program. These will be the Board of Trade purse for 2-year-old trotters, worth \$400; the Chamber of Commerce purse for 3-year-old pacers, worth \$600; 2:27 class trotting for a purse worth \$1,000, and a special race. The gallopers will go five eighths of a mile for a purse of \$100.

In the first heat of the 2:14 pace, Bonnie M. broke at the first turn and was therefore out of the race. Rutherford, driving Josephine, fell in behind Ray of Light at the turn. Travis' handsome colt forced the pace from the start, with Josephine a length behind and Cleopatra two lengths back. There was never a ripple in the running of the race. Gradually the bay mare cut down the lead. For 50 yards they worked like a well ordered team. Then the grand daughter of Zolock-Lady May urged on by Rutherford gathered herself together, and flashed past the stands a winner by a half length in the remarkable time of 2:07 1/2. Cleopatra was third, four lengths in the rear.

Second Heat Repeater.
The second heat was a repeater. The quartet was off to an even start. At

the first turn Josephine took a slight lead, and at the quarter post Rutherford urged his mare to take the lead, which she easily did. Up the back stretch Ray of Light lapped the leader. At the three quarters they were in the same position. Then Ray of Light was asked for more speed and he hung to Josephine's flank on the stretch. Driver Whitehead applied the whip in an effort to beat Josephine, but the game little lady stood off the rush and finished a good half length in front. The time was 2:08 1/2.

Butherford's Good Driving.
Josephine's winning heat showed her class as a pacer. Driver Rutherford's generalship in handling the mare was noticeable. When the bunch turned at the first eighth Rutherford shot in behind Ray of Light. The speedy son of Searchlight forced the bunch all the way, with Josephine a length behind and Bonnie M. a length back, followed the same distance by Cleopatra. The line of march continued to the three quarters, when there was a fight for position on the stretch. Josephine moved up on the right of Ray of Light, and Hogoboon sent Bonnie M. in behind the leaders. Whitehead urged the Ray of Light horse to the limit. Josephine crawled up to his wheel, then to the flank, and then took command in the last 100 yard drive. Whitehead applied the whip, but Josephine was not to be headed. Rutherford spoke gently to her and she lengthened the distance separating her from the Searchlight horse to a full length. It was the greatest distance she had beaten him in the three heats. The time for the quarter was 0:31 1/2, for the half 1:03, for the three fourths 1:36 and for the mile 2:08 1/2.

Ten Start in 2:16 Trot.
In the first heat of the 2:16 trot 10 horses started, necessitating several false starts before the bunch finally got away. Nogi, from far back, rapidly forged to the front and took the lead at the quarter, closely followed by Daybreak. These two kept their respective positions to the third quarter, when Daybreak suddenly moved up alongside and before the horses were well into the stretch had taken the lead. At the same time General H. became a factor in the race, and in a magnificent spurt passed Nogi and came under the wire barely a neck behind Daybreak. The time was 2:11 1/4.

Henry Gray Out.
The nine horses got a better start in the second heat, Lady W. slightly in the lead. Henry Gray, driven by Dr. Hartnagle, broke in the first quarter and thereafter was virtually out of the race. The time at the quarter was 33 1/2 seconds, Daybreak having the pole and a slight lead over General H. Time for the half was 1:05, and three quarter post, 1:37 1/2. Daybreak and General H. entered the stretch almost neck and neck, with Nogi and Della Derby close behind. Della Derby passed Nogi before the judges' stand was reached and it looked for a while as if she would get the place, but at the final spurt she fell back a little, finishing third. Daybreak passed under the wire first, with

General H. second, Della Derby third and Nogi fourth. The time was 2:11 1/4. Henry Gray was distanced on account of a break of his harness.

Daybreak Takes Third.
Daybreak made it three straight in the third heat, winning by a nose over General H. and taking first money in the \$1,000 purse.

