SIDELINE STORIES OF GREAT NORTHWEST

EUGENE-SPRINGFIELD LINE

Work Will Be Resumed on Interurban Road.

(Special Dispatch to The Journal.)

Eugene, Or., Oct. 29.—Some of the materials used in the construction of the local streetcar line and the Eugene-Springfield trolley line are being shipped to Albany today to be used there in the construction of the Portland, Eugene & Eastern Railway company's streetcar line. A. Welch, manager of the company, was here looking after the shipment of the tools. He stated while here that work on the Eugene-Springfield line, which has been at a standstill for several weeks, will be resumed in two weeks if the weather does not interfere. The track is graded all the way to Springfield and a large amount of trestle work has been built along the bottom, but the rails have been laid only about half way between the two cities. Welch says the company has plenty of rails in Portland and enough to complete the line will be shipped here at once.

AUGURS BRYAN VICTORY

Commissioner Hill Makes Significant Discovery.

(Special Dispatch to The Journal.)

Hood River, Or., Oct. 29.—County Commissioner M. M. Hill, one of Hood River's staunch Democrats, and who owns one of the finest orchards in the valley, got into communication with County Judge Andrew Jackson Derby today by telephone and informed him that he is sure that Bryan will be elected, on account of the fact that a number of Spitzenberg apples which he picked yesterday have plainly defined on their skin, "B, 1908." Mr. Hill says that he believes coming events cast their shadows before and that the characters on the apples are a message of cheer to the faithful.

WASCO REPUBLICANS MEET

Hon. R. R. Butler of Condon Speaks at The Dalles.

(Special Dispatch to The Journal.)

The Dalles, Oct. 29.—The Republican party of Wasco county fired its first gun Tuesday night, when Hon. R. R. Butler of Condon spoke to a fair sized audience at the Vogt theatre.

It is noticed that there are more Bryan Republicans in this county than ever before, and the Democrats count on reducing the Republican vote in this heretofore exceedingly strong Republican county. Judge Thomas O'Day of Portland will speak on the political issues of the day from a Democratic standpoint at the Vogt theatre Monday night.

THREE BEARS KILLED

Dog Trees Them and Owner's Family Does Shooting.

(Special Dispatch to The Journal.)

Olympia, Wash., Oct. 29.—The killing of three grown bears out of one tree was the record made yesterday at Hunters Point, near this city. The bears were treed by a shepherd dog, about 200 yards from the residence of A. A. Hunter. The family took turns shooting at them. The first was killed by Mr. Hunter, the second by his wife and the third was wounded by Miss Georgia Hunter and then killed by J. H. Dammels.

THOUSANDS ON ELECTION

$1,000 Against $500 on Taft Is Made at Salem.

(Salem Bureau of The Journal.)

Salem, Oct. 29.—Several thousand dollars have been wagered on the outcome of the presidential election in this city. One bet of even money was made yesterday between prominent citizens, $500 being the stake. Captain Jack Peterson offered $1,000 against $500 on Taft and was taken immediately. Smaller bets have been numerous on the general result, as well as on majorities and pluralities in Oregon and other states.

$130,000 IN BUILDINGS

Many Modern Structures Are Rising in North Yakima.

(Special Dispatch to The Journal.)

North Yakima, Wash., Oct. 29.—New buildings projected for North Yakima will cost in the neighborhood of $130,000. The Garrett Brothers' Brick company will build 12 new bungalows at a cost of $1,500 each, and several other homes are being planned, all of which are to be erected within the next six months. In addition, a large combination office and theatre building is to be erected. It will cost about $100,000.

IMPROVEMENTS AT HAINES

O. R. & N. Will Increase Its Livestock Facilities.

(Salem Bureau of The Journal.)

Salem, Oct. 29.—The railroad commission has been informed that the Oregon Railroad & Navigation company will increase facilities for handling livestock at Haines. It is believed that after the contemplated improvements are completed there will be no further complaint from shippers in that vicinity.

ANNUAL FAIR SATURDAY

Famed Nehalem Valley's Products to Be Exhibited.

(Special Dispatch to The Journal.)

Mist, Or., Oct. 29.—Natal grange No. 302 will hold its annual fair Saturday, October 31. A good exhibit of Nehalem valley products will be displayed at the grange hall. It is expected to have a better and larger show than last year's, which was a decided success.

SUNNYSIDE ELEVEN SCORES ON WOODLAWN

Sunnyside grammar school had an easy time of it with the Woodlawn youngsters yesterday, winning by 25 to 0. Fifteen pounds in weight in favor of the Sunnyside team aided materially in defeating Woodlawn.

