MEDFORD LIQUOR CASE WEDNESDAY

Supreme Court Will Unravel Local Option and City Charter Tangle.

(Salem Bureau of The Journal.)

Salem, Or., Sept. 24.—The Medford liquor case has been set for hearing in the supreme court Wednesday, October 7, at 10 o'clock. In this case Circuit Judge Hanna of Jackson county held that the charter of the city of Medford, adopted by the people prior to the temperance vote of the people last June, was supreme over the local option law and that therefore since the charter gave the city the right to license saloons the temperance vote in June does not prevail.

The October term of the supreme court opens Monday, October 5. The calendar of the court has been arranged as follows:

Monday, October 5, at 10 o'clock, a motion in the Livesly vs. Krebs hop case will be heard; Tuesday, October 6, at 10 o'clock, examination of applicants for admission to the bar; Wednesday, October 7, 10 o'clock, argument in the Hall vs. Dunn case—Medford local option case; at 2 o'clock, argument in the Schindler vs. Parazoo case, from Douglas county; Thursday, October 8, at 10 o'clock, argument in the case of Waymire vs. Shipley, from Yamhill county, and at 2 o'clock, argument in the case of Armstrong vs. the Portland Railway, Light & Power company.

Motions in the disbarment proceedings brought against several Portland attorneys, and the appointment of referees to hear the argument will take place Tuesday, October 13.

FORCE ESPEE TO SERVE FARMERS

Trains Will Again Be Operated Between Tallman and Crabtree.

(Salem Bureau of The Journal.)

Salem, Or., Sept. 24.—The railroad commission has requested Attorney-General Crawford to start suit by mandamus, or otherwise, to force the Southern Pacific to operate trains between Tallman and Crabtree on the Springfield-Woodburn branch. The bridge between those towns over the South Santiam river has washed out several times. Since the last time, about two years ago, the Southern Pacific has made no attempt to build it up again.

Tallman is now reached via Albany on the Corvallis & Eastern, while Crabtree is reached by the Springfield branch. For a distance of seven miles between the two places there is no longer any train service. The farmers along this line complained a short time ago and a hearing was held at which the railroad commission found that circumstances warranted a service over the disused section of track.

FIVE PRESENT AT "BIG" TAFT MEETING

A Taft club was not organized in Albina last night in Thompson's hall, Mississippi avenue and Chambers street. It was advertised that there would be good speakers and a good time and that at the conclusion of the addresses a Taft and Sherman club would be formed. When the time for the meeting arrived last night there were five men present. These visitors sat around until 9 o'clock and when no more prospective members of the Taft and Sherman club appeared on the scene adjourned.

First Annual Pacific National Livestock Show and races, Sept. 21, 22, 23, 24, 25, 26, at the Portland Country Club grounds.

A SECRET REVEALED

Which May Revolutionize the Treatment of Stomach Disorders.

NEW ESSENCE COMPOUND

Said to Have Benefited and Cured Hundreds of Chronic Dyspeptics.

It is seldom that a great specialist will give away the secrets of his profession, but occasionally we find one who is more liberal.

A noted specialist on stomach disorders, dyspepsia and appendicitis, says: "I always prescribe the following with the greatest success, for indigestion, acute or chronic; dyspepsia, sour stomach, distress after eating, such as heart palpitation, shortness of breath, constipation, depression, headache and biliousness. These simple but powerfully blended ingredients can usually be obtained at any leading drugstore, or the druggist can obtain them from wholesale firms who supply the profession generally with rare extracts and essences. Mix in a bottle two ounces syrup of ginger, one ounce compound essence Cardiol and two ounces essence of Pepsin. Shake well and take one or two teaspoonfuls after each meal, or before, to excite the appetite, if necessary. For costiveness, a dose at night will do much good. Let children who have stomachache take this freely. Adults can find nothing that will do so much permanent good and at the same time give prompt relief from distress."

