SALEM MAKES COMPLAINT

Railroad Facilities Are Held to Be Inadequate. (Salem Bureau of The Journal.) Salem, Or., Oct. 23.—The railroad commissioner has set November 16 as the date on which to take evidence to determine whether facilities for receiving, delivering and handling livestock at Salem are adequate. A year ago the Southern Pacific promised to improve the livestock facilities along its main line in Oregon and Salem was mentioned

as one of the points which would receive attention. Since that time nothing has been done by the railroad company. The Southern Pacific also in September, 1907, promised to enlarge the depot room for both passengers and freight at Salem but has made no effort to comply with the promise. The complaint filed at that time was dismissed and no hearing held. The residents of the capital city are becoming anxious and filed another complaint yesterday and an effort will be made to compel the Southern Pacific to provide depot facilities such as are adequate for a city of the size and importance of Salem.

COURT NEARS CLOSE

\$520 in Fines Has Been Imposed in Douglas. (Special Dispatch to The Journal.) Roseburg, Or., Oct. 23.—The October term of circuit court is nearing a close, the regular jurors having been dismissed. The grand jury is still in session. The grand jury returned four indictments against Dr. M. J. Gray of Elktion. He pleaded guilty to two charges, was fined \$250 for one and

the other three were dismissed pending good behavior. Three other indictments were left for investigation, two were settled and the third is a sealed indictment which will probably not be made public until the party is arrested. One of these indictments was against John Kruse of Yoncalla for selling tobacco to a minor. He paid a fine of \$20. The other indictment was against Scott Jefferson of Yoncalla, who was convicted before a trial jury of having violated the local option law. He paid a fine of \$250, making a total of \$520 imposed in fines at this term of circuit court.

BIG AUDIENCE HEARS GOGORZA AT SEATTLE

Tuesday evening Emilio de Gogorza sang in Tacoma and last night in Seattle in the new Moore theatre which, according to a wire received this morning from his managers, was packed to the doors. As this playhouse seats 1,350 people, the audience gathered there to do honor to the great baritone was a big one, and commensurate with the standing in the artistic world of the famous singer. Gogorza will sing here at the Nettle theatre on next Thursday evening under the direction of Louis Steers-Wynn-Cowan. His accompanist will be H. C. Whittemore of New York. At his concert on Tuesday at Tacoma, Gogorza

was greeted by a fine house and the Ledger said of his work: "So much has been said of Gogorza and his magnificent voice that to say it all over again would be repeating the story of the laurels he has won on every side since he began his career. As a singer his claims do not lie in the power or the volume of his voice nor in attempts at bravado, but rather in his power to appeal, to fill his song with something more than mere words and air." The seat sale for this concert at the Helling theatre will open next Tuesday morning.

DEMOCRATS TO RALLY AT MIDNIGHT TONIGHT

Democrats will hold a meeting tonight at Fireman's hall, Midway and Milwaukee avenue. The meeting will be addressed by John Manning. The Bryan voters of that district have been asking for a rally here for some time, and it is expected that the meeting will be large and enthusiastic. At Spaulding hall at Woodstock tomorrow night, will be another Democratic rally and on Monday night E. S. J. McAllister will address the voters at Woodmen's hall, Arietta. Mr. Manning will also be one of the speakers at this meeting.

An Interesting Experiment

It will enable you to determine the value of P. & G. Naphtha Soap. Try it!

Make a strong suds of P. & G. Naphtha Soap and cold or lukewarm water.

Put into this all the dirty dish-cloths you have. Let them soak for an hour. If any dirt spots remain, rub them lightly with the soap. Remove the cloths. Rinse them in clear water. Hang them up to dry.

Look at them an hour later. They are as clean as when new—free from grease and without odor of any kind.

The point of this little experiment is this: If P. & G. Naphtha Soap will clean dirty dish-cloths quickly, easily and thoroughly, how much more quickly and easily will it clean bed-linen, table-cloths, pillow-cases, skirts, shirt waists and articles of a similar nature which are not, and never were, one-tenth as dirty as the dish-cloths!

P. & G. Naphtha Soap at all grocers.
