

NEW TRACK AT COUNTRY CLUB PROVES TO BE VERY FAST--RECORDS ARE LOWERED

Day Break Coming Under Wire and Winning in the Third Heat of 2:16 Class Trotting.

Start in the 2:16 Class Trotting for Commercial Club Purse of \$1,000.

Two, seven and a half the first dash out of the box. That was the time made yesterday afternoon by Josephine, owned and driven by H. Rutherford, in the first heat paced on the new track of the Country club. Josephine not only broke her own former record, but by the performance demonstrated conclusively that the directors of the Pacific national show knew what they were talking about when they said in advance that the track is the fastest in the west.

This is not the only record that was broken. College Maid, the guidelass warden, broke her own previous record of 2:03 when she was sent around the track alone and undriven in 2:08 and received from the crowd what amounted to an ovation. "The sweet thing," cooed the ladies. "Isn't she a little beauty?"

Crowds Will Increase. There was a good crowd present for the first day, but on account of the immense size of the grandstand it was not nearly filled. Apparently the people didn't know what to expect and they were all pleasantly surprised at the class of races put up. From now on the crowds will undoubtedly be much larger. Society did not turn out in force yesterday, as it probably will do today and the remaining days of the show, and the space within the track reserved for carriages and automobiles was not filled, though there was a fairly good showing of cars and equipages.

The boxes were not popular and probably to be a cloudy day, for they are down beyond the shelter of the grandstand roof, exposed to the full blaze of the sun, which yesterday was broiling hot. The only box occupied was the press box, though it was stated Saturday that several of the 28 boxes had been sold.

There was not one of the spectators who had not previously visited the Country club grounds who was not astonished at the natural beauty of the place. At present the grounds are in somewhat crude condition, little having been done to them except the construction of the track and the erection of the stables and grandstand, none of which are painted. But it is only about a year since the grounds were purchased and it is surprising that so much has been done. In a year or two the Country club grounds, where National show each year, will be by long odds the finest in the west.

Finest of Breeds. Yesterday the crowds did not begin to come until afternoon, and consequently little attention was paid to anything but the races. But the exhibitors' stables are filled to overflowing with the finest showing of fancy cattle, poultry, sheep and swine of all varieties, of pure and crossed strains that has ever been seen in this part of the country. The judging of these exhibits began this morning, and 120-

000 in prizes will be awarded in this division. In addition to an equal amount in prizes for the races.

There were three races yesterday, the first the Open River purse for \$1,000, 2:14 class pacers; the second the Commercial Club purse for an equal amount, 2:16 trotting, and the third a half mile running race for a purse of \$100.

The crowd seemingly did not realize when the first heat was paced that not only was a splendid first record for the new track being established, but that Josephine, the final winner of the race, was breaking her former record, but when the time of 2:07 1/2 was flashed up on the board there was enthusiastic cheering. All the heats of both this and the succeeding race were good ones. The best heat of the Commercial club trot was made in 2:10 1/2. There was a good deal of trouble getting a start in the three heats of this race, the horses being called time and again. In the second heat of the pacing race they started away without a start, but in perfect alignment. The starter tried to call them back for some obscure reason, but the drivers, apparently realizing that no better start could possibly be

obtained, refused to listen to him. The crowd freely advised the starter to let the horses start themselves. Josephine won all three heats of the first race and Ray O'Light second. Bonnie M. took third money and fourth place went to Cleopatra.

Fonies Prove Popular. In the trot Day Break had no difficulty in gathering in all three heats, with General H. second. Nogi took third and Della Derby fourth.

Evidently the ponies are still the most popular with the crowd. The only running race was the half mile, won by Buster Jones, with Hagerdam second and Sallie Goodwin third. Berdie P. really came in second, but was not entered. His rider simply took him out on the track and ran him. Of course he was counted out when the winners were announced.

There were several special features between races. The one that pleased the crowd most was College Maid's circling of the track alone. This beautiful little mare is harnessed but not hitched to a sulky, and she paces around the track absolutely without guidance of any kind. There was never a break in her gait, not a faltering or wavering.

She simply hugged the pole and paced, paced as she never had paced before. And she clipped a quarter of a second off her record. The mare is without question about the handsomest that has ever been seen in this part of the country, and her performance demonstrates her intelligence. She certainly must be college bred.

Rough Rider Stanley did some trick riding between races that was fairly good, and some rope juggling that was better. He holds the Cheyenne championship.

