KINSELLA PUTS GREEKS TO ROUT OLD STARS MAKE UP FAST ELEVEN VANDERBILT CUP RACE TOMORROW

Portland Players Show Class and Easily Repeat on Oakland Crew.

(Special Dispatch to The Journal.) San Francisco, Oct. 23.—KinSELLA was in great form yesterday and his teammates played the baseball of which they are capable, winning from the Oaks for the second time, 4 to 2. Nelson pitched well for the Greeks for eight innings, when he was benched and Hogan substituted. Raftery started the run getting in the fourth inning, when he placed the ball over the shortstop. Johnson's infield out placed Raftery on second base, from whence he scored on Danzig's grounder to McCoy, of which the latter made a wild throw to Cook at first base. Oakland evened up in the next inning. Heilmuller doubled, and was scored on Eagan's single. Three more came to the northerners in the eighth and ninth innings. The score:

Table with columns: AB, R, H, PO, A, E. Rows for KinSELLA, Cooney, Raftery, Johnson, Danzig, Ryan, Bessy, Frambes, KinSELLA, Total.

Table with columns: AB, R, H, PO, A, E. Rows for Van Hatten, Trueadale, McCoy, Heilmuller, Eagan, D. Lewis, Cooke, G. Lewis, Nelson, Christian, Hogan, Total.

Hogan batted for Nelson in eighth. Charge defeat to Nelson.

ACKNOWLEDGE IT

Portland Has to Bow to the Inevitable—Scores of Citizens Prove It. After reading the public statement of this representative citizen of Portland given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases. Read this:

G. H. Springmeyer, spokesman of 1618 First, Portland, Oregon, says: "Exposure in rough weather and the bearing of my wagon brought on the kidney trouble. My back ached almost constantly. My kidneys were weak and the passages of the secretions too frequent. When Dean's Kidney Pills came to my attention I got a box and began using them at once. The pain in my back was soon relieved and the kidney secretions became normal. Two boxes of Dean's Kidney Pills about cured me." (From Statement made February 28, 1925.)

CURED TO STAY CURED.

On January 11, 1926, Mr. Springmeyer confirmed the above statement and added: "Since giving my former testimonial I have not had a trace of kidney trouble. My back aches almost constantly. My kidneys were weak and the passages of the secretions too frequent. When Dean's Kidney Pills came to my attention I got a box and began using them at once. The pain in my back was soon relieved and the kidney secretions became normal. Two boxes of Dean's Kidney Pills about cured me." (From Statement made February 28, 1925.)

Catholic Young Men's Club Has Splendid Prospects for Football Season.

Football is just now the main topic over in the Catholic Young Men's club and some 300 club members are real enthusiastic over the prospects for a winning team. The eleven is composed of former college, club and academic players, who average 155 pounds to the man. Without a real hard scrimmage the Catholic youngsters journeyed to The Dalles last Sunday and prevented the crack eastern Oregon eleven from scoring. The players are delighted with their showing and have renewed confidence in themselves. Practice is indulged in three times a week on the splendid club grounds on Williams avenue. Arc lights have been installed in the field and practice is held secretly. Coach Kennedy relied on straight football last week, but will drill the plucky warriors with tricky plays as he is a believer in the deceiving formations. The first and second teams will engage in a light scrimmage Sunday forenoon and many new players under the new rules will be introduced. Among the players who are defending the blue and gold are Patten, the former McKinville college star halfback, who is distinguishing himself at an end position. He is certain on his tackling and will be a valuable asset to the team. King Zander, who played halfback for Portland High school in 1925, and later with Bunker Hill, is running down punts in fashion and will probably play an end.

Captain's Dashing Play. Captain Jack Eatch's dashing style of play on the offense and stonewall defense is recognized. Eatch is playing left half. Gianetti is proving a marvelous defensive player and carries the ball nicely. The former navy player has convinced the coaches he is the best end in the district. Martin, a husky youngster who won his monogram while playing with the Eugene High school, is making an impression at guard. Hubert and O'Neill will alternate as guardsmen. Tom Carroll, who officiated as fullback on the St. Johns eleven last season, has been shifted to tackle and the young Hercules is accomplishing much at the position. Jerry Quinlan, formerly with the Columbia university team, is one of the club's reliable players and is playing tackle. Lew Klumpff, who defended Bunker Hill's goal line, is playing an aggressive center.

