TOM MURPHY IS ONE GRAND PACER

Son of Gossiper Goes Mile at Fast Clip — Consolation Divided.

Surprise after surprise has been the order in the harness racing at the Country Club track, the feature yesterday being the wonderful showing of Tom Murphy, a bay gelding by Gossiper, owned by Mrs. Fred Chadbourne. Tom Murphy, although entered in the 2:25 class pacing, turned the mile in 2:09½ in the third heat, one of the most remarkable performances of the present meeting. This mark was within a quarter of a second of the best time made by the entrants in the 2:09 Consolation pacing stakes. Had Tom Murphy been pushed harder he could probably have gone the mile in less than 2:09, as Driver Chadbourne was easing him up down the stretch.

The horse race of the afternoon developed between Tommy Grattan and General Heuertus, who divided money in the Consolation for 2:09 pacers who failed of the money in the Rose City $2,500 purse.

Close Finish in Consolation.

The first heat of the first race of the 2:09 Consolation pacing for a $500 purse was a horse race, with the closest finish that has yet been seen on a Portland track. Lord Lovelace, who nearly all the way around had held second position, won by a head. General Heuertus took second place by an eyebrow over Tommy Grattan. The horses got off well together, General Heuertus having the pole. Monnie M broke in the first quarter and was left hopelessly behind, being distanced at the finish. General Heuertus took the lead and held it to the final quarter, with Lord Lovelace hanging on his quarter and Tommy Grattan in third place.

But as the horses swept into the stretch, Lord Lovelace shot to the front and paced under the wire winner by a head. Tommy Grattan also sprinted and made an effort to nose the General out of second place but missed it, although there was hardly more than a shade of difference between them as they went under the wire. The time was 2:12.

Grattan Takes Second.

Tommy Grattan won the second heat handily after taking the pole and the lead from Lord Lovelace in the first quarter. Tommy went after the heat from the word go and after he once got the lead he held it easily. General Heuertus held third place for the entire distance, and Miss Idaho, as before, brought up the rear. The finish was not nearly so close as in the first heat with time at 2:09¼.

Tommy Grattan won the third heat as he had the second, but it was a close thing. If General Heuertus had started to spurt 25 feet farther up the track than he did, he would probably have won, for he rushed under the wire only half a head behind Tommy Grattan when they entered the stretch McGuire's gelding had the lead by a length. As before, Tommy Grattan had the lead at the start and in the first eighth, with Lord Lovelace second, the General third and Miss Idaho trailing along in the rear. But in the back stretch General Heuertus passed Lord Lovelace and closed up on Tommy Grattan. Tommy broke and fell back to third place, but steadied again and quickly swept once more to the front. Again in the stretch the General made a magnificent effort to capture first place, but started a trifle too late. The time was 2:10¼.

Military to the Fore.

General Heuertus won the fourth heat by about half a length, making the mile in 2:10½. Tommy Grattan, which had won the second and fourth heats, finised a weak second. Lord Lovelace, which won the first heat, was never in the running for a minute, and came in several lengths behind Tommy Grattan. Miss Idaho was distanced. Tommy Grattan led to the three-quarter pole easily, when the General closed up, and half way down the stretch was racing neck and neck with McGuire's bay gelding. A hundred yards from the finish the General, urged on by Hogaboom, stuck his nose ahead and without apparent difficulty took first place. Lord Lovelace was a bad third, and Miss Idaho was waved down with the red flag.

They Divide First Money.

By capturing the fifth heat General Heuertus divided first and second money with Tommy Grattan. Tommy Grattan got a bad start. General Heuertus had the pole, Lord Lovelace being on the outside. The latter horse was evidently down and out, his effort in winning the first being too much for him, and he never had a look in. Tommy Grattan in the second quarter caught and passed Lord Lovelace, and in the stretch took the lead of the General. But the pace was too much for him, and a hundred yards from the wire he broke and General Heuertus finished an easy winner in 2:12.

Donax Makes Up Ground.

Tom Murphy led all the way in the first heat of the 2:25 pace. The Murphy horse was off to a good start and took the pole from Lucky Pet at the eighth. Louladi fell into third place with Donax a bad fourth. It looked as if Donax, which is owned by M. E. Lee of Portland, might be distanced. But Donax made up ground rapidly at the half with Tom Murphy breezing along in front. Lucky Pet gave second position away to Louladi. At the three-quarter Donax made up a lot of ground and when he turned behind the others into the stretch was coming strong. He closed up rapidly and shut Louladi out of the place, being a good three-quarter length behind Tom Murphy at the finish. Lucky Pet was 10 lengths behind Louladi.

