"Nemo" Corsets

Famous Nemo "Self-Reducing" Corsets

NEW MODELS HAVE "FLATNING-BACK"

The Nemo Self-Reducing Corset was the original "reducing" corset. It remains the best. It has never had a rival. There is no substitute for it—not even a good imitation. That is why we sell it and recommend it.

The new models for 1908, with "Flatning-Back," reduce both the hips and the abdomen, giving the "new figure" with flat back and slender hips. This is something that no other corset can do. These are popular styles:

312—For tall stout figures **\$3.50**

330—Same, "Flatning-Back" **\$3.50**

314—For short stout figures **\$3.50**

318—Same, "Flatning-Back" **\$3.50**

516—For tall stout figures **\$5.00**

517—Same, "Flatning-Back" **\$5.00**

518—For short stout figures **\$5.00**

515—With best supporters **\$5.00**

No. 312 to 330 are of batiste or coutil, in white or drab. Nos. 515 and 517 are of fine imported French coutil, in white. Nos. 516 and 518 are of mercerized broadcloth white coutil. Also in sizes 20 to 34.

Every Nemo Corset has the patented "Triple-Strip Re-enforcement"—bones and steel can't cut through. That's one reason why Nemo Corsets outwear all others.