The start could hardly have been worse, the starter recalling the bunch twice when they had a much better get-away. Nogi, as usual, took the lead and held it nearly all the way around, demonstrating that he is somewhat short. The first quarter was made in 0:33 1/2. In the second quarter General H. broke and fell back from close second to fourth place. He got under way soon and recovered some of the loss in the third quarter. Nogi entered the stretch in the lead, but was almost immediately passed by Daybreak. Near the end of the stretch General H. cut in on the pole behind Daybreak and nosed Nogi out of the place money. Della Derby came in fourth. The time

the heat was 2:10 1/4, the fastest of the three. Final result of the race was Daybreak first, General H. second, Nogi third and Della Derby fourth.

College Maid Breaks Record.
College Maid's grand performance was the signal for a spontaneous outburst from the grandstand. The beautiful black mare got off to a poor start, else she might have lowered her mark still more. For 50 yards she fell into a broken gallop. Then she struck her stride and settled down to her work. At the quarter her time was 20 seconds, and she flashed past the half mile post in 1:02. She never faltered for a moment and covered the three-quarters in 1:35. Turning into the home stretch she stood 20 feet from the pole and then buckled down to shatter her best mark of 2:09 made at Bellingham and equaled at Salem.

Her beautiful skin glistened in the sun. Her action was perfection itself. Two hundred yards from the finish her hundreds of admirers in the big stand shouted their encouragement. She rushed onward but tired in the stretch,

the fact that she was leg-weary being betrayed in her last 10 strides. Her mark was 2:08 1/2. After the run she bowed her gratitude to the spectators for their applause.

The time of yesterday's races by quarters was:

Salem Races.
Records went to smash this afternoon at the first day harness events at the Country club grounds. To start off, Josephine in the Open River event cut down her own record, finishing in 2:07 in the first heat. Between the second heats of the Open River and

Commercial club events, College Maid, the guideless pacer, went against her own time, putting up her record of 2:07 to 2:04 1/2.

Josephine won the Open River purse in three heats, finishing the first by a neck. Day Break took first money in the Commercial club purse.

'VARSITY SQUAD OUT FOR PRACTICE

Four of Last Year's Team Show Up on Kincaid Field.

(Special Dispatch to The Journal.)
University of Oregon, Eugene, Sept. 22.—Twenty-five men reported yesterday afternoon for the first regular football practice of this season. Coach Forbes put them through light practice, such as punting, falling on the ball and sprinting.

Only four of last year's varsity men were out, Captain Moulton, Clarke, Coleman and McIntyre. Pinkham is expected within a day or two and Gilles of 1906 team will soon be back in his old position at center. A number of candidates were unable to practice tonight, owing to a shortage in shoes and clothes. Before the end of the week it is probable that the squad will number over 40. Fifteen those out tonight were new men, and among them is some very promising material.

As yet, Forbes will express no opinion concerning the prospects, saying he wished to become acquainted with the men first. Yesterday he took charge of the upper classmen, while Arnsperger drilled the freshmen.

At the time Mr. Forbes and his assistants watched him at work on the field have been very favorably impressed, and he bids fair to become one of the most popular coaches Oregon has ever had.

107 (Powers), won; Ontario, 113 (Musgrave), second; Colonel Jack, 116 (Burns), third. Time, 1:41 3/4.

Fourth race, mile and a sixteenth, selling—Lally, 104 (Deverick), won; Annetta Lady, 101 (Kennedy), second; Zippango, 113 (Musgrave), third. Time, 1:29 1/2.

Fifth race, seven furlongs, selling—Melton Cloth, 100 (Burns), won; Hoyte, 95 (Kendrick), second; Long John, 103 (Garner), third. Time, 1:29 1/2.

Sixth race, steepleschase, about two miles—Captain, 132 (Carrier), won; Ted, 147 (Archibald), second; other horses fell. Time, 4:56.