MEN'S DISEASES

ALL ARE CURABLE

DR. TAYLOR
The Leading Specialist.

There's no drawing the line between curable and incurable diseases. Each individual case must be considered. Most doctors claim that among that class of diseases peculiar to men one or two are incurable. This idea is wrong. I have demonstrated that it is wrong, for I cure all diseases of men. The truth is, that some cases of curable diseases are incurable, and some cases of so-called incurable diseases are easily curable by the right methods. I by no means claim the ability to cure any and every case that may come to my office, but I claim to cure most of the cases that others cannot cure, and I always refuse treatment where conditions indicate that I will be unable to obtain thorough and lasting results.

My Fee for a Cure in Any Simple Case is **$10** Pay When I Cure You

SO-CALLED WEAKNESS

And a half dozen other diseases peculiar to men, including Varicocele, Hydrocele, Specific Blood Poison, Stricture and Contracted Disorders are about the only ailments that I have paid any attention to for many years.

No other doctor treats as I treat or cures as I cure. My methods are entirely my own.

MY MODERN and up-to-date methods are certain, and speedy cure of SPERMATORRHOEA, "WEAKNESS," CONTRACTED DISORDERS, SPECIFIC BLOOD POISON, LOST STRENGTH and all reflex ailments is guaranteed.

VARICOCELE, HYDROCELE, and STRICTURE positively cured WITHOUT THE KNIFE, and NOT A DOLLAR NEED BE PAID UNTIL YOU ARE WELL. YOUR money in your own bank is safer than any one's bond.

Frewing's Orchard Tracts---Tigardville

These tracts are unquestionably the finest ever offered anywhere around Portland. Only 35 minutes out on Oregon Electric. Good car service. Good community. Churches near by. One of the best graded schools in Washington county across road from tract. Fine soil all in cultivation, especially adapted to apples, pears, walnuts and all small fruits. The Winter apples are still on the trees. Come, see for yourself. Don't buy unimproved lands when you can get a proposition like this. Eight tracts containing bearing orchard among the lot.

Remember, these tracts are only 10 miles from the city by wagon or rail; less than ½ mile from Tigardville Station on Oregon Electric. No rock, no gravel; good running water. Highly cultivated land with sightly building spot on every tract. If you are at all thinking of buying, don't fail to see these tracts and get prices before you do. Discount on 10 acres or more to one purchaser. Take car from depot, Front and Jefferson, to Tigardville; walk one third mile S. W., opposite schoolhouse.

A. F. FREWING, TIGARDVILLE, OR.

CAPITOL HILL

The choice of them all with a 5-cent car fare on the best carline running in and out of the city. The Oregon Electric Railway runs through the center of Capitol Hill for more than half mile; every lot cleared, sightly and level, no stone or gravel, the richest kind of soil. The lots in Capitol Hill are all full size, 50x100 feet, no Jim Crow 25-foot lot. Capitol Hill is only ten minutes' ride from the business center of this city, inside the city limits, on the West Side, in Portland proper; you can ride to and from Jefferson streets, ride to Capitol Hill a nice little depot on the ground; you can also walk from the depot platform on sidewalk through the tract for more than a mile. Every lot is a beauty, and the price, **that is so low we are ashamed to mention it**, $200, $250 and $300 per lot. The terms, any kind of terms you want, from $5 up monthly. Title to all of Capitol Hill is perfect. If you don't want to you need not call at our office, take the car at Front and Capitol Hill in a palace car. We have and look it over for yourself. If you call at the office we will pay your fare. This is the cheapest inside property and the most desirable ever offered at the above low prices before in Portland for twenty years. Another statement we here make and that is that you can build your home in Capitol Hill and from your front porch see more people passing through it daily from now until the end of time than any other residence portion of Portland, and that's what gives value to real property and not hot air. Capitol Hill has two railroads running through it, and the best carriage and automobile road from the city to every lot in the tract.

Address or come to the office and talk to us about Capitol Hill.
