OAKLAND NOSES PORTLAND OUT

Four Slabsters Used in the Game—Oaks Win in Eighth.

(United Press Leased Wire.)

San Francisco, Oct. 24.—An in-and-out game was won by the Seals yesterday, when they defeated the Beavers, 8 to 7, after four pitchers had been used by both sides. Manager McCredie put the crusher on Graney for wildness in the third inning, and Rose finished out the game. The Beavers commenced battering Christian hard and he was put on the skid in favor of Loucks, who managed to stave the northerners off.

Ote Johnson's home run and a two-bagger by Danzig helped the visiting brigade to four runs in the fifth. This gave the McCredieites a lead of two runs, they having made one in the first, two in the second and another in the fourth. Oakland had made four in the third and two in the fifth. Then they nosed out by tying the score in the sixth and shoving over the winner in the eighth. Score:

PORTLAND.

ALBANY COLLEGE FOOTBALL PLAYERS

Team Which Meets Multnomah Club on Multnomah Field This Afternoon.

O'CONNELL HAS SNAP WITH HART

Instructor Wins the First Match of Winter With Great Ease.

Wrestling is revived. Its rejuvenation was accomplished last night when Eddie O'Connell, instructor of the Multnomah club, took two falls out of three from Dick Hart of Chicago. Now the fans are on the anxious seat to see the O'Connell-Smith match two weeks hence for the championship of the northwest in the welterweight class.

O'Connell's victory over Hart was of the most decisive nature and his followers declare they are willing to back him against any wrestler in the country of his weight. He is about the fastest wrestler seen in these parts and Dr. Roller, erstwhile of Seattle, appears like a dray horse beside him.

Hart, who has an unusually large torso for a short man, had the greater strength and it was this that enabled him to take the first fall in eight minutes. When the men got together O'Connell went under for the purpose of trying Hart out. He thought he would be able to come out from beneath at his leisure but his calculations proved wrong. Hart worked around O'Connell's head with quarter, half and further nelsons for five minutes. When their bodies came together and Hart tried to utilize his great strength, O'Connell blocked with the grapevine. Gradually Hart worked into close quarters and by the use of a back arm bar hold, finally brought O'Connell's shoulders to the mat.

Second Fall Rapid.

The second fall went to O'Connell in four minutes. With one count against him he took the aggressive right at the start after lingering a moment under Hart when the men went down. His unusual speed bewildered Hart and a rapid fire half nelson and grapevine put the heavier man on his shoulders. A half nelson and hammerlock just before the final shift of holds injured Hart's arm.

With the injured member paining him badly Hart went into the third fall. O'Connell used his head to good advantage and began an immediate attack. As the men went off the mat O'Connell was on top and his great speed overcame Hart in about one minute, a bar hold followed by a roll doing the work.

Strangler Smith was at the ringside and challenged the winner for a match. The challenge was immediately accepted by O'Connell and the two will meet in two weeks. Owing to the fact that the interclub tournament between Seattle and Spokane comes November 6, it will not be held Friday night.

Tom Tracey, Smith's manager, says Smith will be in the pink of condition to meet O'Connell and that they are ready to sign articles as soon as O'Connell brings them around. A $250 side bet was made last night.

In the preliminary bout last night Herman Newman defeated Frank Ely, taking two out of three falls.

MULTNOMAH MEN TRY ALBANY TEAM

Multnomah club and Albany college will line up on the club field this afternoon for their first football game of the season. The clubmen look upon the game mostly as a practice contest, but the collegians say they have a surprise in store for the "Winged M," which they may put over any time.

The Albany players have been practicing faithfully for the game and will no doubt give a good account of themselves.

The game is scheduled to take place at 2:30 o'clock. A large number of Albany rooters will arrive on the noon train to cheer their team.

Cincinnati Races.

Cincinnati, Oct. 24.—Weather cloudy, track fast. Latonia results yesterday:

First race, five furlongs, purse—Wintergreen, 106 (E. Martin), won; Be Brief, 102 (McGee), second; Colonel Blue, 105 (Butler), third. Time, 1:00 4-5.

