

ANGELS WALLOP FRISCO TOSSERS

Zeider and Berry Help Seraphs to Grab Game from Teammates.

(United Press Leased Wire.) San Francisco, Sept. 26.—Ralph Williams had his second chance of the week to wallop the Los Angeles champions at Recreation park this afternoon and for the second time had his colors lowered.

The six Los Angeles bingles came at opportune moments. Judge Nagle was on the job for the opposition and tied his own consistent game. The judge was especially effective at critical periods. The Seraphs were all to the good at the beginning of hostilities.

The sixth was "out into full swing by Bernard's single to right. Berry was caught napping when Berry made a quick peg to Williams. Oakes was safe on Zeider's boot. On Dillon's terrific drive to the right field fence Oakes was advanced to third. Brashear grounded to Zeider and Oakes left the throw home. Howard singled to left, scoring Dillon. Howard was forced by Ellis at second. Delmas filed out, retiring the side.

In the seventh the visitors added the third run to their string. Ted Easterly rapped out one that was too hot to handle and moved up to second on Nagle's punt. Bernard's out sent Ted to third. When Oakes faced the multitude, Willis let loose a wild one and Oakes went down in a heap. It was some minutes before the center fielder recovered sufficiently from the blow to walk to first. Berry decided it would be just the thing to nip Oakes at second, even though Easterly was on third. The ball went bounding out into the field and Easterly rapped home. Dillon was the third out.

The Seraphs had a grand chance to tie up the score in the last half of the round. Rube Ellis put the kibosh on the prospects by a phenomenal catch of Willis long fly with two on bases. The score:

GOOD FOOTBALL MEN ON GRIDIRON

Bruce Schuman Resigns and Jack Alexander Is New Manager.

Bruce Schuman has resigned as manager of the West Side High school football team and Jack Alexander has been selected as his successor.

Nearly all arrangements have been made for games with Eugene High school of the freshman team from the university of Oregon, Spokane High school, Seattle High school and possibly Tacoma High school.

Prospects at West Side High are very bright this season and a crack team is looked for. An entirely new back field will have to be developed but with the wealth of candidates no trouble should be experienced in this line.

At a meeting of the athletic association the following officers for the coming year were elected: Football manager, Jack Alexander; baseball manager, Hal Dabney; Basketball manager, Kenneth McAlpin; executive board, Will Ross, Bruce Schuman, Hans Daady, Evelyn Hams and Winifred Shaw.

Albany's Strong Team. Albany, Or., Sept. 26.—Albany college will have this year one of the strongest football teams that has appeared at that institution for years.

The team has both the coaches for several years will be remedied. At present Mr. Boyd is coaching the team although negotiations are in progress with an old college player and may be signed at any time.

The Coming Portland Middleweight

Englishman May Not Expect to Do Trick Young Corbett Couldn't.

By W. W. Naughton. (Heart News by Longest Leased Wire.) San Francisco, Sept. 26.—On Wednesday night the crowd will gather, lights will flare and the gloves will fly at the Coliseum.

As a rule it is not safe to build on the claims of a former stock of stamina and show will afford, but when you are dealing with one-way fighters like Eddie Hanlon, Owen Moran, Sam Neilson and Kid Erisson, you can come pretty near telling what to expect.

The wise fellows have made Moran a favorite over Hanlon, something that was practically a foregone conclusion, not because he is younger or stronger, but because his fights have been of a building-up character, while Hanlon's have been of a knock-out character.

He falls very little short of battling Neilson in power of assimilation, and the majority of his fights were fought in San Francisco his record is an easy one to read, being the record of a man that his losing fights were ended by the interference of his seconds or the referee rather than by the knockout route.

Even Young Corbett, the greatest puncher the world has known for a little man, did not put Hanlon in the hands of the limberwings, but he was practically a foregone conclusion, not because he is younger or stronger, but because his fights have been of a building-up character, while Hanlon's have been of a knock-out character.

Masterly Pitching by "Maty" and Ames Gives the Giants Two Games.

(United Press Leased Wire.) New York, Sept. 26.—The Giants retained their scout lead in the pennant race by defeating Cincinnati in both games of the double-header today. It was a case of too much Matthewson in the first game, who was unbitable when hits were needed. Ames, who pitched the second game, was even tighter than Matthewson, and pitched a splendid game.

After the first game Mike Donlin was presented with a loving cup by a local newspaper, he having been voted the most popular player in the game. Score by first game: R. H. E. Boston, 0; Cincinnati, 2.

O'CONNELL MAY WRESTLE SMITH

Peerless Chicagoans Give Big Twirler Great Support and Win Easily.

(United Press Leased Wire.) Brooklyn, Sept. 26.—Pitching masterly ball in both contests of the double-header this afternoon Ruelbach shut out Brooklyn twice. He was well backed by his team mates, both at the bat and in the field.

During the interval between the games Tim Jordan, Brooklyn's first baseman, was presented with a loving cup, the gift of a local newspaper. Mike Donlin of the Giants was the choice of the voters but Jordan received a cup for the game fight he made, finishing second.

Friends of the two are eager to get them together. O'Connell stated last night that he was ready to meet Smith or any other man and Smith announced his willingness to take on the new instructor within the next month. They will probably get together in a day or match will doubtless result from the meeting.

Smith has been ill for the past couple of weeks and has fallen off considerably in weight. Right now he weighs about 147 pounds and O'Connell weighs little more.
