It is asserted that Bryan will run ahead of Chamberlain 1908. For purposes of comparison the vote given Chamberlain and Cake, at the June election is given here by precincts:

PITS END TO WITNESS FEE GRAFT OF POLICE

Chief Gritmacher has officially put an end to the practice members of the police department have made of receiving witness fees in criminal cases. The question was supposed to have been decided a year ago, but at the Martin murdered trial it developed that two detectives had received fees for appearing on the stand in addition to mileage. Further examination of the county records showed that nearly every police detective and several patrolmen as well, had received witness fees at different times recently.

The money received in this way is being turned over to the police and firemen's relief fund and hereafter any member of the department will accept a witness fee at the peril of losing his star. The chief's order reads as follows: "You will call attention of all officers connected with the police department again to charter provision section 185 and rule 10 of the police manual, which distinctly forbids the accepting of, for himself or for his own use, any gift, reward, fee or emolument by any member of the police department except with the consent of the executive board and the chief of police. Any further violations of these provisions by any member of this department will be met with charges before the police committee and recommendations for punishment."

FAMILY CASTS 19 VOTES FOR BRYAN

Nineteen votes in one family were cast for William J. Bryan at Grants Pass today. W. H. Pattilo, a member of this large family, says that the Combs family has an ear for the humble people as well as the rich, and is deserving of the vote of any American citizen. Mr. Pattilo, who is a bookkeeper, asked Mr. Bryan to deliver a speech in Grants Pass while on his western trip. This Mr. Bryan did before a large audience.

A New Departure

The cost of interments has been greatly reduced by the Holman Undertaking company. Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When called to furnish a box of any services that may be required of us, except clothing, caskets and carriages, thus effecting a saving of \$25 to \$75 on each funeral.