Coach Kennedy is taking considerable interest in Thomas Crowley, the one of the newest recruits and promises to be a full-fledged star soon. He is attending to the kicking department. Apostol, formerly with the St. Johns Apostles, is tackling accurately. Earl Hall and Rich Barr, two veterans, are nifty players and care little for injury. Coach Kennedy is the Alpha athlete, is exhibiting his skill on the bench, who formerly won fame on the old East Portland Cardinals, is working out with the club. The presence of Ed Dowling, the veteran Multnomah club player, at practice is appreciated. Dowling is giving the reliable football advice. Guy King is managing the club team and is assisted by George Donnerberg. Credit to the athletic committee, namely, Joe Meyer, A. Ward and Ed Duff, for the appearance the eleven makes on the field.

The scheduled is with St. James' college, to be played at Vancouver. The C. Y. M. C. challenges any team in the state and will meet the Multnomah club second team some time in December. The Thanksgiving game will be played at Hood River with the High school eleven.

BILL HAYWARD DRINKS IODINE FOR MEDICINE

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 23.—"Bill" Hayward, who has so successfully trained the university athletes for several years, accidentally swallowed some iodine yesterday, fortunately without serious results. One of the football men had been using the iodine on a bruised leg and when through, he laid it on a shelf with several other bottles. Hayward turned a few minutes later to take some cough medicine he picked up the bottle of iodine, which resembled the coloring of the iodine, and took a big swallow. Almost instantly he tasted his mistake and took a dose of mustard water as an antidote. Mr. Hayward considers his escape as remarkably lucky for although iodine is not an especially violent poison it would probably have made him a very sick man.

"WEARY'S" BROTHER STARVES WITH REST

University of Oregon, Eugene, Oct. 23.—"Ben" Chandler, brother of "Weary" Oregon's famous end, has been added to the training table squad. Chandler played quarter on the varsity eleven last Saturday for a while and showed excellent form and generalship. While he is rather light for the varsity team he has a good head and will make LaTourrette work for the position. Last year he played on the Eugene High school and he is greatly improved since then.

Tacoma Relay Race.

Tacoma, Wash., Oct. 23.—Plans for a great relay race from American lake to the Y. M. C. A. building in this city, a distance of 12 miles, which will be a Saturday afternoon between three picked teams of 12 men each, were perfected at a meeting of the team captains held last night. The teams of men each were chosen. Each man will run a mile. The race is attracting a much interested crowd. Y. M. C. A. athletes as well as the Marathon race that was run two weeks ago. The race is in good condition and the prospects to participate his mile in five minutes.

Scores of Daredevil Drivers Will Pilot Highest Powered Automobiles.

Facts about Vanderbilt cup race: The Race To locate the best drivers and cars in the world. The Course—An irregular triangle surrounding the village of Hicksville, L. I. with the Jericho turnpike on the north and the new motor parkway on the south. Distance—Eleven rounds of 23.5 miles total 278.5 miles. Starting Time—4:30 a. m., October 24, cars leaving at half-minute intervals. Number of Turns in Course—Eight. Number of Entries—Twenty.

(United Press Teled. Wire.) New York, Oct. 23.—A score of racing automobiles, guided by the best drivers of America and Europe, will compete tomorrow in the fourth competition for the silver trophy given by William K. Vanderbilt Jr., known as the Vanderbilt cup. The first car, a Locomobile, will be sent away from the starting line at the grand stand located on the new motor parkway, not far from the village of Central Park and several miles east of Garden City and Mineola as soon as the great dawn of the day. Other cars will follow at half-minute intervals. They will make 11 circuits of the new cup course of 23.5 miles, and the driver covering the 258.5 miles in the shortest time will be awarded the trophy.

As an international automobile speed contest the Vanderbilt cup race holds first place among similar events the world over, and automobilists, not alone throughout America, but throughout the world, will eagerly await the decision which is likely to be known about noon tomorrow. Among the drivers there are so many skilled, fearless and experienced men with cars of known power and speed, that it is useless to attempt to predict the winner. The cars are one B. L. M. and one Renault. Numbered among the well-known drivers who will be seen in the great contest are Straub, Robertson, Basie, Haupt, Lytle, Ryall, Pouget, Salaman, Chevrolet, Bourque and Foxhall Keene, the millionaire.