Seventh race, one mile, purse—The Globe, 107 (Rice), won; Inferno, 103 (Nicol), second; Kelpie, 110 (Powers), third. Time, 1:43.

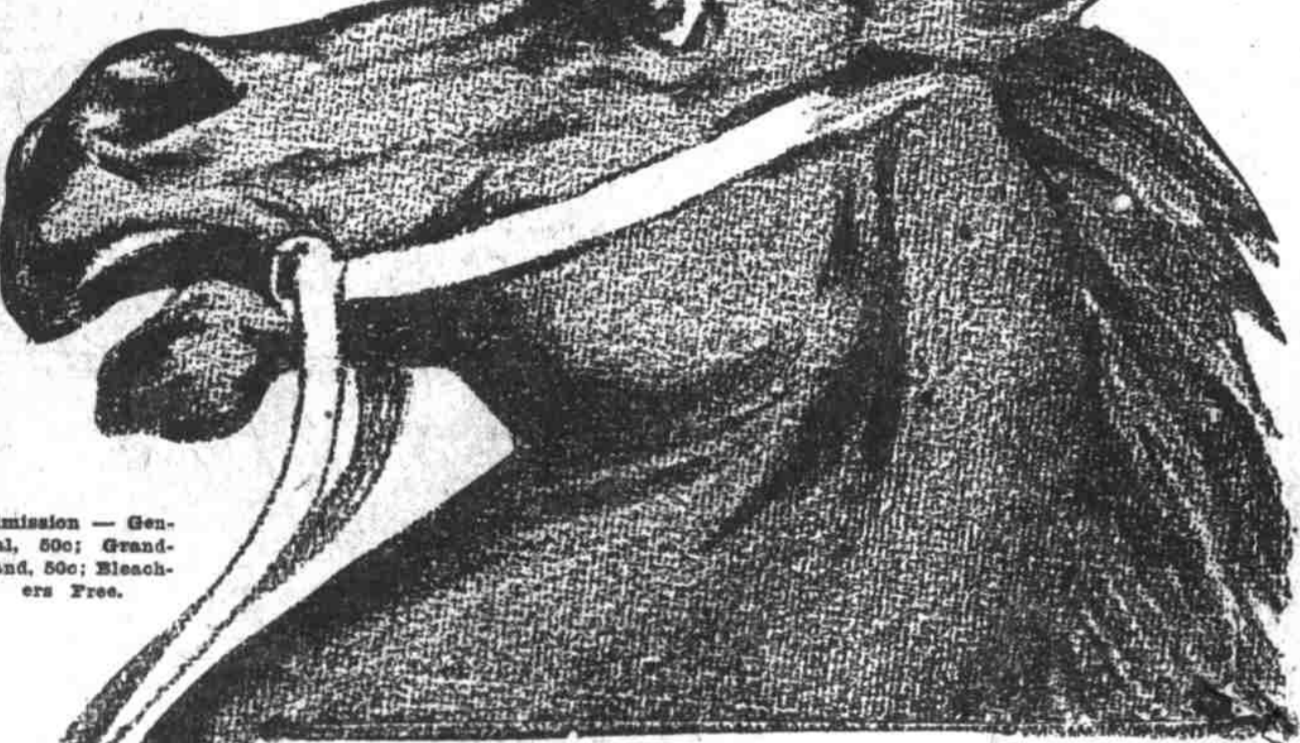

KETCHEL WILL RETIRE AFTER BEATING PAPKE

San Francisco, Sept. 22.—Stanley Ketchel is today hailed as the latest candidate for the "retired list" of prizefighters and by his own wish. Fans are wondering whether he will try to beat Joe Gans' record of the shortest time in retirement of any fighter in the ring. Ketchel has not announced his retirement yet, but he has announced his intention to retire. He says that he wants only to win from Papke and then he will retire.

Ketchel is but 20 years old and may find it hard to keep his word, even if he does beat Papke and, does retire, and the fans are skeptical of these two ifs.
