

Pink Whiskers Jones Beats Everything!

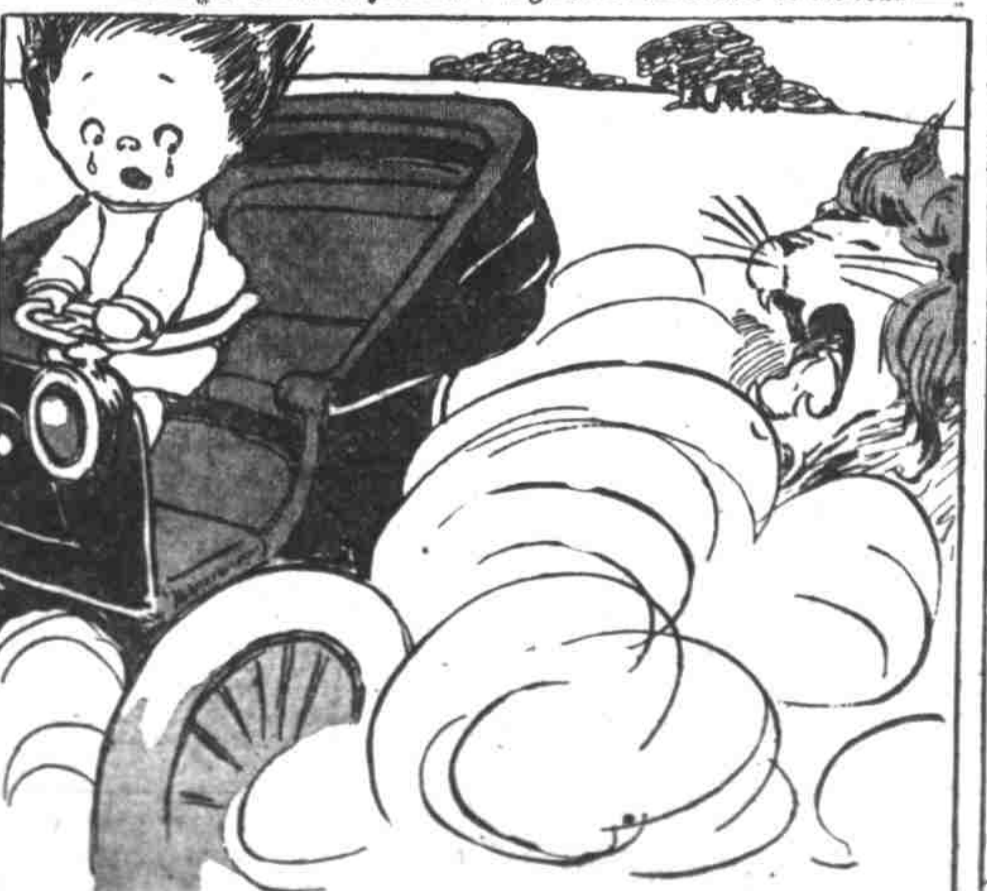

Just Supposin'!

1. Just supposin' you were going along in an automobile—

2. And all of a sudden you saw a big lion in the middle of the road—

3. And supposin' you hit him hard and sent him flying up in the air—

4. And supposin' he started to come after you—

5. And got nearer and nearer and nearer and nearer—

6. Wouldn't you be glad if your mamma came in a blimp and rescued you?
