HELP CHURCHES BY SHARING SUBSCRIPTIONS

Journal Offers Opportunity For the Collection of Large Cash Funds For Every Church in the City of Portland.

The innovation just inaugurated by The Journal to raise benefit funds for every church in the city of Portland by setting aside a percentage of its subscription receipts will prove a popular one beyond all doubt. The public is given the privilege of voting a part of their subscriptions to their favorite churches. This extraordinary privilege will be extended over a period of three months, beginning at once and there is no limit to the amount that can be voted to any church in the city. The longer the subscription the larger the amount can be set aside for any church you wish to assist. Full particulars are given elsewhere in today's Journal.

It will be seen that all renewing their subscriptions, and all ordering The Journal for stated periods, can vote part of their subscriptions to any church they wish. Every vote cast for your favorite church means one cent for the church. Study the announcement carefully and help the good work along. The churches are the mainstay of morality in any community and they are deserving of all the pecuniary assistance that a city can give them. The pastors of the churches have a duty to perform and they require the cooperation of the individual as well as the whole community.

With each church member working for the good cause, the whole membership of each church can prove a potential body in making the efforts of each pastor a success. Without the cooperation of members any church would prove an utter failure in its mission. Every little support helps the work of any church.

Now that citizens have it in their power to assist the churches without any hardship or pecuniary help from themselves, all should willingly join in making The Journal's great Church Benefit contest an unbounded success.

The Journal is giving the people an extraordinary privilege—that of voting part of their subscriptions to The Journal, to any church they wish to assist. There is no string attached to the privilege, and The Journal has no voice whatever in dictating what church shall be benefitted. The Journal will turn over the amounts which its subscribers will vote to any church chosen by them.

Special Donation.

Besides this liberal offer The Journal will divide a special donation of $1,500 to six popular churches as designated in the large announcement elsewhere. Thus besides this special amount of $1,500, thousands of dollars more should find its way into the churches of the city next Christmas by the popular plan. The people themselves have it in their power to vote unlimited sums of money to the churches of their choice. That they will vie with each other in building up their church funds is a foregone conclusion. Church workers can even lend more than their own personal help, they can use their influence with friends and the public generally, by securing subscriptions and thus secure handsome sums of money for their churches. Coming as they will at Christmas time these large cash awards will bring good cheer to the pastors of the many churches in Portland. The contest manager will willingly give any further information required at any time.

The Journal would be pleased beyond measure to turn over $100,000 to the churches. It is in the people's power to vote this sum or double this sum to them out of their subscriptions.

Heartily Indorsed.

Dr. Paul Rader of the Hassalo Street Congregational church says: "The plan appeals to me as a splendid idea, and I will be glad to cooperate.

"If the matter is entered into enthusiastically it ought to be a decided benefit to the churches. It is a splendid chance for everybody to get busy."

COURT REVERSES PIKE DECISION

Judge Bronaugh in the circuit court has overruled the action of the county court in allowing a claim for $150 in ex rel estate of Henry Heitgrieve, the case having come to him on appeal. Heitgrieve was guardian for the Pike heirs and the claim was based on the fact that Heitgrieve allowed some of his ward's money to remain in a bank for years without drawing interest. In the county court the interest was allowed. Judge Bronaugh held that the county judge had no authority for this action because a settlement had been made between guardian and ward.

In ex rel Charles H. Pike, which is a twin case, Judge Bronaugh sustained the county judge in part and overruled him as to other action. In this an interest claim of $275 on similar grounds was allowed, there having been no agreement between guardian and ward. The court also allowed $360 for board in favor of the guardian, an item that was disallowed by the county court.

Both of these cases were tried by Judge Sears and later by Judge Frazer. Both judges took them under advisement, and both died without deciding them, making it necessary to have a third hearing before Judge Bronaugh.

