

EAS SIDERS TAKE THE GRESHAM FAIR BY STORM

New Building at Gresham Grange Fair.

Yesterday was east side day at the Gresham fair and four carloads of people, all members of the Retail Grocers' association and the East Side Business Men's club, journeyed to Gresham from Portland. About 400 made the trip. Four special cars were chartered for the occasion, the fourth car having been added early yesterday morning when it became evident that three cars would not nearly hold the number of people who intended to make the trip. The merry party left East Water and East Morrison at 1 o'clock and arrived at the grounds shortly before 2 o'clock. Tomlinson's band furnished the music. On the way out everybody was supplied with a badge, so that when the grounds were reached there was no need of asking where they came from. The train was met at the depot by the Gresham band, and headed by this band and a huge sign announcing to the public that this party was from the East Side Business Men's club, the entire party paraded up the main street.

Exhibits Visited.
The afternoon was spent in looking over the various exhibits at athletic events, concerts by both bands and a stock parade, while several of the more hilarious members of the party enjoyed the attractions on the "Furrow," the Salome dance being especially attractive. The stock parade was particularly good, some fine blooded stock being shown. At 4 o'clock a series of athletic events including six races a tug of war and the standing broad jump took place. Prizes were given to the winners of each event. The broad jump and the tug of war brought out the most rivalry. There were six entries in the broad jump and the sixth man, a negro from the Dixie Land show, by Buckner, won the event. Instead of swinging his arms and body in an endeavor to get as far as possible, he put all his efforts into

going as high as he could. His first two jumps were disqualified, but on the third trial he fairly sailed through the air and was the victor by at least a foot.

Athletic Prize Winners.
The tug of war was a strictly east side affair, merchants south and north of East Pine street making up the two teams. South of East Pine were M. M. Ringler, C. A. Bigelow, R. D. Inman, W. B. Hall, Secretary Jackson and Tom Word, while from the north side were Lewis Gevirtz, W. H. McMonies, B. R. Helmick, P. E. Spahr, E. Sharkey and S. H. Beach. The south side men won the first heat, but the excitement was too great for Mr. Hall, their heaviest man, and he had to withdraw. The next two heats were won by the north side men. Councilman Dan Kellisher and H. C. Chason securing the city was reached about 6:30.

The winners of the other events were as follows:
100 yards for boys under 16—Wallace Wilkinson.
100 yard, open—L. E. Beach.
Broad jump—Cv Buckner.
50 yards, 1st men—Guy Long.
50 yards, ladies—Millie Schriener.
100 yards, merchant—J. E. Metzger.
50 yards for girls under 16—Olive Merrill.

Three-legged race—J. W. Headen and Henry Botelson.
After the return of the grocers to the city a dozen went to Vancouver where they assisted in the formation of a grocers' association to be affiliated with the Oregon State association. A banquet was served at the Hotel Columbia at which J. C. Stumberg acted as toastmaster. Addresses were made by Dan Kellisher, J. C. Mann, C. B. Merrick and other members of the Portland branch. The grocers were greatly elated because one of their number, G. W. Long, won the fat roan's race at Gresham and received as a prize the biggest pumpkin on exhibition.

Emancipation? Yes, when 1/4 of one acre in the Umpqua Valley will yield 300 Boxes of Spitzenberg apples that have been sold at \$2 per box - \$600. These apples will be picked for shipment next week. Go with us Saturday night and see them on the trees. It is a sight worth seeing and convincing proof of our claims.

Secure a 5 or 10-acre "Roseburg Home Orchard Tract" where there will be 1200 acres of Spitzenbergs and Newtown Pippins set out this fall. Phone us regarding the FREE TRIP Saturday to see the land. Our office will be open until 11 P. M. Saturday night for those who arrange to go with us.

BAKER DEMOCRATS ARE SANGUINE OF SUCCESS

General Conviction Prevails That Bryan Will Carry the County by Sound Majority—Campaign Will Open at Haines Saturday Night.

(Special Dispatch to The Journal.)

Baker City, Or., Oct. 9.—William J. Bryan will carry Baker county by a sound majority unless the temper of the people of this great section is such as to misunderstand. Local Democratic leaders are counting on a margin for the commoner approaching the achievement of the fateful campaign of 1896, when this county gave him a majority of nearly 1,000 votes, and they are going to leave no stone unturned to make history repeat itself. And while it is hardly expected that his former vote will be repeated, there isn't a Democrat to be found but who feels entirely confident that the county will go for the Nebraska boy in the coming campaign.

From now on an active campaign will be waged. Speakers will be sent into every important precinct in the county. This course was determined upon at a meeting of prominent party leaders held last evening. At this gathering the local situation was gone over in detail and steps taken to put speakers into the field. John H. Stevenson, representing the state central committee, met with

the local leaders and reported active and promising conditions in several other counties visited by him on a trip through eastern Oregon.

Baker Campaign to Open.
The Baker county campaign will be opened at Haines next Saturday night by Judge Samuel White, Democratic presidential elector, and Attorney Saxton of Baker City, and this will be followed by numerous other rallies throughout the county.