The second heat was a repeater, with Tom Murphy standing off a hard drive from Donax on the stretch. The Murphy horse led all the way from the eighth with Donax second. The other two see-sawed considerably, Louladi finally showing in front. The time was 2:10½.

Makes It a Winner.

Tom Murphy made it a winning race by taking the third heat. The gossiper horse went to the fore at the eighth and won by two lengths from Donax, which was some four length in front of Loniadi. Lucky Pet was two lengths back. This was the fastest heat and shows great possibilities for Tommy Murphy and Donax, too. They were entered in the 2:25 class, yet they paced the mile in 2:09½.

From a flying start in the three quarters of a mile dash Birdie P. copped first money with Bezzina Bay second by half a length over St. Albans. Knight of the Grip was fourth, a length ahead of Cazaza. Cazaza led the cavalcade into the second quarter but relinquished the position to Bezzina Bay. Birdie P. came fast from the rear in the stretch and outpointed the others home, winning by a length going away.

Hyomei Cured Bronchial Catarrh After He Had Given up in Despair.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomei, which brought complete relief. Hyomei has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

There are many reads of The Journal who are suffering from catarrh, either nasal or bronchial. Many of these despair of ever being cured. They have soaked their stomachs with nostrums until they are disgusted with all medicines, and are now traveling their miserable way, allowing the devilish germs of catarrh to sap them of their health, energy and vitality.

But let us reason together. Woodard, Clarke & Co., the druggists, have a guaranteed remedy for catarrh, colds, coughs, bronchitis, croup, and all inflammatory diseases of the nose, throat and bronchial tubes. The name of this remarkable remedy is Hyomei, and if it doesn't cure, they will give you your money back.

Hyomei (pronounced High-o-me) is medicated air; you just breathe it through the inhaler over the inflamed and germ ridden membrane and its soothing antiseptic properties will allay the inflammation, destroy the germs, and restore the entire respiratory tract to its normal conditions.

A complete Hyomei outfit, including a hard rubber inhaler, costs but $1.00, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See Woodard, Clarke & Co. about it today.

LITTLE REAL MONEY OUT FOR HANLON

(United Press Leased Wire.)

San Francisco, Sept. 26.—As the result of a vigorous betting campaign by the followers of Owen Moran, odds on the fight between the Britisher and Eddie Hanlon, September 30, today stand at 10 to 8, with the Californian on the short end.

While the local fans favor Hanlon and are giving him their moral support, backing of a more substantial nature is lacking. Moran's friends, on the other hand, are coming to the front with plenty of money.

Hanlon's weight is down to 135 and he seems to be in fairly good shape already. Moran tips the beam at a much lower figure and expects to go into the ring at about 126, for him a good fighting weight.

FOURTH GAME TO OAKLAND BUNCH

Deacon Wright Puzzles Beavers and Clinches Game on Misplays.

Deacon Wright returned to the game yesterday after a long absence and demonstrated plainly why he was drafted by the Cleveland American league team. He shut our Beavers out up to the ninth inning with but three hits, while his teammates took advantage of the unsteadiness of Johnson, Casey, and the fact that Frambes and Garrett were too aggressive in the ninth and won the game 4 to 1.

Wright had the locals going all the time. In the third they looked good for a score when they filled the bases on Bassey's single, Miller's error and Casey's walk but Cooney forced Bassey at home and the mighty Ote Johnson struck out.

Oakland's first run came in the opening inning. After Cook had whiffed, Truesdale got in the way of one of Garrett's shoots and took first. Van Haltren's infield out placed Truesdale on second and he scored on Heitmuller's single. They got busy in the second, too, with the bases full.

All this time Portland was going out in order till the third when they filled the bases and still failed to score. In the sixth the Oaks gathered in one more. Heitmuller hit one to Johnson which the mighty one heaved wildly and Heine was safe, Danzig getting the error for some reason or other. Hogan forced him at second on his grounder to Cooney. Miller singled to center. Raftery threw to get Hogan going into third but Hap was there ahead of the ball and scored when Johnson threw poorly to Casey trying to catch Miller going into second.

They Draw Straws.

The ninth capepd the climax. After two were down, Wright singled. Cook tore off a hit which ended its flight against the fence and while Raftery and McCredie drew straws to see which one should have the honor of throwing the ball to the plate to catch Wright the red headed one scored. When the ball was thrown to the infield neither Garrett nor Frambes were covering the plate and Cook also scored.