Second race, five furlongs, purse—Dr. Barkley, 110 (Troxler), won; Home Run, 110 (Heidel), second; Harriet Rowe, 107 (Pickens), third. Time, 1:01.

Third race, one mile, selling—French Nun, 105 (Deverich), won; Sorrel Top, 105 (E. Martin), second; Maid Militant, 100 (Glasner), third. Time 1:43 4-5.

Fourth race, six furlongs, handicap—Miss Salu, 118 (Troxler), won; Al Muller, 114 (Heidel), second; Sally Preston, 105 (A. Martin), third. Time 1:13 2-5.

Fifth race, mile and a sixteenth, selling—Enfilet, 98 (Kennedy), won; Gresham, 98 (Deverich), second; Stone Street, 107 (Butler), third. Time, 1:50 2-5.

Sixth race, mile and an eighth, selling—Mortibey, 107 (Glasner), won; Hueriano, 104 (Griffin) second; Sea Salt, 101 (McGee), third. Time, 1:56 2-5.

CADETS DEFEAT COLUMBIA TEAM

Poor Luck Plays Havoc With the Losers in Second Half.

Hill Military academy, by defeating Columbia university yesterday, 6 to 5, assumed a commanding position in the interscholastic football championship race. Columbia was reckoned as one of the strongest teams in the league, and by defeating her Hill seems in line for the championship.

At that, however, it was only by the very narrowest margin that they won, and luck seemed to favor them all the way. Several times in the second half Columbia worked the ball up to within striking distance of the goal line only to lose it either on downs or on a forward pass. Columbia probably showed the better team work, but when Hill did get the ball near the Columbia line the strength behind the line bucks of big Donason, the Hill fullback, carried the ball over.

The Hill touchdown and the resulting goal came in the first half. Columbia kicked off, and for fully ten minutes neither team was able to make any perceptible gain. Both teams seemed to be remarkably strong on defense and usually after trying twice for yardage a kick was resorted to. Hughes ran the ball in fully half the distance of the kick on one of Ennis' punts, but on a punt a few minutes later O'Brien recovered, and the gain was thus made up. Fierce tackling by Graham, the Hill captain, more than once stopped Columbia's backs, and Walter and Pomeroy, who last season were two of the best ground gainers in the league, were helpless. Ennis, who is an experiment at half, was probably the best ground gainer of the Catholic team.

Hill Gets Ball.

Hill had possession of the ball in the center of the field after about ten minutes of play and after two line bucks had failed Donason punted to Seufert on the ten-yard line, and Prehn, who had been playing remarkably fast football, nailed him as he caught the ball. Ennis punted out and the ball was again in Hill's possession in the center of the field. After two line bucks by S. Graham and Donason had netted but two yards, Donason again sent a long punt to Seufert, this time the ball carrying clear to the two-yard line. Ennis kicked out to the forty-five-yard line and Bus Hughes made a touchdown possible by running twenty-five yards with practically no interference.

Donason was then called upon and in five downs made all but three yards of the remaining twenty yards, Hill making the other three. Nearly all of the cadets' yardage was made by the use of the delayed pass. Hughes kicked a perfect goal.

Columbia's Desperate Fight.

Columbia fought desperately throughout the rest of the first half and all through the second half for a touchdown, and near the middle of the second half their turn to score came. Columbia had the ball near the center of the field and the signal came for a forward pass. McGuire blocked the pass and Hill fell on it. An exchange of punts, in which Ennis had all the better of the argument, and a long outside kick, to which Hughes beat O'Brien by an eyelash, put the ball on the Hill men's ten-yard line and in their possession. An offside penalty of five yards put the ball within six inches of the goal line and directly under the crossbar. Donason dropped back to punt, but Dooley was through the line and blocked the punt. The ball rolled toward the west side of the field with both teams in close pursuit. Billideaux, the Columbia tackle, was the lucky man, and fell on the ball. It was too far out to kick the goal, and on the kickout Columbia failed to do any better.