Great preparations are being made for a big rally to be held in Baker City next Monday night, when Ex-Senator John M. Gearin will be the chief attraction. Thus far the Republicans of Baker county have failed to effect any substantial organization. Indifference prevails and enthusiasm for Taft is wholly wanting. As a concrete example, a Taft club was organized a few evenings ago and 12 men signed up for membership. A meeting was held this evening and an audience of eight turned out to hear the speaker. The speaker's speeches chanted through a phonograph.

DALLAS DEMOCRATS GIVE GOOD REPORTS ON BRYAN OUTLOOK

(Special Dispatch to The Journal.)

Dallas, Or., Oct. 9.—Senator Mill A. Miller of Lebanon, Democratic national committeeman for Oregon, arrived in Dallas yesterday for the purpose of meeting with the Democratic county central committee. A meeting of the committee was held at 1 o'clock, presided over by Chairman Van Orsdel. Discussion of political affairs in the county were gone into by the committee and assurance was given Senator Miller that Folk would be heavily in the Bryan column in November.

Proceeding the meeting of the committee Senator Miller gave out the following interview:
"What do you think of the chances for a Democratic success this year? Well, sir, I think there will be a landslide for William J. Bryan at least 800 majority. One proposition in the Democratic platform that, I think, will appeal strongly to the voters of the county, and particularly to Oregon, is the question of the election of United States senators by direct vote of the people."

Sensations by Direct Vote.
"At the Republican national convention this measure was refused by a vote of 860 to 114. By a vote of nearly 8 to 1 they turned down this popular measure that was demanded by the people. Mr. Bryan heartily indorses this method of electing senators and promises, if elected, to call an extra session of congress to bring it about."

"The people are also disappointed in the last congress. This was the most extravagant congress in American history, having expended more than \$1,000,000,000, being more than \$100,000,000 per man and child in the United States."

"The guaranteed bank system as advocated by the Democrats is also a reform that the American people have often demanded. Quoting from Judge Williams in his speech yesterday at Lebanon, I think he hit the nail on the head when he said: 'Under existing conditions our banks dispose of the money for deposits. The guaranteed bank system is just as simple as fire insurance and will bring the same security and protection against money loss as fire insurance affords for fire loss.'"

Senator Miller attended an enthusiastic meeting at McMinnville last night and stated that the chances for Democratic success in this fall were excellent. The senator left on the afternoon train for his Portland headquarters.

BIDDER BROTHERS CHARGES PERJURY

(United Press Leased Wire.)

New York, Oct. 9.—Charging perjury against Spencer Miller of the Lidgerwood Manufacturing company, and bias against the board of inquiry into the Panama contract scandal, William A. Brothens, an unsuccessful bidder, today created such a scene as to cause the temporary adjournment of the board. "There is only one side of this thing being heard," angrily cried Brothens. "You do not want to hear the truth, so I'll withdraw."

Brothens has intimated that his concern, the Balanced Cable Crane company, although the lowest bidder, was rejected for favored contractors. Chief Goethals has admitted that the specifications were so drawn as to exclude Brothens, but says the exclusion was because the device to be offered was faulty and the commission could not waste time in experiments.

Notary Commissioned.
(Salem Bureau of The Journal.)
Salem, Or., Oct. 9.—Commission on notary has been issued to C. K. Cranston of Pendleton.

Tomorrow (Saturday) will positively be last day for discount on west side gas bills. Don't forget to read Gas Tips.

Throw away your soap! GOLD DUST will do your household cleaning in half the time, with half the labor

Count the cracks in your kitchen floor. There's no end to them. There's no end to the dirt either if you clean with greasy soap. Soap and water are all right in their place, but they won't do the work of GOLD DUST.

GOLD DUST pries out dirt—dissolves it. Hot water rinses it away—leaves your woodwork clean and fresh.

Aside from doing better work, GOLD DUST saves about half your time and labor. It is a cleansing powder of magic power, which starts to clean the moment it dissolves.

GOLD DUST is soap with its working clothes on.

The Stomach Does Not Cause Dyspepsia

Neither Will It Cure It Because the Lack of Gastric Juices Prohibit Relief.

The stomach is a strong, powerful organ, which is composed of muscles of great strength. It is filled during digestion with gastric juices which, when the stomach, extending and compressing the food, dissolve it and separate the nourishment from the waste matter. If, however, these gastric juices are lacking, the stomach is not capable of digesting its food because it has not the tools with which to work successfully.

The gastric juices when in a perfect state do away with all food odors, fermentation and decay, reduce the food to a disintegrated mass and the stomach then presses it into the intestines where another form of digestion takes place. Then the intestines take from this mass of food all that is nourishing and give it to the blood. This waste matter is thrown from the system.

If instead of nourishment the intestines receive impure deposits combined with a poisonous and imperfect gastric juice, it can be readily seen that they must turn such imperfect nourishment into the blood. The blood, then being unable to give each part of the body that which it requires, becomes impoverished and disease is spread broadcast.
