OREGON FEELING READY FOR O. A. C.

Men in Splendid Shape for Whitworth Game Saturday—Second's Work.

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Nov. 3.—The varsity team, which returned Sunday night from Moscow, is in splendid shape, considering the hard game they played, but Coach Forbes let them rest yesterday, owing to the hard condition of the field, and only put them through signal practice.

The team was met at the train by a large crowd of students and given an ovation.

The defeat of Idaho has raised Oregon's hopes and expectations to the highest pitch, and the general opinion about the campus is that the Lemon Yellow will again take her position as champion of the northwest.

Comment Varied.

Comment on the work of the team is varied, but all feel that Oregon has a right to feel better satisfied than two years ago, as this year's team is practically new. Coach Forbes also comes in for a large share of praise. He has been very popular ever since the season opened, but now nothing is too good for him.

When Oregon goes to Portland on the twenty-first, the enthusiasm of the varsity supporters will be boundless. No word is heard which sounds like defeat, as all feel confident of Oregon's ability to win over Corvallis and wipe out last year's failure.

The work of the second varsity is also favorably commented on, and it is probable that several of its best players will be given a chance on the varsity. Among these is Captain Halley, whose playing Saturday has made a good many feel that were he given a tryout he would easily make good. Under Beadek, Halley substituted on the varsity, taking "Weary" Chandler's place at end in the last half of the 1906 Multnomah game. Last year he was out of condition, but this year he is in splendid shape.

Portland Boys Tried.

Hickson, Lewis and Hawkins of Portland High and Kestley of last year's reserves are also being tried out. Assistant Coach Arnspiger has done splendid work with the second team and there seems no doubt but that it is the best in its class in the northwest.

Assistant Manager Whittlesey is making arrangements for a game for them with the Corvallis second team as a preliminary, either for the game with Whitworth next Saturday or for the Washington game the Saturday following.

VARSITY COMPOSERS LOAFING ON THE JOB

(Special Dispatch to The Journal.)

University of Oregon, Eugene, Nov. 3.—In the football song and yell contest which has been going on for several weeks, the prize for the best song was divided between two compositors, one written by Merle Chessman and Ralph Cronise in collaboration, and the other by Arthur Van Dusen. No award was made in the yell contest, owing to the poor quality of those presented.

The prizes were of $10 each, the money having been subscribed by members of the student body. The judges were Professor Glen, Virgil Cooper and Yell Leader Carey Loosely. The prize will be presented at the "student hour" meeting next Wednesday.

While the university has some excellent yells and songs, it had been hoped that several good new ones would be composed in order to provide greater variety.

OLD TIME TURFMEN TO RACE AT ARCADIA

(United Press Leased Wire.)

Los Angeles, Nov. 3.—Some of the oldtime Ascot and Santa Anita Park turfmen are going into the game stronger this year than ever before, having unlimited faith in California racing for the future.

E. J. Baldwin, president of the Los Angeles Racing association, will have no less than 40 thoroughbreds in training when the track opens. "Tommy" Griffin, who has the happy faculty of getting some grand two-year-olds to the post, is, from the appearance of some of his yearlings, better equipped than ever before in this respect, and has ten other horses besides.

Sam Hildreth, with 24, and W. J. Jennings, with 15, will also get their share of the purses, both in two-year-old and aged divisions.

"Dick" Carman, cumbered as he is with the reputation of being a millionaire, will have at least 30 good ones in training. "Barney" Schreiber, not to be outdone by "Lucky" Baldwin, or any one else, will also have 40 in his establishment.

There will be many new faces seen at Santa Anita Park when the bugle sounds for the first time, November 26, and few of last year's regulars will be missing. If there is one thing that attests more eloquently than words, not only that Los Angeles has a wonderful attraction for those who have to spend a winter there, but also is a real magnet as a racing center, it is the regularity with which those who have raced there come back the following season.

The best "boosters" for the Los Angeles Racing association are these very men who have been there before, for they hardly ever fail to convince some fellow-turfman that this is the only place in the country in which to train and run horses in the winter.

STEPHENS ELEVEN BEATS IRVINGTON

Stephens school moved a notch nearer the grammar championship yesterday when they defeated Irvington 5 to 0. The game was played on Portland field, East Twelfth and Davis, before a large crowd of enthusiasts from the two schools. Stephens had the better of the argument throughout the first half, but after scoring its one touchdown in this half was unable to gain on the Irvington team. Throughout the second half the ball was in Stephens' territory and only hard fighting on the part of the Stephens team saved a score.

The stars were Morrow, Rutherford and Elliott of the Stephens school and the two Kirklands and Mangins for Irvington. The lineup was as follows:

Stephens.		Irvington.
Ruffner	L. E.	McClung
Livington	L. T.	Stemler

BRITT EARNS DECISION OVER JOHNNY SUMMERS

London, England, Nov. 3.—It took Jimmy Britt, the American lightweight, 10 rounds to win on points from Johnny Summers of England at Wonderland last night. For two rounds Summers had Britt at a disadvantage, but the Yankee rallied and came back stronger than ever. Summers showed up splendidly and a large portion of the crowd thought he earned a draw. Britt was roundly hooted when he left the ring.

Highlands Open Season.

The Highland football team opened the season by defeating the Brooklyn team in a well contested game, 5 to 0. The Highland team was handicapped by lack of practice and team work but made up for it in the way of grit. The Highland team had the ball in Brooklyn's territory most of the time but was unable to score.

