Ajax Range

A 6-Hole Polished Blue Steel Range for **\$27.75**

THE AJAX STEEL RANGE is a model of simplicity. The walls are made double and heavy asbestos is used to prevent heat radiation. These walls are covered with blue polished steel that will not rust, chip, peel or turn white when heated. This 1908 style shown in cut has a six-hole top, 16-inch oven, a large size warming closet, is beautifully nickel trimmed and made of best material and will always keep its original finish. The Ajax steel range is meant to suit the housewife and every new improvement has been thought out, and each new feature is practical.
