

"SOME PUNKINS" AT THE GRESHAM GRANGE FAIR

The east side business men swooped down on the grange fair at Gresham this afternoon, and Saturday the members of the board will invade eastern Multnomah.

Interest in the grange exhibits at Gresham has been growing all week. The dairy exhibits were opened today for the first time and this brought out increased attendance.

Members of the realty-board and their friends will take care at 1 o'clock Saturday afternoon for Gresham. A brass band will meet the Portlanders on their arrival and a rousing good time is promised by the fair management.

The East Side Business Men's club embarked in two chartered cars at 1 o'clock this afternoon and with a band and big flaming banners the "Three

T" boosters are letting eastern Multnomah and Clackamas counties know that all the live men of Portland are not in business on the west side by any means.

The Multnomah school exhibit, in charge of Superintendent Robinson, is attracting much attention. Prizes have been offered to boys and girls who raise the best popcorn and potatoes.

TAFT TENDER WITH CORPORATION VIEWS

Despite Disclosures Bearing on Corruption in Political Life, Candidate Never Refers to Trust Influence and Its Evils.

By John E. Lathrop.

Chicago, Ill., Oct. 8.—The men who are directing the Democratic campaign this year, or most of them, express daily wonder that Judge Taft should ignore the ethical phases of the present discussion. They likewise are wondering that Judge Taft does not give expression to one single opinion on the trust question.

It is quite recently admitted that the moral revival in recent years has been the one distinguishing feature of politics. It is cited that disheartening disclosures have been made of corruption in official life, in campaign management, in railroad management, in bank management, in life insurance management, in many of the industrial activities of the people.

Yet, it is cited, Judge Taft ignores these things and sticks to personal criticism of Mr. Bryan. And it is regarded by the politicians as all the stranger that Judge Taft should do this, in the light of the admitted personal probity of Mr. Bryan and the knowledge that the ethical considerations weigh just now with the people more than any other.

FIREBUG TRIES AGAIN AT BAKER

Citizens, Headed by Mayor Johns, Will Take Drastic Action.

(Salem Bureau of The Journal.)

Baker City, Or., Oct. 8.—This city and Pendleton seem to have been selected for destruction by firebugs. Both places have suffered from incendiary fires of late as a result of which Mayor Johns for Baker City has given orders to shoot firebugs on sight. Last night the paint shop of Landreth & Sheets was partially destroyed by fire. The side windows to the place were raised and it was plain to be seen that some one had applied the torch.

Baker people are very much worked up over the repeated attempts to fire the town and are making ready for concerted effort in dealing with the gang of criminals that seems to be bent upon burning dwellings and stores. Pendleton has been having an experience similar to Baker City with mysterious incendiaries.

Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows: "When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J. "I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.