One incident which brought the crowd to its feet was the catching of a runaway by one of the track marshals on horseback. At the end of the running race Daly, riding Inti, was unable to stop his mount, and the horse came by the third time Daly was standing in his stirrups and holding back with all his weight, but apparently the horse was entirely beyond his control. Both he and the horse were plainly disconcerted. One of the marshals started after them. He was outdistanced at the start, but succeeded in catching the runaway about half way between the quarter and half mile posts, and was heartily cheered by the crowd.

GIRL MURDERED; FACE SMASHED

Atrocity Similar to Schaefer Case and Probably by Same Hand.

(United Press Leased Wire.) Bedford, Ind., Sept. 22.—Near the spot where the body of Miss Schaefer, a young school teacher, was found three years ago, the body of a beautiful young girl, who undoubtedly was murdered in much the same way as Miss Schaefer, was found today.

The Schaefer crime, which stirred the whole state for months, seems to have been repeated and the police suspect that it was the work of the same man.

The body of the girl found today has a reception will be given. Wednesday night will find the train at Walla Walla and Thursday night will be spent at Lewiston, Idaho. The excursionists will arrive at Spokane at 2 p. m. Friday and Saturday night will be spent at Ellensburg.

A. Y. P. TRAIN

(Continued from Page One.)

The train. Lunch will be served aboard the train today so that business men need lose no time unnecessarily in taking along luncheon.

The excursionists will arrive at Portland at 8 o'clock this evening where a reception will be given. Wednesday night will find the train at Walla Walla and Thursday night will be spent at Lewiston, Idaho. The excursionists will arrive at Spokane at 2 p. m. Friday and Saturday night will be spent at Ellensburg.

The local plans for the entertainment of the Seattle delegation are entirely in the hands of the Commercial club, and as soon as the train arrives the 100 or more excursionists will be escorted from the Union depot to the rooms of the club. The reception will be held on the seventh floor and there will be music and a light supper. President Hodson of the Commercial club will formally welcome the Seattle business men, while officials of the Seattle chamber of commerce will respond. The train leaves for Walla Walla at midnight.

The Columbia club of Vancouver, Wash., has arranged to join with the

Commercial club in welcoming the visitors and will take part in the reception at the clubhouses.

Mayor James C. Dahlman of Omaha, who is a candidate for the Democratic nomination for governor of Nebraska, has announced his opposition to "county option," and declares himself in favor of a law providing for a guarantee to bank depositors.

Save \$10 to \$45 on Talking Machines

Just Think of It! \$8.75 Instead of \$17.50

Why, it seems utterly out of the question, but it isn't. Not an \$8.75 talking machine, but a \$17.50 machine for \$8.75. For \$19.40 we give you our big seller—greatest value and reduction yet offered. It's a "live-wire" fact. See window display. Other models at \$8.50, \$12.50, up to \$65—reduced some less than half—all at great savings. This sale is a general "clean-up" before October 1, and it means the prices quoted cannot be duplicated.

It's Talking Machine Time Now. Small Payments—to Reliable People.

Cabinets

For Disc and Cylinder Records \$8.75 Reduced From \$25

Protect your records, and besides place in your home an attractive and useful piece of furniture at small cost, if purchased during this clearance sale. See window display.

Be sure and have salesmen show you the convenience of one of our cabinets. While they last, pay

- \$8.75 FOR \$25.00 CABINETS
- \$9.50 FOR \$27.00 CABINETS
- \$26.00 FOR \$38.00 CABINETS
- \$47.50 FOR \$70.00 CABINETS

MORE MILLIONS FOR THE DUKE

Reconciliation of the Marlboroughs for Sake of Children Reported.

(United Press Leased Wire.) London, Sept. 22.—The duchess of Marlborough, formerly Miss Consuelo Vanderbilt of New York, is today preparing to return to her husband at Blenheim palace, according to a report which has gained current circulation among the nobility. It is reported that the duke and duchess have agreed to forget their differences for the sake of their children.

King Edward, who is reported to have used every means in his power to prevent the separation of the Marlboroughs, is said to be highly pleased at the prospect of a reconciliation.

The return of his wife, with her \$10,000,000 will not materially affect the duke's finances, as he was amply provided for at the time of the separation. He has an annual income of \$10,000 from the Vanderbilt estate, and his wife has provided him with an additional \$100,000 a year.

DON'T YOU VOTE FOR UNCLE JOE

Methodist Ministers Lay Commands on Congressional Candidates.

(United Press Leased Wire.) Tacoma, Wash., Sept. 22.—Speaker "Joe" Cannon was given a hard rap by the Puget sound Methodist conference which has just closed here, and all of the 200 ministers in the district are pledged to vote against any one for congress who will not agree not to vote for "Uncle Joe," but will vote for some one for speaker who will allow the passage of the bill to stop the interstate shipment of liquors into prohibition territory.