With a fair day it is claimed that speed, hitherto unheard of in this country, will be made by the competitors. The practice racing machines have made some marvelous speed over the new course, and it is believed that in the event tomorrow they will have to maintain a speed of better than a mile a minute. This means that the cars will shoot along straight and level for 23.5 miles on the new course. For at the turns in the course, of which there are eight, a speed of 60 miles an hour is not to be exceeded. The drivers would preserve their lives and their machines to the end of the race.

Better and Faster. The racing circuit this year is a little better than what has been had in the past. It is in the form of an irregular triangle surrounding the village of Hicksville, L. I. with the Jericho turnpike on the north and the new motor parkway on the south. The start and finish will be on the motor parkway several miles east of Mineola and Garden City. The latter place being the headquarters of the Vanderbilt cup commission. The country in which the race is held is generally level, there being a remarkable absence of hills even for Long Island.

THREE OREGON TEAMS READY FOR FOOTBALL

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 23.—There will be three games today and tomorrow in which university teams will participate. The Freshman-Williamette game here tomorrow and the second varsity-Chemawa game at Chemawa tomorrow. The freshman team is in excellent shape and as several of their men who have been playing with the varsity will be playing with them, should have no difficulty in rolling up a good score. Eugene, however, has a good team and they have been practicing hard this week, may surprise the freshmen. The varsity team is not in the best condition for the Williamette game as a number of the men have been bruised up considerably in the stiff scrimmage practice. Coach Forbes has been putting them through the past week. Several of the freshmen will also be in the game with Eugene High today and it is hard to tell what condition they will be in tomorrow. Everybody is confident that Oregon will be victorious. The second varsity is looked forward to with a great deal of interest as the Chemawa team is an unknown quantity. The second team is exceptionally strong this year, as practically all of last year's men are back in the game and some excellent new material has been turned out. Several of its members are showing varsity form and may be added to the regular squad before long. In scrimmaging during the past week they have several times played the varsity to a standstill. Ed Halley of Baker City was elected captain of the second varsity last night by a unanimous vote. This is his first year on the team and he is playing an excellent game at half.

ASTORIA AND ACADEMY TO PLAY HERE MONDAY

Portland academy will meet Astoria high school on the Multnomah field Monday afternoon. This is the first time in years that an Astoria team has been seen in Portland and a good crowd is expected. A return game will be played later. When academy goes onto the field Monday her team will be hardly recognized as the same one which was so easily defeated by East Side high school last Wednesday. The tackles and backs will probably be the only ones the same. Cobb will be at quarter, Beuhner and Curry at ends, Leonard at center, Summers at fullback and possibly new man at the other guard position. Beuhner's work in Wednesday's game and it is hoped by the coaches that by the vigorous shaking up given the team a winning combination can be secured. Curry will continue at end and Captain Norris get back in the game and then the better of the two will hold the job.

You May Enjoy Your Meals

If You Will Equip Your Stomach With the Right Means to Handle the Food. If you go into a restaurant, cafe or hotel, where all your environments, the lights, dashing flatterer, cut glass, music, chattering and laughing women, seem to foretell of a pleasant meal, your stomach should not revolt when you read the menu card. Heavy steaks, soups, oysters, entrees, fads, etc., should hold no terrors for the healthy stomach and they do not if you read the menu card. A small box of Stuart's Dyspepsia Tablets placed in your vest pocket will be sufficient guard against the mad ravels of a worn-out stomach. A tablet taken a few moments after the meal will remove any ill effects of food from your stomach and you may eat as generously as those about you. One of these little tablets will of itself settle all question of indigestion for that meal and will place your stomach and digestive organs in a better condition for the next. Your blood will be enriched, and the depleted gastric fluids will be rebuilt. Stuart's Dyspepsia Tablets are natural, active, digestive agents who give you the gastric juices the elements they lack, which ease the stomach, remove irritation and enrich and stimulate the blood.
