### SOMETHING NEW

It is true that the old adage says that "there is nothing new under the sun," but this cannot apply to our store, as it is full of new things all the time. New goods, new improvements, new sanitary measures, and we are adding new customers to our list every day, because they want the fresh, new articles of food we offer them. Whether it be Groceries, Meats or Vegetables, they come to us because they can get better goods for less money than anywhere else in the city. Come and let us prove our statements.

### Our Meat Department

Announce another one-day reduction sale. All meats, Beef, Pork, Lamb, Veal, Saturday only, 10¢ lb.—This sale needs no further introduction to those who participated in last Saturday's great meat sale, the largest in Portland's history. To those who did not participate in that great money-saving opportunity, we will state that for tomorrow only, we have reduced the price on all the meats in our meat department. These meats represent the same choice cuts that have built up our tremendous week-end sales. The only difference tomorrow is the price per pound. Our willingness to sacrifice present profits is in order to build up a great market business.
