Church Benefit Contest

THOUSANDS OF DOLLARS FOR THE CHURCHES OF PORTLAND AND SUBURBS

Every Church in Portland and Suburbs May Share in This Distribution According to its Popularity

The Journal will donate a liberal portion of its subscription receipts during the next three months. Every dollar received by The Journal from subscribers, for city subscriptions, during the next three months, whether from old or new subscribers, will be generously shared with the many churches of Portland. The amount each church receives will be determined by a POPULAR CHURCH VOTING CONTEST of the subscribers. This contest opens at once and closes in December. Every subscriber, whether new or old, can, when paying his subscription, indicate and vote for the church of his choice. Members and friends of any church can, by paying their subscription at this time, help their church without any additional cost. In this manner the amount to be divided among the several churches will reach a magnificent sum of thousands of dollars.

\$1500--In Addition--\$1500

In addition to dividing its subscription receipts among the churches, The Journal will make a special award of \$1,500 to the six churches receiving the highest number of popular votes in proportion to their membership, according to classification below.

Here Is the Plan

Every Church Benefited

No losers, and no church can possibly fail to benefit by this popular voting plan. For every vote each church receives The Journal will give one cent.

How the Plan Works

EXAMPLE ONE—A new subscriber paying for 80 weeks' subscription will yield to the church of his choice \$2.75 in cash and 275 votes in the popular contest for a portion of the special award of \$1,500. EXAMPLE TWO—An old subscriber paying for 80 weeks' subscription will yield to the church of his choice \$1.00 in cash and 100 votes in the popular contest for a portion of the special award of \$1,800.

Thousands of Dollars for the Churches

There are 40,000 church members in Portland, and at least as many more who are friendly and would be glad to help and see the churches prosper. If everyone in this vast army of over 80,000 will take an active interest in this voting contest, it will mean many thousands of dollars for the church, without any cost. Any subscriber, new or old, can participate during this period.

It will be seen that every subscription, whether from a new or old subscriber, yields a definite sum of money to the church.

\$1500 Special Award To Be Divided Among Six Popular Churches

All the churches of the city will be divided according to membership into three classes—A, B and C.

Class A will include all churches with a membership of 600 or more.

Class B will include all churches with a membership from 150 to 600.

Class C will include all churches with a membership from 25 to 150.

The \$1,500 will be distributed among six churches, two in class A, two in class B and two in class C, receiving the highest vote as follows:

Table with 3 columns: Class, First Award, Second Award. Class A-600 or more: \$500, \$200. Class B-150 to 600: \$300, \$100. Class C-25 to 150: \$200, \$100.

It will be seen from the above that every church is on an equal footing, no matter how many members it may have. Bear in mind that this special award of \$1,500 is in addition to allowing a liberal portion of the subscription receipts for the next three months. Every church, whether receiving a portion of this special award or not, receives one cent for every vote during the contest.