BURGLARS FAVOR THE TABLER HOME

Chief of Police Gritzmacher has issued orders to the patrolmen on both night reliefs covering the beats near the home of Mrs. George W. Tabler, 440 East Seventh street North, to keep a special watch on this house, as it has been robbed several times within the past two years.

Mrs. Tabler has made complaint to the police on several occasions that her house had been robbed, the last time being only a few nights ago. The police are of the opinion that the same man entered the house on all occasions, and owing to the fact that he escaped on every occasion, they believe that the robber will make another attempt soon.

BRAKEMAN LOSES FOOT UNDER ENGINE

The right foot of R. Berkshire, an O. R. & N. brakeman, living at 139½ Russell street, was cut off in the terminal yards by being run over by a string of box cars attached to a switch engine. The injured man was taken to St. Vincent's hospital.

DOC... MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only *symptoms* **caused by some uterine disease. The physician, ignorant of the** *cause* **of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better by reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription,** *directed to the cause* **would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."**

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in *any condition of the female system.*

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

MANILA READY FOR THE FLEET

All Manner of Divertisements Ready for Both Officers and Men.

(Special Dispatch to The Journal.)

Manila, P. I., Sept. 26.—The American battleship fleet, coming from Australia, is expected to reach Basilian island, off Mindanao, next Monday or Tuesday, and will probably reach Manila on Thursday of next week. Everything will be done to make their stay in Manila as pleasant as possible to the men and officers of the American ships. Corregidor island will have a great "welcome" sign, visible at a great distance. Arrangements have been made to have a large fleet of inter-island boats meet the fleet at the harbor entrance and to conduct it in to the anchorage. One handsomely decorated boat will contain the fleet committee, the governor-general and other prominent officials. The Merchants' association and other prominent organizations have also chartered boats and will send large delegations to meet the fleet. The Philippine squadron will most likely join the big parade of battleships from the Cavite side.

Grand Water Parade.

Among other things, a grand water parade has been planned, which will have many attractive features. Women in launches will go in and out between the vessels, carrying flowers. According to program, the arrival of the fleet will be the signal for the ringing of all the church bells in the city, the blowing of steam whistles and the thundering of a welcome by the guns of the forts and the batteries. The first shore event will be a monster parade, at the conclusion of which a dinner will be served to the men at the moat site along Bagumbayah.

In the afternoon there will be field games on Wallace Field, baseball at Paco Park and open-air concerts at the Plaza Moraga, Santa Cruz and the Botanical Gardens. For the evening, all the theatres in town have been engaged, and free performances will be given for the benefit of the visitors. Later a grand ball will be given to the officers of the fleet. Americans and natives are rivaling in their efforts to decorate their houses in the most tasteful and attractive manner, and the city will present a gay and brilliant picture during the visit of the American fleet.

Y. M. C. A. Is Busy, Too.

The festivities will extend through the entire time which the visitors are expected to remain here, according to the official program, and all classes of the population are joined in their efforts to give to the visitors unmistakable proofs that their coming is welcome. The army and navy branch of the Young Men's Christian association has made extensive preparations to give a hearty welcome. A committee of representative men from the army, navy and civilian life has been organized, which has the direction of this special work in its charge. The association has established headquarters for use during the six weeks of the fleet's stay in Manila, and has made elaborate preparations to make the place attractive and restful for the blue jackets and marines who may be tired from the rounds of pleasure while on shore.

Miss Lindabury a Bride.

Bernardsville, N. J., Sept. 26.—A brilliant company that included many naval officers filled St. Bernard's church this afternoon for the wedding of Miss Lucy Haldane Lindabury, daughter of Mr. and Mrs. Richard Vliet Lindabury, and Lieutenant Robert Lawrence Perry, United States Navy. The ceremony was performed by the Rev. T. A. Conover. Miss Alice Ide of Brooklyn was maid of honor and the best man was lieutenant H. W. Osterhaus of Washington, D. C. Following the ceremony at the church there was a reception for the guests at Meadowbrook Farm, the magnificent country place of the bride's parents.
