WHAT WINS FOR NEW YORK

BEAVER ERRORS LOSE FIRST GAME

Ryan and Danzig Miscue and Greeks Romp Home at Their Leisure.

San Francisco, Sept. 30.—Although Rose started for Portland and Wright for Oakland, yesterday, neither lasted very long, both being chased in favor of Graney and Christian. The whole quartet was wild, Christian being less so than any of the others.

Errors by Ryan, which let in three runs, and by Danzig, which permitted the locals one more, robbed the north-erners of any chance for a victory.

Things broke badly for Portland in the fourth inning. Miller was safe on a sweat that had the color of long hair. Hallinan tried to sacrifice him but beat out the bunt. Rose walked Lewis. McCredie allowed Rose after the plate and Truesdale rapped the ball into center field and Ryan allowed it to scoot by him.

In an instant the bases were cleared of their load. Five runs were the result, including Truesdale.

Big Gridiron Teams Out Today.
New York, Sept. 30.—The big eastern university teams make their first appearance of the season on the gridiron today, including Yale, Harvard and Pennsylvania. Although the games are more or less in the nature of practice contests they will give the critics an opportunity to form judgment on the condition of the teams for the big games to be played later in the season. Yale's contest is with Wesleyan at New Haven. Harvard plays Bowdoin at Cambridge and Pennsylvania lines up against the University of North Carolina on Franklin field.

Hunting Season Begins in Maine.
Bangor, Maine, Sept. 30.—The deer hunting season in Maine opens tomorrow and will continue until the middle of December. The open season on moose will begin two weeks later and end two weeks earlier. The hunting prospects this year are said to be good, and hundreds of sportsmen, many of them from distant parts of the country, have gathered in the northern, central and eastern portions of the state, where the wild game is most plentiful.

BIGGEST FOOTBALL MAN

Frank Slaker, the famous old punter of the University of Chicago football team, who in his time was considered the hardest punting back in the United States. He was chosen for the All-American. Note the "Winged M" on his jersey. Frank is out with the squad at every practice and the Portland followers may get a chance to see him in action.

OREGON FOOTBALL MEN SUSTAINING INJURIES
(Special Dispatch to The Journal.)
University of Oregon, Eugene, Sept. 30.—Coach Forbes is having some trouble getting his men into condition and is owing to this fact that he has been unable to begin scrimmage work. He had intended to start this week but his position until the boys are in better condition.

Clarke is suffering from a bad shoulder. Moulton had his hand cut and Main is having trouble with his ankles. Several of the others are also in poor condition.

No arrangement has been made as yet for the training table, but it will be started in a week or two.

Herzog of the Giants, is shown sliding into third base by a steal. He is one of the members of the team who has come to the front within the last few weeks.

RING READY FOR SCHOOL WORK

Oriental Building Will Receive Horses Tomorrow—May Get Outlaws.

J. W. Cruthers, who will again act as ring master at the Hunt club show, announces that the magnificent show ring at the Oriental building, will be ready for schooling tomorrow. Workmen have finished placing a heavy layer of earth on the floors. This has been rolled so as to give firm footing to the horses, and the surface has been covered with a layer of sawdust. During the fine weather, exhibitors who will show under the saddle or in harness, have been doing their "prepping" on the streets, but now that the ring is ready, they will school their horses in the ring, so as to get them used to being driven and ridden inside.

Mr. Cruthers hasn't as yet allotted the hours, but when he does, saddlers and high school riders will be assigned certain hours and the single and double drivers certain hours. The ring will be cleared at stated periods in the day for the schooling of jumpers, both over the hurdles and over the high jump.

Eastern Oregon, where the picturesque cowboy still gallops over the hills dressed in his brown "chaps" and broad sombrero, wants to take part in the Hunt club horse show. A letter has been received at the Hunt club rooms from Union, where they boast of having rough riders that can fork and ride anything that stands on four feet, asking for permission to take part in the show and give an exhibition in broncho-busting. The writer says they have half a dozen outlaw horses that can make the king of Buffalo Bill's riders "grab leather."

Whether this distinctive western feature will be a part of the horse show will depend upon President Y. S. McCredie, who is in charge of the show, the city. A feature of this sort will be interesting, but whether it would be safe to have practically wild horses loose in the show ring is a matter to be decided upon.

ALL-AMERICAN BACK

Frank Slaker, the famous old punter of the University of Chicago football team, who in his time was considered the hardest punting back in the United States. He was chosen for the All-American. Note the "Winged M" on his jersey. Frank is out with the squad at every practice and the Portland followers may get a chance to see him in action.

The champion pugger is dead, after being a public charger for 32 years. Hezekiah Monk was born in the Herkimer county purchase in 1776. He was 80 years old when he died. He was buried in that institution a few days ago.

