O'CONNELL WILL TEACH "AGGIES" WINGED M PLAYS DALLESE ELEVEN

Corvallis College to Form Intercollegiate Wrestling Union of Northwest. With the employment of E. J. O'Connell of the Multnomah club as wrestling instructor of the Oregon Agricultural college, that institution has taken the first step toward the tournament one day each week. Several days Physical Director Angell of the Oregon Agricultural college has been endeavoring to secure the services of the crack grappling mentor, but the new instructor only yesterday, when the club directors gave permission for him to coach the collegians one day each week. Professor Angell has been working assiduously for the formation of an intercollegiate wrestling league and when he was in Seattle the other day took the matter up with the University of Washington authorities. They are in customary for the eastern college has supported wrestling in a small way but is adverse to wrestling with clubs entirely and the sport has never thrived as it should.

Local Lineup. The first lineup of the "winged M" team will contain Carlson at center, Walker and Oswald at tackles, Piking and Knudson at ends, Boyer and Litt at quarter, Smith and Roy at half and Sud James at fullback. This first lineup will give the local clubmen an average weight of nearly 150 pounds. The Dalles men will weigh an average of 170 pounds, but expect to make up for weight deficiency by their unusual speed. Frank Lonergan and Alton B. Coates is well known as the former west record holder in the hurdles.

MUSIC OF MONSTER BAND FOR FOOTBALL

(Special Dispatch to The Journal.) State College, Pullman, Wash., Oct. 30.—That an immense band carnival, which will bring between two and three hundred band musicians from many towns of eastern Washington will be held in Pullman in conjunction with the big football game between W. S. C. and the University of Idaho, is now fairly certain. The management of the Pullman city band now has the proposed band carnival under discussion and from the favorable communications that the football players have received, it seems that the football players will play to the music of a band of between 200 and 300 musicians. The date of the game is November 14. The work of training athletes for W. S. C. has been under way for some time, and is now in progress under the supervision of Physical Director J. F. Bohler. On the date of the Idaho game, a cross-country run will be held with the Idaho institution. This is considered as a preliminary event leading up to the more strenuous doings of the season's track schedule of each institution.

CHEMAWA CHANGES LINEUP FOR ALBANY

(Special Dispatch to The Journal.) Chemawa, Or., Oct. 30.—The Indian team which is lined up against Albany college this afternoon has most of its members shifted to some other position by Coach Fleming, greatly strengthening the line. Mason is shifted from guard to half-back; Sortor from tackle to full; Graham from end to halfback; Souther going in at quarter; Larsen from quarter to end; Smith from center to tackle; Minnister going in at center; Majors remaining at guard and Burke at tackle; Hillstrom from guard to tackle, while Wiley remains at guard. The week has been devoted to straight football and the team is in much better shape than when it lined up against the Oregon second last Saturday. Souvenir is expected to help out in boosting the spheroid toward Albany's goal.

OREGON SECOND TEAM EXPECTS TO WIN GAME

(Special Dispatch to The Journal.) University of Oregon, Eugene, Oct. 30.—The second varsity eleven is in excellent condition for its game with Multnomah seconds tomorrow. Coach Arnsperger has had them at work all week, putting on the finishing touches and little doubt is expressed but that they will easily defeat the clubmen. The team will be practically the same as the one which held the heavy Chemawa team down to a 5 to 9 score last Saturday. Those who will play are: Ends, Hickson and Lewis; tackles, McDaniel and Mackley; guards, Finshart and Harding; center, Wedland; quarter, Kestly; halves, C. Halloy and Hawkins; full, Sullivan.

Clubmen Who Play in Eugene. The Multnomah second team will leave tonight at 7:45 o'clock for Eugene, where they are scheduled to play the University of Oregon second team. Both teams are in good condition and a good game is expected. The club boys were out in full force last night and went through two hours of stiff practice for the last time before meeting the students at Eugene. Both teams are confident of victory. Multnomah lines up as follows: Meyer, left half; Tucker, Thomas, left tackle; Honeyman, left guard; Gault, center; Stone, right guard; E. Jeffrey, right tackle; Whiting, right end; O. J. Jones, full; Thorne, Gleason, right half.

BOER UNHOLZ BACON FOR "CYC" THOMPSON

(United Press Leased Wire.) San Francisco, Oct. 30.—"Cyclone" Thompson is looking for new laurels today after whipping "Boer" Unholz to a standstill in 11 rounds last night. The police stopped the mill, which had resolved itself into a game of stand up and knockdown, with Unholz going to the mat with astonishing regularity. Unholz was knocked down three times just as the gong sounded at the end of the round, the last time shooting clear out of the ring and into the newspaper men around the ringside. The Boer claims that his right arm was injured in the third round, but he had no more use of it. He did not use it after the third and showed a willingness to quit that disappointed the fans. Thompson is criticized today for his failure to finish his man sooner. He lacks quality and the fans here say that his willingness to take punishment was the only redeeming feature of his exhibition last night. Even at that, Unholz is pitifully unable to give any punishment. The preliminary go between Johnny Murphy and Lew Fowler was the redeeming feature of the show. They fought 21 rounds to a draw.

TRACK AND BASKETBALL MEN NAMED AT PACIFIC

(Special Dispatch to The Journal.) Pacific University, Forest Grove, Or., Oct. 30.—At a meeting of the student body yesterday, H. L. McKay was unanimously elected manager of track athletics for the coming year. Amos H. Witham was elected manager of basketball. McKay is a sophomore affiliated with all student activities and his election is the cause of much rejoicing. He will begin to concern himself with matters with Oregon colleges and, if possible, will take a trip over into Washington. Nearly all the old track men are back for the coming year. Amos H. Witham will train the team again this season, and a successful year generally is expected. Witham is an old basketball man, who has been one of the standbys for several years. As soon as football is over, basketball playing will begin that. There are several new men in school that look good for the game, and competition for places will be keen. Multnomah Against Rangers. The Multnomah club soccer team will meet the newly organized Rangers at 11 o'clock tomorrow afternoon on the league grounds. The Rangers will be captained by Quarterman. The Multnomah team has been in excellent condition during the season but the Rangers feel sure of rounding them up tomorrow afternoon. Electrically heated plates, operated by levers, are the principal feature in a new clothes pressing device.

NOTRE DAME CONTEST DEPENDS ON STUDENTS

(Special Dispatch to The Journal.) State College, Pullman, Wash., Oct. 30.—Notre Dame university of Indiana and Washington State college are now negotiating terms for a big football game between the eastern and the western institution which will be played in Spokane, the date yet to be settled. The negotiations have not progressed far enough to render safe a positive statement that the game will be played. But the football management of each institution has expressed itself as favorable to the game. The faculty of the State college will consent to the game being played on condition that it will not break into the northwest schedule abruptly, or detract too much from the classwork of the players. The Notre Dame game makes two big gridiron battles which W. S. C. now has in prospect with eastern schools. The other game is the one with the University of St. Louis, to be played in St. Louis as a return for the game that was played by W. S. C. and St. Louis in Spokane last year, in which the Missourians were defeated, 11 to 9. Whether or not W. S. C. can meet both Notre Dame and St. Louis, without overloading the schedule is a question that is now being threshed out by the local faculty and student authorities on athletics. If arrangements for the two games can be made such as will not interfere too much with the student duties of the players, both game will be played.
