EXHIBITS FOR A.-Y.-P.

Hood River Will Be Well Represented at Big Show.

(Special Dispatch to The Journal.)

Hood River, Or., Oct. 30.—W. H. Wehrung, president, and M. W. Wisdom, secretary, of the Oregon commission of the Alaska-Yukon-Pacific exposition, were here today and addressed a meeting of the Hood River Commercial club directors, who have decided to place a county exhibit of 200 boxes of apples at the Seattle fair. This is in addition to 600 boxes of Hood River fruit which the commission purchased for the state exhibit.

The county exhibit will be made by the county court and the local commercial club jointly and will consist of the finest apples that can be obtained in the valley. These will be selected at once and sent to the commission, which will place them in cold storage at the plant which they have erected on the exposition grounds at Seattle. It is the intention to handle the fruit so as to have a permanent Hood River county exhibit at the fair during the entire time it is open, as the fruit that will be put in cold storage now will be supplemented with a shipment of apples as soon as they are in condition next fall. The county display calls for an exhibit of 20 boxes and 50 plates, which will be kept replenished from the stock in cold storage.

TEACHERS IN SESSION

Yamhill County Institute Convenes at McMinnville.

(Special Dispatch to The Journal.)

McMinnville, Or., Oct. 30.—The annual Yamhill County Teachers' institute opened Wednesday at the Columbus school with an attendance of 250 teachers. Superintendent Belt of this county has prepared an excellent program and secured an excellent corps of instructors.

The instructors are Superintendent Ackerman, E. D. Ressler, president Monmouth State Normal school; Miss Cornelia Marion, state library commission; J. M. Powers, superintendent Salem schools; Miss Ida Smith and Miss Ruby Reese, McMinnville schools; W. R. Rutherford, Tillamook schools; M. F. Hanville, Sheridan schools; W. W. Wiley, Newberg schools; Dr. C. L. Williams, McMinnville.

Yesterday's program consisted in the presentation of "Class Management" by J. M. Powers, "The Secret of Success," by President Ressler, and an address by W. R. Rutherford. The remainder of the program was section work and was composed of practical demonstrations.

Last night the local teachers tendered the visitors a reception at the Christian church.

BUSINESS NOT SUFFICIENT.

Cove Orchard Not Entitled to Depot, Says O'Brien.

(Salem Bureau of The Journal.)

Salem, Or., Oct. 30.—General Manager J. P. O'Brien says the traffic from Cove Orchard is not sufficient to warrant the construction of a depot at that point such as the people demand. He says the receipts from the passenger traffic to and from Cove Orchard averages about $50 a month and freight business about $25 each month. Furthermore, he says there is a depot at North Yamhill, two miles south, and one at Tualatin, a mile or so north. He declares the number of stops now made on the west side division is far above the number on any other line in Oregon and if the people continue to petition for a station every mile up the west side and then want depots at every station, the railroad company will be compelled to cut out some of the stopping places and discontinue the street car service on the west side, which is maintained solely for the convenience of the patrons of the road.

HOOD RIVER'S INCREASE.

New County Shows 50 Per Cent Increase Since 1900.

(Special Dispatch to The Journal.)

Hood River, Or., Oct. 30.—The large registration of voters at Hood River has caused several local statisticians to get busy. It is stated by them that the population in the territory now embraced by the new county has increased almost 50 per cent since the census of 1900. At that time the census fixures showed that it had a population of about 5,000 people. The figures are now said to be close to 10,000. Of these, over 8,000 are in Hood River valley and city. Estimates made from the registration show that 6,000 are in East, West, Center and South, Hood River precincts, the rest being in the upper valley, which has had a big growth, and at Cascade Locks and the west end of the county. The number of school children here is the largest in proportion to the population of any section of the state.

SOLE WITNESS VANISHES

Mystery Surrounds Disappearance of Eva Woolf, Tillamook.

(Special Dispatch to The Journal.)

Tillamook, Or., Oct. 30.—Just a week to the time when she was to have been called before the grand jury to testify against her father, Eva Woolf, a high school student of this place, has disappeared. Her father, William Woolf, has been confined in jail in default of $5,000 bond, charged with a serious state crime. The daughter was the sole witness for the prosecution. Unless she is found it is not believed that the state will be able to secure a conviction. The girl's mother refuses to make a statement regarding the disappearance.

Woolf first achieved notoriety in this section July 4, when he flaunted a red flag over the stars and stripes. For this offense he was also arrested and is awaiting trial in the circuit court under bond of $500, making his total bond $5,500.

DEDICATE NEW ACADEMY.

Addition to Albany Institution Ready for Pupils.

(Special Dispatch to The Journal.)

Albany, Or., Oct. 30.—Sunday afternoon the new academy of Our Lady of Perpetual Help of this city will be dedicated. Archbishop Christie of Portland will conduct the services. He will be assisted by Father Eane of the Albany parish and several visiting clergy. After the religious ceremony a literary program will be rendered in the auditorium.