The rest of the game was a desperate fight on Columbia's part to work the ball over the line, while Hill was using all her energies towards making as little happen in as much time as possible. At one time it looked as though Columbia would surely score for Billideaux had a clear field before him, but in trying to pick up the ball he fell and the chance was lost. The lineup:

Columbia.		Hill.
Campbell	R. E. L.	Prehn, Troy
Dooley	R. T. L.	S. Graham
Kelleher	R. G. L.	Jamison
Hare	C.	Donason, Carruthers
Aya	L. G. R.	Carruthers, W. Graham, Wurzweiler
Billideaux	L. T. R.	Ford
O'Brien	L. E. R.	Wurzweiler, McGuire
Seufert	Q. B.	Hughes
Ennis	R. H. L.	Hill, W. Graham (c)
Pomeroy	L. H. R.	Meier
Walker (c)	F. B.	Hill, Donason

Referee, Blanchard; umpire, Thorne; field judge, Earl; head linesman, Frank Templeton; associate linesmen, Pat MacArthur and James Smith; timekeepers, Major von Egg'offstein and F. Leeston Smith.

Rear Admiral Dayton to Retire.

(Special Dispatch to The Journal.)

Washington, Oct. 24.—Rear-Admiral James H. Dayton, lately in command of the Pacific fleet, will be placed on the retired list of the navy tomorrow on account of age. Rear-Admiral Dayton comes from Indiana and has been in the navy since 1866. In recent years he has commanded the Chicago and other vessels of the navy, has served as commandant of the naval station at San Juan and as president of the naval board of inspection and survey.

PORTLAND BOYS TO GO AGAINST NEVADA

Stanford University, Cal., Oct. 24.—The Stanford Rugby football team plays Nevada university in Reno, today. The Cardinal team is a fast aggregation this year, having eight of the '07 team in its ranks. The back field is especially strong. Among the men who make up the Stanford backs are J. R. Holman and C. F. Ganong, both of Portland. Holman has been playing Rugby at Stanford for the last three years and is recognized as one of the speediest men on the field. With Ganong at his side they make a formidable pair of backs and are looked to make big gains for the Stanford team today.

Special interest is manifested in this game since the Nevada team is coached by Frank Mayers, who only last season played with the Stanford varsity team when they won the intercollegiate game against Berkeley. The following men together with Coach Presley, Trainer Moulten, and Manager Stewart will make the trip.

Koerner, Pemberton, Cheda, Terrill, Miller, Captain Crawford, Reynolds, Heilley, Erb, Scott, Ganong, Cadwalder, Holman, Mitchell, Jordan. Substitutes, Brown, Cook, Elliott, Evans Roth.

WASHINGTON AND WHITMAN MEET

First Conference Football Game of Season Played in Seattle Today.

(Special Dispatch to The Journal.)

University of Washington, Oct. 24.—Since the Whitworth game of last Saturday, when the university piled up 24 points on the Presbyterians in 15 minutes, after the big triumvirate, Babcock, Jarvis and Bantz entered the game, the student body has become fairly confident of Washington's ability to win the championship. Before the Whitworth game the prospects were not thought to be very good, but that game proved the turning point of the season in student sentiment.

The first real line will be had today, however, when the U. of W. meets Whitman, the first conference team to be played. Whitman is considered the weak sister of the northwest this year, but Coach Dobie and his charges are wasting no time in getting the eleven in the best possible shape.

In the Whitworth game the team showed the right spirit that local followers of football have been waiting for for a long time. The players showed unexpected speed and tore into the opposition with a dash and fearlessness that augurs well for the success of the season. Muckelstone, halfback, proved the best man at receiving the forward pass seen on Denny field for a long time. Twice he was responsible for touchdowns, receiving the ball from Coyle, when surrounded by Whitworth players, in a way that was remarkable. Coach Dobie on the sidelines remarked enthusiastically that Muckelstone handles the forward pass better than any man he ever saw.

Eaken's punting was a feature. Twice he got the pigskin away for 70 yards, and his booting on the whole shows that he will be equal to or better than any other punter in the northwest this year, unless the possible exception be Clarke of Oregon. Eaken is a scrapper at tackle, but is most valuable in the punting department. Grimm, brother of the big line man who played with Washington the past two years, showed up to good advantage.

The team work of the varsity Saturday was not all that could be desired. The interference, while better than it has been heretofore, was not of championship class. For this rason, Dobie is using the same eleven men day after day, so that they can develop machine work. The showing against Whitman ought to be markedly improved.