Coney scored one run for Portland in the ninth on his single, Truesdale's error and Raftery's infield tap which forced Johnson at second. Raftery sprained his ankle trying to steal second and will be out of the game for several days. As Ryan is also under the weather Frambes will play center, and either Madden or Whaling will catch. Hartman or Graney will pitch.

There will be a double header Sunday, the first game being called at 2 o'clock. The score:

VANCOUVER SECTION TEEMING WITH GAME

Old Washington Hunters Have Never Seen Equal of Upland Birds.

(Special Dispatch to The Journal.)

Vancouver, Wash., Sept. 26.—With the first of next month the game season will be in full swing. The coming winter promises to be the most active for several years following the rather sluggish one of 1907-1908. All the old-time hunters of this section are preparing to spend much time in the field and from present indications, the results should be the best.

Last year and even the year before, upland birds especially, were particularly safe from the gun of the sportsman, and as a result many varieties have doubled in number. In this county quail, grouse, Chinese pheasants and partridge have increased to such an extent that old-time hunters declare they have never seen the equal.

Following are the open seasons for the various game and fish of this state: Deer, September 15 to December 15; antelope, mountain sheep and goat, September 15 to November 1; grouse, partridge, native pheasant and the like, August 15 to November 15; Chinese pheasants, male birds only, west of Cascade mountains, October 1 to January 1; ducks, swan, snipe and others of their kind, September 1 to March 1; geese, September 1 to May 1; trout in lakes and rivers, except Chelan county, April 1 to November 1; Chelan county, July 1 to April 15; bass, perch, crappie and pickerel, July 1 to May 15; Mongolian pheasants and quail, closed east of Cascades until 1909.

EGLISHMAN WALKS AROUND THE WORLD

Henry Seaton, who is on a pedestrian tour of the world, arrived in Portland this morning and will leave tomorrow for San Francisco, where he will take ship for Australia, working his passage across the Pacific. Seaton is an Englishman and was formerly a sailor in the English navy.

Seaton is the original thing in the club-swinging line and carries a couple of Indian clubs along with him. He gives exhibitions on these and works at odd jobs to get money to pay his way. He left New York April 9 and expects to be back in Gotham within five years. Seaton is six feet five inches tall.

EWING MUST SAVE PRESENT LEAGUE

Four Clubs In North Will Smash Californians' Sextet of Teams.

San Francisco, Sept. 26.—The baseball situation is reaching a critical point and now it is up to President J. Cal Ewing to save the league, for if things continue to go on as they are at present, the chances are that Portland will run out and join the Northwestern league next season.

The recent trip of Ewing and Berry to the north brought about no results as the Portland fans well know. In fact, it seemed to do more harm than good in the long run. Ewing was unable to make Dugdale and Lucas budge an inch. Both he and Berry practically admit this. That proposition of a four club layout in the northwest was a staggering blow to California and it looks as though it will take a lot of maneuvering to get out of the hole.

The California people naturally set up a wail when they heard what the northern fans demanded. As was officially announced several months ago, Ewing has already granted franchises to the Sacramento team and another southern city, the name of which has not yet been decided upon. As soon as he was told that everything was all right, Ed Kripp, the man who was awarded the Sacramento franchise, immediately got busy and commenced work upon the grounds. He is now erecting a fine grandstand and bleachers and up to date he has spent something like $10,000 on his new park.

Kripp Can Get Coin.

This means that Sacramento is coming into the league or that Kripp will have a fine chance to get a lot of money from the league because of a breach of contract. If four northern clubs are admitted, it will mean that one of the California cities will have to be dropped, so the Portland fans can easily imagine for themselves what a beautiful row would be kicked up if either Sacramento or the new southern team were to be eliminated after being assured that they would be taken in next season.

Then there is trouble brewing with the state league. At present, Ewing is working on a proposition to bring that outlaw organization in to organized baseball under the head of a class B or C league. Some of the bush officials seem to favor this plan, while others are up in arms and declare that they will make a hard fight next season.

Cy Moering, owner of the champion stockton team and the leader in the war against the Coast league, declares that he will put the Stockton nine in Oakland next year and fight the Coast league on its own lot. He already has an option on a park and if his plans carry, the team will play every day there except Monday. If this ever goes through, Moering figures to give the big league an awful fight for a while at least.