The new structure is one of the finest in the state for school purposes, and possesses first-class accommodation for resident students. The academy is under the management of the Benedictine Sisters, and so successful has it been during the past 15 years that the old building was found to be inadequate to accommodate the influx of students.

SUES LAND BOARD

W. J. Pinney Seeks to Recover Deed to 920 Acres.

(Salem Bureau of The Journal.)

Salem, Or., Oct. 30.—W. J. Pinney, has brought suit against the state land board in the circuit court of Marion county for the recovery of a deed to 920 acres of school land for which he holds certificates declared by the board to be fraudulent. The land was purchased by Mr. Pinney and others since 1901, all the certificates now being held by Mr. Pinney by assignment.

The state land board consists of State Treasurer Steele, Secretary of State Frank Benson and Governor Chamberlain. In his complaint, Mr. Pinney declares the board has refused to accept payments on the land, has cancelled the certificates and is about to resell the tracts. Mr. Pinney asks for an injunction restraining the land board from taking this action.

GRAZED BY DEATH.

Otto Anderson Narrowly Escapes Being Crushed by Logs.

(Special Dispatch to The Journal.)

The Dalles, Or., Oct. 30.—Otto Anderson and Roy Taylor of Dry Hollow, near this city, were hauling logs from the hills, about 12 miles from their home, when Anderson's wagon upset, throwing him beyond danger of being crushed by the logs, but rendering him unconscious. Both horses were pinioned to the ground by the wagon wheels, but were not injured.

It was dark when the accident occurred and Taylor, who was driving another team, could not find his companion for some time. He finally located him by the aid of a shepherd dog. He was conveyed to his home and it was several hours before he recovered consciousness.

$3,600 FOR STALLION.

Farmers Near Junction City Buy Imported Animal.

(Special Dispatch to The Journal.)

Junction City, Or., Oct. 30.—Daunesmil, four years old, weighing 2,240 pounds, was sold for $3,600 by C. W. Bowers, representing J. Crouch & Son of Sacrameto, Cal., to prominent farmers of this section. This stallion was imported from France early this spring. It won first prize at the state fair at Sacramento this fall. The buyers of the horse are as follows: M. L. Barnett, J. L. Caton, O. E. Trout, W. H. Evans, George Humphrey & Sons, Robert Kyle, R. H. Hewitt and Charles Campbell.

PASTOR'S CONDITION CRITICAL

Rev. M. E. Boulton Stricken With Hemorrhage of Stomach.

(Special Dispatch to The Journal.)

The Dalles, Or., Oct. 30.—Rev. M. E. Boulton, pastor of the Zion's Lutheran church in this city and well known in Lutheran church circles throughout the state, was stricken with hemorrhage of the stomach Tuesday morning. He was removed to a local sanatorium, but his physicians give no hope of his surviving.

S.S.S. FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which gradually gets into the circulation because of indigestion, constipation, weak kidney action, and other irregularities of the system which are sometimes considered of no importance. This uric acid causes an inflamed and irritated condition of the blood, and the circulation instead of nourishing the different portions of the body, continually deposits into the nerves, muscles, tissues and joints, the irritating, pain-producing acid with which it is filled. Rheumatism can only be cured by a thorough cleansing of the blood, and this is just what S. S. S. does. It goes down into the circulation, and by neutralizing the uric acid and driving it from the blood, effectually and surely removes the cause. S. S. S. strengthens and invigorates the blood so that instead of a weak, sour stream, causing pain and agony thoughout the system, it becomes an invigorating, nourishing fluid, furnishing health and vigor to every part of the body and relieving the suffering caused by this disease. S. S. S. being a purely vegetable blood purifier, is the surest and safest cure for Rheumatism in any of its forms. Book on Rheumatism and any medical advice desired sent free to all who write.

MEN'S DISEASES
ALL ARE CURABLE

There's no drawing the line between curable and incurable diseases. Each individual case must be considered. Most doctors claim that among that class of diseases peculiar to men one or two are incurable. This idea is wrong. I have demonstrated that it is wrong, for I cure all diseases of men. The truth is, that some cases of curable diseases are incurable, and some cases of so-called incurable diseases are easily curable by the right methods. I by no means claim the ability to cure any and every case that may come to my office, but I claim to cure most of the cases that others cannot cure, and I always refuse treatment where conditions indicate that I will be unable to obtain thorough and lasting results.

WEATHER REPORT

The north Pacific storm is now central over British Columbia. It has caused general rains in Washington, Oregon and northern California, but the winds, as yet, have not been severe, the highest velocities so far reported being 52 miles south at Tatoosh Island and 46 miles southeast at North Head. The Carolina storm has moved north to the New England coast; it has caused general rains in the north Atlantic states and snow in upper Michigan. A high pressure area is central over the Dakotas. The temperatures are above normal in the north Pacific states and also in New England and the middle Atlantic states, but over the central and southern portions of the country it is cooler than usual, with the departures from normal most marked in the south Atlantic and east Gulf states.

The indications are for occasional rain in this district tonight and Saturday, with fresh southerly winds in the interior and with a moderate to fresh westerly gale along the coast. It will be cooler tonight in Oregon and in the interior of western Washington.