The Highland team averages 125 pounds and any team of that weight can have Sunday morning games by calling up John Miller at East 3956 after 6:30 p. m. The line-up for the Highland team Sunday was: Miller, full; Brill, left half; Craig, right half; Schnell, center; Sauer, right guard; Maghues, right tackle; Pembroke, right end; Lasher, left guard; Adams, left tackle; Piercen, left end; Norby, quarter.

WASHOUGAL WANTS BASKETBALL LEAGUE

(Special Dispatch to The Journal.)

Washougal, Wash., Nov. 3.—Washougal's girls' basketball team defeated the girls' basketball team from Stevenson here Saturday, 15 to 14, in a most exciting game. It was anybody's game until the last point was made. Rivalry was intense, as Stevenson had two weeks previously beaten Washougal 24 to 22.

As a result of the interest created by the two games it is expected that a circuit will be formed of girls' teams, representing Vancouver, Camas, Washougal, Stevenson and other North Bank towns.

The line-up of the game was as follows:

Washougal.	Position.	Stevenson.
M. Nagel	F.	Sweeney
Good	F.	Christian
B. Webber, C.	C.	Foster
R. Webber	G.	Locy, C.

ROOSEVELT TO HUNT B'ARS IN TENNESSEE

(United Press Leased Wire.)

Washington, Nov. 3.—Having learned the intention of President Roosevelt to hunt big bear in the Tennessee mountains, scores of hunters are applying for the privilege of accompanying him. The president has been hurrying his work on the annual message to congress in order to take the planned vacation, but has not announced who will be his companions on the trip.

Friends of Roosevelt in Tennessee have promised him good hunting near Knoxville and predicted that he will have an opportunity to shoot bears larger than those found in Louisiana.

Golfers at Atlantic City.

Atlantic City, N. J., Nov. 3.—Many prominent golf players are here to take part in the annual fall tournament of the Atlantic City Golf club. The tournament will have its opening tomorrow and will continue until the end of the week.

CURE IT IN ONE DAY

Coughs and Colds Disappear Like Magic When Hyomei Is Used.

If the thousands of people who suffer from hacking coughs and agonizing colds would arouse themselves sufficiently to follow this advice, they would cease to complain within 24 hours.

Here is the advice, if you take it and you are afterwards sorry that you did, it won't cost you a penny:

Go to Woodard, Clarke & Co., the druggists, and purchase from them a Hyomei (pronounced High-o-mee) outfit. It will only cost you $1. Take it home; use it according to directions, and if it does not cure your cough or cold, take it back and Woodard, Clarke & Co. will refund the purchase price.

When you use Hyomei you don't swallow nauseating drugs. You simply breathe in the soothing, pleasant and antiseptic Hyomei air through the little pocket inhaler that comes with each outfit. As this medicated air passes over the inflamed parts, relief comes almost at once, and cure follows.

Mary E. Bennett, Peru, Ind., writes: "I cannot speak too much in praise of your Hyomei treatment for catarrh. I have been using your remedy for about two weeks and I have found more relief in that than anything that I have ever tried. I have spent dollar after dollar getting medicine of the doctor for a troublesome cough which I had, and have tried all kinds of cough syrups and cough tablets and Hyomei is the only remedy that reached the spot. I had given up in despair, but I feel so much better now that I feel as though I have a new lease on my life."

Hyomei is also guaranteed by Woodard Clarke & Co. to cure catarrh, croup, grip and asthma, and all diseases of the nose and throat.

WEST SIDE AND CADETS WILL MEET TOMORROW

At 3:15 tomorrow afternoon on Multnomah field, Hill Military academy and West Side High school will line up for the game which will probably determine the city interscholastic championship. Both teams are in fine shape for their annual struggle and should the present good weather continue a game fully as interesting as the game of last week between East and West Side should result.

The teams will probably line up as follows:

West Side.		Hill.
Dabney	R. E.	Prehn
Smith (c)	R. T.	Ford
Arnold	R. G.	Jamison
Gerspach	C.	Caruthers
Cochran	L. G.	R. W. Graham (c)
Ross	L. T.	S. Graham
Ludlam	L. E.	Wurzweiler
Vosper	Q. B.	Hughes
Gunnell	R. H. L.	Hill
Patterson	L. H. R.	Meier
Rader	F. B.	Donason

MULTNOMAH CLUB WILL DISCOURAGE COACHING

Multnomah clubmen will hereafter be discouraged from coaching interscholastic football teams for a monetary consideration, according to a resolution adopted by the directors at a recent meeting. Several valuable members of the club have been lost to its teams this fall by reason of coaching minor elevens.

The resolution adopted by the club follows:

"We recommend that the announcement be made publicly that the board of directors of the Multnomah Amateur Athletic club disapproves of the members of this club coaching or teaching athletics for money, and that all members who do this shall forever after be disqualified from representing the club in any public athletic contest or competition whatsoever."

Death Roll of the Northwest

Fred Newell.

(Special Dispatch to The Journal.)

Grants Pass, Or., Nov. 3.—The funeral of Fred Newell, 18 years of age, was held from the Presbyterian church this city, Sunday afternoon, Rev. Robert McLean officiating.

The young man's death was the result of an injury received in a sawmill near the city a few days ago. Newell was employed as "carriage tender," and while at work caught his foot between the log carriage and a heavy beam. The foot was badly crushed, and the young man was brought at once to this city, where medical aid was summoned. The physicians proposed to amputate the member, but the lad objected. Blood poisoning developed.

Newell was a very popular young man, and had a host of friends in Grants Pass and vicinity. He leaves a mother, three sisters and a brother.
