COLUMBIA WINS FROM EAST SIDE

Catholic Lads Completely Outclass Their Lighter Opponents.

Unable to gain a yard by straight football, and still more helpless when it came to breaking up the avalanche of plays hurled at them by their opponents, the Columbia university team, East Side high school was easily defeated yesterday 12 to 0. Columbia completely outclassed her opponents in all departments of the game, and the result was never in doubt.

East Side played miserable ball in comparison with the games it played against Portland academy and West Side high school. Whatever semblance of team work and fighting spirit the team had left in its attack was easily defeated by West Side High was taken out of it in the game at Seattle last Saturday when Broadway gave them the worst beating of their career. Yesterday the East Side team was but a remnant of what it once was, and was promised to be a crackerjack eleven.

Coch Moore has done wonders with the Columbia team since the game lost to Hill two weeks ago, and yesterday they played fine ball. Their interference was good, the outside kick and forward pass handled much better, and the work of Campbell and O'Brien, the ends, was superior to their showing in previous games. Although Jones was lucky enough to make several gains on kicks, Ennis outplayed him on the field, for the East Side 55 yards, while another from the center of the field went almost as far, but he made Ennis averaged about 40 yards on every kick.

Both in First Half.

Both of Columbia's scores came in the opening half, the first after four minutes of play, and the second near the close of the half. Walker kicked both goals, Ennis was merely responsive for the first touchdown. After two minutes of play he caught one of Jones' punts in the center of the field, and Campbell recovered the ball but Ennis could not gain. The Ennis made 15 yards on Jones' punt to the center of the field. Ennis and Walker in two downs made 40 yards, and the next play the little halfback made eight yards on a delayed pass. This old play was tried again on the next down, and Ennis went 19 yards for a touchdown.

An 18 yard return of a punt by Ennis later on the field was put into Ennis in a position to score. The play had been almost entirely in East Side territory, and usually in the hands of Campbell, who had made two touchdowns in the first half, but Ennis got away from the bunch and went clear to the 30-yard line before the end of the play, and Campbell made two yards on an end-around play, carrying the ball to the eight-yard line. Ennis then gave the ball, and made eight yards through the center of the East Side line for the one score touchdown.

The teams fought in the second half, Columbia being content with her score and usually punting on either the second or third down. The lineup:

- Columbia (12): E. S. H. (9), J. O'Brien, L. E. R., S. J. Billedeux, L. T. R., E. Leader, A. J. G., R. G. L., R. G. L., Kelleher, R. G. L., Flaherty, Dooley, R. T. L., Ed. Leader, Campbell, J. AGGIES MEETING OLD WILLAMETTE TODAY

Oregon Agricultural College, Corvallis, Nov. 7.—The Agricultural College and Senior football teams will play their deciding game for class honors, following which will be the O. A. C. Willamette game. The varsity, which is good shape for the contest, but as they have played no hard game yet, it is impossible to predict the score, although it is expected that O. A. C. will impose the game.

At Coach Norcross has a hard game for his proteges when they meet Whitman next Wednesday, he will doubtless put the regular varsity men into the game with Willamette in order to test their ability. No lineup has been issued, but the lineup will be in the game: Ends, Dobson, Cady, Brodie, tackles, Lookey, Wallace; center, Kelly; quarter, Gagnon; full-back, Wolf, Keck; half-backs, Hastings, Cooper, Emburg.

WASHINGTON'S BIG COLLEGES IN GAME

Seattle, Wash., Nov. 7.—Washington State college and University of Washington meet in football this afternoon in Seattle with honors apparently pretty even. Washington already has a record of defeating Whitman. Washington has a number of men on the sick list, but Enkans, who was barred from the Whitman game, will be in the line-up and his kicking should aid the varsity materially.

STANFORD ROGBY MEN MEETING VANCOUVER

(United Press Leased Wire.) Stanford University, Cal., Nov. 7.—The Stanford rugby team will be seen again today on the field facing the strong Vancouver team which defeated the Cardinal in the first game of the series last Wednesday.

The Cardinal men will endeavor to at least break even with the northwestern and during the last few days have been working with the intent to make their play faster and snappier. Since the Wednesday game the Stanford men have been given practice in passing and dribbling the ball, especially in the latter, where it was shown that they were much weaker than the northwestern.

The Stanford team will be strengthened by Crawford and Terrill, who have been out of the game owing to injuries. The Vancouver players are in good trim but McClelland and Bryant will be replaced by McKensie and Davis.