UPLAND BIRDS FLY TOMORROW

Great holes will be shot out of the atmosphere and gobs of Mongolian pheasants will be plucked out of the stubble, for tomorrow is the first day of October and the first day of October is the opening of the upland bird season.

Hundreds of sportsmen in the Willamette valley, not a few from Portland being in the number, will leave tonight for the hunting grounds in Lane, Linn and Polk counties to get the first shot at the oriental beauties. Reports from Linn county are to the effect that birds are scarcer than usual, but Lane and Polk announcements presage good shooting in those sections.

SPORTS OF ALL SORTS

Jim Stewart and Sandy Ferguson, "the Bad Boy of Chelsea," are to meet in a bout in New York, October 8.

The Philadelphia Nationals have it on the Chicago Cubs to the tune of 13 games to 9 for the season.

Articles have been signed for a bout between Cy Flynn and Tom Crawford to take place at Oil City, October 5.

Jim Driscoll, the featherweight champion of England and Australia, has arrived in New York and is looking for bouts with some of the little fighters.

The season of the California State league in the longest of any organization in the country, beginning March 28 and continuing to November 15. But games are played only twice a week, Friday and Saturday.

Battling Nelson and Paeky McFarland will probably furnish the Thanksgiving day attraction at Promoter Goffro's club at Colma, Cal.

Jimmy Jones of Montreal is the leading hitter of the Eastern league. Hearne of Baltimore has a higher percentage, but he has played in less than half the games of the season.

Jack (Twin) Sullivan, who is in Los Angeles, recently turned down an offer from Jim Jeffries to box Sam Langford. Sullivan is desirous of a match with Hugo Kelly.

Freddie Welsh, the English lightweight, being unable to get a bout with Battling Nelson, has consented to meet Maurice Sayers before Jeffries' club in Los Angeles in October.

Manager Frank Boyle, who has won two pennants with his Waterloo team in the Central association, will no doubt receive several offers to join faster company next season.

Of last year's great kickers on the gridiron, Bur of Harvard, Hollenback of Pennsylvania, Coy of Yale and Wilder of Cornell, remain in the game. Princeton has lost Harlan and the Indiana Mt. Pleasant.

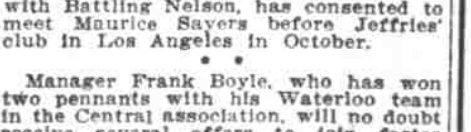

The last week of the Southern league season was a hummer. September 14 and 15 were the best days of the season and Nashville 5:4; September 15, New Orleans was 5:4; Nashville 5:67. September 16 the figures stood, Tampa, 6:0; Jacksonville, 5:0; Jacksonville, 5:77 and Nashville 5:70; September 17, New Orleans was 5:80 and Nashville 5:66; September 18, New Orleans 5:74 and Nashville 5:49; September 19, Nashville won the pennant with a percentage of .573, with New Orleans 5:1.

Tri-State league fans will miss Eddie Ashenback who managed the Johnson team this season. Ashenback is a born humorist and does the funniest coaching stunts since the days of Arlie Latham. He has signed to wear a Chicago National league uniform the coming season.

The former big league players who have won pennants this season as minor league managers include: Jack Dunn, Baltimore; Eastern league, Charlie Carr, Indianapolis; American association, William Bernhard, Nashville; Southern league, William "Ducky" Holmes, Sioux City, Western league, Harry Wolverton, Williamsport; Tri-State league, Richard Cooley, Ypsika, Baltimore; Western association, Malachi Kittredge, Saratoga, N. Y.; state league, Jesse Burkett, Worcester; New England league, and John McCarthy, Springfield, Three-I league.

MORAN'S CLASS STAKE TONIGHT

English Champion Heavy Favorite Over Pride of California's Ring.

(Special Dispatch to The Journal.)
San Francisco, Sept. 30.—With both men as or below weight and in as good physical condition as they can expect to attain, Owen Moran and Eddie Hanlon, who meet tonight before Sam Bergs's club in what is scheduled to be a 30-round bout, put on the finishing today by doing just enough work to keep 160 lbs. on.

The Britisher is a favorite at odds of 2 to 1. So eager have his backers been to place their bets on his chances that the supporters of the native son have been given a price which looks almost prohibitive. Experts say the odds are too low. Undaunted by the fact that Moran is such a heavy favorite, however, the money of his supporters does not lag.

Hanlon will have a shade in the weight. His avoirdupois hovers around 152. Moran being about five pounds below. The fighter from across the pond has the advantage of science and ring generalship. He is a clean hitter and quick to solve an opponent's style. Hanlon is inclined to rough it and take his chances. A grueling battle should result.

A 15-round go between Kid Harrison and Sam Nelson will furnish the main preliminary.