Willis was used at fullback again in the Whitworth game and played his best game. It would be a mistake to shift Willis to end as the coach intended, in view of his battering-ram tactics of the last battle.

Babcock, Jarvis and Bantz are rounding into shape rapidly and will be seen in the Whitman game. With Back at center, flanked by these men and Eaken the Washington line looks mighty good. Grimm and Mattson are showing fair form at end. Coyle is the only likely man for quarterback at present. He is living up to his reputation as a high school player, reeling off the plays rapidly and accurately. At half Muckelstone and Wand will be seen most of the season and Wells and Willis will play fullback.

Dobie has another set of backs nearly as good as that of his first team, with Art Clark and Howe as halves. Both these men are fast and Clark has had two years' experience in intercollegiate football in this section.

The matter of the Thanksgiving date is still up in the air. The Washington management is in communication with Wisconsin, Nebraska and Iowa, and it is thought the chances are good that "Reddy" Griffiths, formerly of Idaho and now coach at Iowa, will bring his eleven here for the Turkey day contest. If Oregon Agricultural college can change its date with Willamette, Washington's opponent on that date may be O. A. C. O. A. C. has agreed to play here Thanksgiving if Washington will sign a reciprocal contract to play in Corvallis next season, provided Willamette will consent to the change. Washington is willing to sign the reciprocal contract.

CHEMAWA INDIANS FILLING SCHEDULE

(Special Dispatch to The Journal.)

Chemawa, Or., Oct. 24.—The Chemawa football team has been a little late in getting into line owing to nearly an entire change in the make-up of the team. The "old guard" are nearly all retired to the sidelines and new men have taken their places.

A training table has been established and a coach, Mr. Flemming of the University of Nebraska, has been engaged. The team is light and will not average much over 160 pounds to the man, but with systematic work can be hammered into a good aggregation. It has some fast men in the line and before the season is over will no doubt make a record for the school.

The first game will be played today, when they will meet the Oregon university second team, which will no doubt give the Indians a thorough trouncing, but they expect to profit by their mistakes and have a different story to tell after their second game, which will be played with Albany college at Albany, October 30.

In addition games have been scheduled with Fort Stevens, at Chemawa, November 7; Pacific university at Chemawa, November 14; Salem High, December 5; Multnomah Athletic club, December 12; The Dalles Athletic club, New Year's day.

A game will be played with O. A. C. second, November 21, or Thanksgiving day and one with the Young Men's Catholic club of Portland and possibly one with the Astoria Athletic club. If the Astorians take on the Indians at Christmas this will leave only December 19 to make the schedule full.

FRANK AND NEICKEN TO REPRESENT CLUB

The Multnomah club has named Edgar Frank and Henry Neicken to meet a 125-pound boxer and wrestler of the Seattle Athletic club at the interclub meet here November 6. Seattle already had named a 135-pound wrestler and a 145-pound boxer to meet some of the Multnomah men in these classes. Venables will probably be the wrestler in the 135-pound class.

Salt Lake Races.

Salt Lake, Utah, Oct. 24.—Weather clear, track slow. Results yesterday:

First race, five and one half furlongs, selling—Antara, 109 (Morgan) 5 to 1, won; Berlin, 104 (Nelson) 4 to 5, second; Piquet, 109 (Johnson) 1 to 3, third. Time 1:17½.

Second race, six furlongs, selling—Minnie, 105 (Manders) 8 to 1, won; Mabel Fountain, 103 (Nelson) 4 to 5, second; Zella G., 112 (Lloyd) out, third. Time, 1:25.

Third race, six furlongs, selling—Sightly, 104 (Brady) 8 to 1, won; Nancy W., 109 (Johnson) even, second; Valencia, 104 (McBeth) out, third. Time, 1:23¾.

The First Dose

"The first dose of Cardui I took," writes Mrs. Fannie Rogers, of Pages Mills, S. C., "brought relief. I continued taking it and can truthfully testify that it is worth its weight in gold. I cannot find words to describe my symptoms before I began to take Cardui. I was so weak and nervous and the doctor could only give me temporary relief.

MRS. F. ROGERS
Pages Mills, S. C.