V. Shipley was the best ground gainer of the day, while Milne, the Woodlawn quarterback, was one of the bright lights of the game. The lineup:

New Source for Print Paper.

The cotton belt of the south feels cheered over the statement that the attempt to make paper from the worthless cotton stalk, which is now burned for riddance, will be found to have even a small value as a base for paper. One season's cotton crop in the South is said to yield from 12,000,000 to 15,000,000 tons of cotton stalks, and, no matter what was obtained for them, it would be so much more revenue for the South as at present they are merely destroyed. Should the experiment prove successful, the handling of these stalks in future would give employment to many thousands of people.

SHIP APPLES EAST

Yakima Valley Products to Be Displayed in Ohio.

(Special Dispatch to The Journal.)

North Yakima, Wash., Oct. 29.—That the reputation of the Yakima red apples is spreading is shown by the fact that the Commercial club of this city has just been called upon to ship a number of boxes to Ohio, where they are wanted for display purposes. The request came from a man who owns a small ranch in the Yakima valley, but has no land to sell. He wants others in the east to have the same successful experience he has had, and thinks that a display of the fruit of this section will result in a number of others becoming interested in the irrigation projects of this valley and elsewhere in the west.

ALBANY'S ELECTRIC LINE

Construction Work May Start Soon on First Street.

(Special Dispatch to The Journal.)

Albany, Or., Oct. 29.—After a delay of many months and much wrangling A. Welch this morning began preparations for the construction of the First street electric line. Ties have been ordered distributed along the street and grade stakes are now being made. From all appearances Welch has given up his Second street franchise, and also the franchise recently granted him. He refused the latter on account of it being for a period of only 30 years. This forces Welch to give up his $5,000 forfeit bond to the city and work under the old Hirchberg franchise, which it is rumored he acquired for a sum of $8,000.

—MEN—

The Best Doctor at a Fair Price

Though My Experience Is Vastly Better, My Fees Are Really Less Than the Average Doctor Charges

DR TAYLOR, The Leading Specialist.

The value of experience depends not so much upon its volume as upon its quality. A thousand years of inaccurate practice would make no physician more proficient. Though my experience is considerable in quantity, its value lies in the fact that it is experience of the highest order—experience acquired through careful and conscientious practice, proven scientific by an unapproached record of permanent cures. I have for seventeen years been curing all diseases peculiar to men, and each one of these years has been crowded full of careful study and sound, good experience.

MY FEE IS ONLY $10 In Uncomplicated Cases

YOU PAY WHEN CURED

SPECIFIC BLOOD POISON.

No dangerous minerals to drive the virus to the interior, but harmless, blood-cleansing remedies that remove the last poisonous taint.

VARICOCELE.

Absolutely painless treatment that cures completely in one week. Investigate my method. It is the only thoroughly scientific treatment for this disease being employed.

FREE.

My colored charts, showing the male anatomy and affording an interesting study in men's diseases, will be given free upon application. In all my work I am thorough, painstaking, and careful to give just the right treatment required in each individual case. For 25 years I have been proving my ability and my business methods have always been strictly reliable. My treatment is as correct as modern science can make it. Others may offer inducements, such as cheap treatment or quick treatment, but my foremost claim is for thoroughness, which in the long run—IN EVERY CASE—means the cheapest and the best.

CONTRACTED DISORDERS.

You can depend upon a quick and thorough cure by my treatment. A quick cure is desirable, because a slow cure is apt to be no cure at all, and a chronic development will come later. I cure you beyond the possibility of a relapse, and in half the usual time required.

REFLEX AILMENTS.

Often the condition appearing to be the chief disorder is only a reflex ailment resulting from some other disease. Weakness sometimes comes from varicocele or stricture; skin and bone diseases result from blood poison taint, and physical and mental decline follow long-standing functional disorder. My long experience in treating men enables me to determine the exact conditions that exist and to treat accordingly, thus removing every damaging cause and its effects.

WEATHER REPORT

Southeast storm warnings were ordered displayed at all stations in this district at 7:30 a. m. for a moderate disturbance which is approaching the Washington coast and which will cause high southeast shifting to southwest winds this afternoon and tonight.

Another disturbance of moderate energy is central at sea off the coast of the Carolinas, and a ridge of high pressure overlies the territory between the Rocky mountains and the Mississippi river.

Light rain has fallen in Washington and western Oregon, and light snow has occurred in Montana. In the eastern states moderately heavy rains have fallen from Maine to Florida. It is warmer in the north Pacific states and cooler in the Dakotas, Minnesota and the south Atlantic states.

The indications are for rain in this district tonight and Friday, with fresh southerly winds in the interior and fresh southerly gales along the coast.