PACIFIC'S OUTLOOK GROWING PROMISING

(Special Dispatch to The Journal.)
Pacific University, Forest Grove, Or., Sept. 30.—The outlook for a winning football team at Pacific is growing brighter every day. During the past week the squad has increased to 30 men, nearly all of whom are players of experience.

E. M. Markham of Milton, Or., has joined the squad and will undoubtedly prove a valuable addition either at halfback or end. Benjamin Mayfield, a 160-pounder from eastern Oregon, is making good at guard. Although new at the game, Mayfield is fast on his feet and will work in as a good man.

H. L. McCoy, last year's center, registered yesterday and will probably play one of the tackles, while A. L. Rexford, a member of the University of Montana team two years ago, will fill the other tackle position. There is a large bunch of promising material for the positions behind the line.

The season will open with a game with Polk academy at Forest Grove next Saturday. The following Friday the team plays a game with Albany college on the latter's field.

The student body yesterday afternoon elected as its representative on the athletic committee for the ensuing year H. F. H. McCoy, Alex. Robison, H. E. Ferrin, J. R. Ward, W. E. Gwynn. All student athletes are under the jurisdiction of this committee, which is composed of three faculty and six student members.

I WANT YOU TO READ THIS IF YOU ARE A WEAK MAN

Even If Others Have Failed to Cure You

Do you feel that your manly strength is slipping away? Are you weak, nervous, fretful and gloomy, have pains and aches in different parts of your body, your sleep disturbed, weak back, headache, despondency, melancholia, palpitation of the heart, unable to concentrate your thoughts, poor memory, easily fatigued, specks before your eyes, in many cases through abuses, excesses, overwork, etc.? If so, then I warn you. Do not delay longer.

The methods I devised twenty years ago for treating men's diseases proved a radical step in medical science. Those methods have enabled me to cure diseases that were formerly regarded as incurable. A local treatment of the prostate gland, the theory that "WEAKNESS," for instance, was not a constitutional or functional ailment, but a prostatic affection, and, therefore, merely local. I reasoned that its constitutional effects were simply the results of a tremendous waste of energy due to inflammation of the prostate gland; that this being a local treatment of the prostate gland, a cure. Thereupon I devised the treatment I employ today with such marked success. Indeed, I have never known this treatment to fail to effect a complete and permanent cure in a comparatively short time.

No Man Need Be Weak

My treatment for other diseases peculiar to men are also along original lines, and are equally successful. Hence I reiterate that no man need be WEAK and AILING. My Special Treatment is an open door to manly vigor and all the pleasures that belong to perfect health. Any man may avail himself of my services. It has been and is my life's work to aid afflicted men, alleviate their sufferings and restore them to health and vigor. I have therefore placed the charge for my services within the easy reach of any man, no matter what his circumstances. TO PROVE FAITH, I WILL WAIT FOR MY FEE UNTIL YOU ARE CURED. No man can be fairer than that. I take no fee unless you take none whatever. You have everything to gain and absolutely nothing to lose.

Delay Is Dangerous

Men whose vitality is exhausted, those who have some private disease or weakness lurking in their system, and who are prematurely old, while still young in years—broken down wrecks of what they ought to be, and who were vigorous and active as boys—do not delay, but get to me at once, for my strength, to enjoy life again, to win back the vim, vigor and vitality lost, should consult with me before it is too late.

My Direct-Method Treatment Offers a Positive CURE for Every Ailing Man

I Cure "Weakness"

"Weakness" is not a nervous disorder, demanding a tonic system of treatment, but is merely a symptom of chronic inflammation or congestion in the prostate gland. This condition exists as a result of early dissipation or some improperly treated contracted disorder, and requires carefully directed local measures only. By my own original methods, the prostate gland is quickly restored to its normal state, which results in full and complete return of strength and vigor. My cures are permanent because the condition responsible for the functional disorder is entirely removed, and I am convinced that by no treatment other than my own carefully directed local measures is a radical cure of this ailment possible.

Contracted Disorders

The serious results that may follow neglect of contracted diseases could be scarcely exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of contracted disorders than any other physician upon the Pacific coast. My cures are thorough and are accomplished in less time than other forms of treatment require in producing even doubtful results. I employ remedies of my own devising, and my treatment is equally effective in both recent and chronic cases.

I also permanently cure SPECIFIC BLOOD POISON, STRICTURE, NERVOUS-DEBILITY AND ALL REFLEX AFFECTIONS.

Consultation and Diagnosis Free

I do not charge for advice, examination or diagnosis. If you call for a private talk with me you will not be urged to begin treatment.

If you cannot call, write for Diagnosis Chart. My offices are open all day from 9 a. m. to 9 p. m. and Sundays from 10 to 1 only.
