Combination Bookcase and Writing Desk, Only \$24

\$1 Cash, 50¢ a Week

The picture is an exact reproduction of this elegant Combination Case. It almost tells its own story of usefulness. The many advantages ought to be apparent to everyone. It is finished in mahogany or golden oak, and ornately decorated, as will be seen from the cut. It has a fancy shaped French bevel plate mirror 12x12 inches; the bent glass door is of double thickness, the book shelves are adjustable, one of the three drawers has full swell front and all have brass pulls and locks and keys. The drop-leaf Writing Table is 12x18 inches, and there are compartments for writing materials, stamps, pens, etc.

It is a most desirable piece of furniture and our easy terms are such that it may find a place in any home, no matter how humble. Bookcases of equal merit elsewhere would cost you from \$35 to \$40. Wisdom will tell you to buy now while you may at our price. We deliver it to your home for **\$1** and you make future payments of **50¢** a week.

What a large family reunion it could serve. Until you have seen these elegant tables don't buy, as you are bound to be pleased with these, with the price—**\$45**—and the terms: **\$5 DOWN AND \$1 A WEEK.** We state positively that we are offering you a \$75 table for this low price.