In the resolutions as originally drawn in the name of Cannon was omitted, but in order that there should be no mistake about whom the conference meant an amendment made on the floor of the conference was adopted inserting "the speaker's name."

MISSOURIAN BUYS FOR HIGHER LUMBER

(United Press Leased Wire.) Bellingham, Wash., Sept. 22.—To supply an immense combination mill to be erected on the South Bellingham waterfront 120,000,000 feet of timber was recently purchased on the hills of Lake Semish by a Kansas City capitalist from E. N. Sailing of Michigan. The timber was sold for \$250,000, the price set by Sailing on the tract. The Michigan lumberman is a multi-millionaire and is convinced that the stumpage in this state will one day, not far in the future, rise to \$5 a thousand, an advance of \$3 over prevailing prices.

Democrats of Oklahoma will meet in state convention in Tulsa, September 1, to ratify the recent nominations by primary and to frame a platform. The coming campaign will be conducted from state headquarters, which will be established either in Shawnee or Guthrie.

A SURPRISED MINISTER

Hyomel Cured Bronchial Catarrh After He Had Given up in Despair.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomel, which brought complete relief. Hyomel has been a veritable godsend to me. Rev. Charles Hartley, Sardinia, Ohio.

There are many reads of The Journal who are suffering from catarrh, either nasal or bronchial. Many of these despair of ever being cured. They have soaked their stomachs with nostrums until they are disgusted with all medicines, and are now traveling their miserable way, allowing the devilish germs of catarrh to sap them of their health, energy and vitality.

But let us reason together. Woodard, Clarke & Co. the druggists, have a guaranteed remedy for catarrh, coughs, croup, and all inflammatory diseases of the nose, throat and bronchial tubes. The name of this remarkable remedy is Hyomel, and if it doesn't cure, they will give you your money back.

Hyomel (pronounced High-o-me) is medicated air, you just breathe it through the bronchial over the inflamed and germ ridden membrane, and its soothing antiseptic properties will allay the inflammation, destroy the germs and restore the entire respiratory tract to its normal conditions.

A complete Hyomel outfit, including a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomel, if afterwards needed, costs but 50 cents. See Woodard, Clarke & Co. about it today.

This is probably the last time that Roosevelt will ever reside at Oyster Bay as president of the United States.

With the president was W. Emlen Roosevelt, a cousin, Secretary Loeb and his staff. The party left in a special train of three cars at 10:30 for Jersey City.

At Jersey City they went aboard the president's yacht at 11:30 and left for Washington.

W. H. Andrews, commonly known as "Duff" Andrews, has been suggested for reelection to congress by the Republicans of New Mexico.

MORMONISM'S ANNIVERSARY

It Was 85 Years Ago Today That Joseph Smith, the Prophet, Founded It.

(United Press Leased Wire.) Salt Lake City, Utah, Sept. 22.—Members of the Church of Jesus Christ of Latter Day Saints or Mormons, throughout Utah and in many other states are today celebrating the eighty-fifth anniversary of the founding of the sect by Joseph Smith.

According to Mormon history, Joseph, the prophet, was in communication with a heavenly messenger during the night between September 21 and 22, 1822, three visions being given him. As a result he visited the Hill of Cumorah in western New York on the following day and found buried the sacred plates containing the record of the sect which he afterward founded.

The membership of the church is now in excess of 200,000 and reports show it is rapidly spreading throughout the world.

A sound of rock is sufficiently resonant to support an average sized man in water.

PRESIDENT OFF FOR WASHINGTON

Leaves Oyster Bay and at Jersey City Boards Yacht for Capital.

(United Press Leased Wire.) Oyster Bay, N. Y., Sept. 22.—President Roosevelt today abandoned his "summer capital" and returned to Washington for the work of the winter, much to the regret of the townspeople. President and Mrs. Roosevelt were accompanied to the depot by a large crowd of people and the president made a little speech from the rear platform of the train.

This is probably the last time that Roosevelt will ever reside at Oyster Bay as president of the United States.

With the president was W. Emlen Roosevelt, a cousin, Secretary Loeb and his staff. The party left in a special train of three cars at 10:30 for Jersey City.

At Jersey City they went aboard the president's yacht at 11:30 and left for Washington.

W. H. Andrews, commonly known as "Duff" Andrews, has been suggested for reelection to congress by the Republicans of New Mexico.