TAKE CARDUI

It Will Help You

"When I discontinued his treatment, on account of the expense," continues Mrs. Rogers, "I was worse than when I began. Since taking Cardui, I am regular, have no bad feelings or dreams, can eat, sleep and work every day, and feel good. I want every suffering woman in the world, to try Cardui."

Cardui is a safe, pleasant, reliable remedy for woman's ills. It is non-mineral, non-intoxicating and is composed of ingredients of specific medicinal value, to all women, young or old. Sold everywhere.

COMING OUT

HOW MEN ARE HELD UP BY DOCTORS

Scores of weak, ailing men are held up every day by doctors who bully them into paying exorbitant fees for worthless dope. These highwaymen resort to every questionable method.

They try to make you believe that your life is in danger; that you would be past cure in a week if you didn't pay their outrageous fee for their poisonous trash.

These doctors don't want to cure you. They want you to take their dope as long as possible. They like to get several big fees from a victim before he learns their game.

Don't waste another dollar on doctors and drugs. Poisons won't cure. If it did you would be a well man now.

If you want to get well you must take something that builds health. Drugs never did and never will do that. You must help Nature cure by filling your nerves with Nature's Medicine—electricity.

Consider that your body is run by electric energy. Pain, sickness and diseases are caused by the breaking down of some part of your body machinery. The reason any organ fails to work properly is because it does not get enough electricity to keep it going.

Every healthy man has an abundance of electric energy. He is healthy because every vital organ gets plenty of the force that keeps it working properly. Just as soon as some organ fails to get enough electric energy that part breaks down, causing disease and various complications. Then the only way to restore health is to restore electricity where it is lacking. I have the only successful method of doing that. My Electro-Vigor fills your nerves and vitals with electric life while you sleep. It removes the cause of disease and builds up health.

It restores strength to weak men by restoring the power that creates strength.

Electro-Vigor is a dry cell body battery that generates a constant current of electricity. It is not an electric belt. It requires no charging. It does not shock or burn—all you feel is a gentle, soothing glow. I have perfected Electro-Vigor so that it conveys the current direct to the ailing part, so that the great force of current goes where it is needed and none is wasted.

My system of treatment includes special directions for the use of Electro-Vigor in each particular case.

I give full instructions for diet and exercise, and advise you free of charge until cured.

By my method you can be cured without the loss of an hour from your regular work.

* * *

I feel 100 per cent better since using Electro-Vigor. I have no more rheumatism, no headache or stomach trouble. I cannot give your treatment too much praise for having saved me from a general collapse.

Meacham, Or. A. F. BOYNE.

* * *

I have used Electro-Vigor about 40 days and I am well pleased with its work. I have ceased using medicine entirely, have gained in weight and feel like a new man.

Durkee, Baker Co., Or. B. PRESCOTT.

MEN, IT'S FREE

Cut out this coupon and mail it to me for my free, 100-page book, which explains all about Electro-Vigor, my methods, and cost of treatment. This book is beautifully illustrated and tells in plain language many things you want to know and should know. I'll send it, free, sealed, if you will mail me this coupon.

S.S.S. BEST TREATMENT FOR CATARRH

The entire inner portion of our bodies is covered with a soft, delicate lining called mucous membrane; this is kept in healthy condition by the nourishment and vital vigor it receives from the blood. So long as the circulation remains pure this membrane will be healthy, but when the blood becomes infected with catarrhal impurities and poisons this inner lining of the body becomes irritated and diseased, and the unpleasant and serious symptoms of Catarrh commence. There is a tight, stuffy feeling in the nose, watery eyes, buzzing noises in the ears, often slight deafness, difficult breathing, etc. The disease cannot be reached by external treatment, though such measures afford temporary relief in some instances. S. S. S. cures Catarrh by cleansing the blood of all impurities and poisons. Then as rich, pure blood circulates through the body, the inflamed, irritated membranes heal, the discharge ceases, headaches are relieved and every symptom disappears. Catarrh, being a disease in which the entire blood circulation is affected, can only be cured by a remedy that goes to the very bottom and removes every particle of the impurity from the blood, and this is just what S. S. S. does. Book on Catarrh and any medical advice free to all who write.
