

**BEAVERS SHIVER AS OAKS SCORE**

**Garrett Bumped Out of Box in the Opening Canto Down South.**

San Francisco, Oct. 2.—Little Jess Garrett started again today, but the Greeks threw the stiletto into him in the first canto, getting away with five runs and the game. Cold and shivering, Garrett gave way to Ross, who finished the game, allowing the home guard to grab three runs in the eighth, making the score 8 to 7.

A cold wind blew across the diamond and the playing was unusually erratic on both sides. Van Halten used three slavers, Nelson, a bushy named Davis and Christian. Out of the trio the northerners coaxed five hits and came near making a win of it in the last inning.

Two home runs, one by Helmtmuller in the first inning, and the other by Ole Johnson in the fourth added spice to the game.

The northerners copped two in the third, four in the fourth and one in the ninth. The score:

**GREAT MANAGER WHO SHOVED CLEVELAND TO THE FRONT**

Napoleon Lajoie, Foremost Ball Player.

If Cleveland manages to beat Detroit out in a whipping finish for the championship of the American league, it will be due more than anything else to the superb playing and efficient managing of Napoleon Lajoie. For years Lajoie has been dubbed the greatest all-round ball player on the diamond. He is a consistent player and strong batter and with a splendid lead. For years the fans of American have seen Cleve-

land creep up to the flag and then just fall at the finish. Should the Clevelanders win the pennant after all their unsuccessful striving there would be much rejoicing in this good old Ohio town.

**NORTHWEST GOLF IS SCHEDULED NOV. 14**

**ELIMINATION PLAY STARTS TOMORROW**

November 14 has been selected as the date for the greatest gathering of golf experts ever known on the coast, the occasion being the first annual northwest tournament on the Waverly links for a \$500 challenge trophy. The prize is the most valuable of its kind ever offered west of the Rockies.

For months the local golfers have been preparing to entertain the visitors and it will be the most elaborate welcome ever extended by the organization. Each visiting club will be represented in the tournament by eight players, the out-of-town clubs being Tacoma, Seattle, Spokane and Vancouver, B. C.

Elimination play to select the members of the team will commence at the links tomorrow afternoon, while at the same time the winner in the finals will be awarded the directors' cup.

**POOR RESULTS IN FIRST DAY SHOOT**

**Mongolian Pheasants Are Scarcer Than Any Season Since Lawful to Kill.**

The Mongolian pheasants are as scarce as buffaloes, is the report brought back to the city by practically every hunter who participated in the first day's shooting yesterday. In Polk, Benton, Linn and Marion counties there is an unusual scarcity, old and experienced hunters being able to bag but three or four.

Never since the Mongolian season first opened has there been such a noticeable shortage in the fields. The sportsmen attribute this to the fact that the hens are being killed off at a rapid rate, and propagation is diminished during the breeding months.

E. A. Parsons and Ray Apperson, who hunted in the Dayton section, in company with one of the residents, dropped but seven birds, the poorest day's results since either has been in the field, a period covering several years. From other hunters there is the same report, and it appears to be general over the valley.

Residents around Independence and Harrisburg noted the death of upland game several weeks ago, and the field trials near Independence last week fully established the decrease in birds.

Fourth race, the Cherokee handicap, six furlongs—Zienap, 97 (Butler), won; Berwick, 128 (Powers), second; Please, 107 (Deverich), third. Time, 1:14.  
 Fifth race, six furlongs, purse—Top-sy Robinson, 101 (Glasner), won; Beth Goodwin, 97 (Walsh), second; Gold Treasure, 97 (Butler), third. Time, 1:15.  
 Sixth race, mile and 70 yards, selling—Lady Esther (100), McGee, won; Hans (105), Butler, second; Imboden (102), Walsh, third. Time, 1:45-5.

The plans have been completed, bids asked for and the structure will be ready for occupancy by January 1. The anxiety of this company to participate in the heavy traffic offered by Kennewick is shown by its offer to carry rock, free of charge, for the purpose of macadamizing the streets leading from its terminal grounds to the center of Kennewick. The city has accepted the offer.

The surveying parties of the Kennewick Northern are still in the field, completing definite location of the line. Early construction on this road is assured.