WILL GO UNSHAVEN IF STANFORD WINS FROM CALIFORNIA

(United Press Leased Wire.) Berkeley, Cal., Nov. 7.—The leading lights of the California campus are hastening today to sign a unique pledge to remain unshaven for a week if their football team goes down to defeat in the annual rugby football match with Stanford university next Saturday and the facial beauty of more than half the collegians may depend on the outcome of the game.

The California students adopted this unique way of showing their grief on the initiative of Ralph P. Merritt, private secretary to President Wheeler and manager of the student athletics. Besides Merritt and his fellow editors, the college papers, the football coaches and all the prominent men students of the university have signed the pledge. It is expected that before the book is closed, every male student in the university will have signed the pledge.

Seattle, Wash., Nov. 7.—Preliminary plans were formulated for the holding of the amateur athletic union championship games here in 1909 at a dinner given by Josiah Collins, chairman of the exposition committee on entertainment at the new Washington last night.

In order to get the games it will be necessary for the exposition to make provisions for grounds, tracks, accommodations, etc.

WHITMAN TAKES GAME FROM IDAHO

Two Touchdowns Spell Defeat for Gem State Athletes.

(Special Dispatch to The Journal.) Walla Walla, Wash., Nov. 7.—Playing the University of Idaho off her feet in two 20-minute halves, and defeating her by the score of 11 to 0, Whitman college yesterday afternoon won the first intercollegiate game she had to her record this year. Only once was the Missionary goal in danger and then a fumble by Idaho quickly nullified by the local team, lost them their chance to score. Whitman made one touchdown on a 60-yard run by Borleske, who caught an on-side kick. Belt made the other touchdown, being pushed over the goal from the one-yard line after a series of line tucks.

Whitman used the forward pass four times, successfully each time. Idaho worked the same number, but two failed. Only one was for a substantial gain. The game was mostly straight football, Whitman using many fancy formations which puzzled the visitors beyond solution. Idaho punted often, many times on the first down.

Idaho Kicks Off. Idaho kicked off first and the ball changed hands frequently until Whitman made an on-side kick, which was recovered by Borleske, who ran for 65 yards through a broken field to a touch-down. Belt kicked an easy goal. The ball was in Whitman's territory for the rest of the half, but no more scoring came. In the second half Whitman had all the better of it, and went straight down the field through Idaho's line for a touchdown, Belt carrying the ball over. He failed to kick, but for Whitman, Borleske, as usual, was the one bright stellar luminary. He played with deadly responsibility and vim and was in every play, encouraging his men and putting the ginger into the game which won for the Missionaries. Borleske, who has replaced Schmidt, a quarter, was a close second for honors and made some sensational runs in returning punts through broken fields. He got away for 45 yards with but one minute left to play and had the time been extended twice that length Whitman could hardly have failed to score again.

Both sides tried a place kick, Idaho from the 15-yard line but at a difficult angle, after that had been held by Whitman there. It failed and the ball was never returned into Whitman's territory. Whitman's line and Borleske tried the same play, Cushman falling by just a fraction to boot it over from the 40-yard line.

Whitman Played Great Game. But Whitman's team all through played a great game. Belt and Cushman, behind the line, played almost in unison with the line and Borleske, guard had all the best of it and Clemens, at center, played cool and true throughout the game. Borleske's single pass, Basset punted in fine shape. For Idaho, Montgomery, Small and Pauls played good games, but at no time had their opponents anything to fear. At end, showed up not to the best advantage. Idaho suffered from overconfidence and over-enthusiasm after their defeat, although they were outclassed in every respect.

The lineup follows: Whitman. Jewell (170), C. Clemens (167), Stokesbury (176), R. G. Matthews (175), Hays (175), R. T. Basset (169), Elton (175), L. T. Wilson (170), Norton (165), R. E. Oldright (155), Santore (165), E. E. W. Lawrence (155), Small (165), Q. Q. Brained (143), Montgomery (160), R. H. Borleske (155), Landrum (160), J. Cushman (145), Smith (180), Full, Belt (162).

OREGON "AGGIES" ARE EXCITED OVER WHITMAN VICTORY

(Special Dispatch to The Journal.) Oregon Agricultural College, Corvallis, Nov. 7.—The O. A. C. Whitman game, scheduled for next Wednesday, is attracting widespread interest in local athletic circles particularly in view of Idaho's defeat of the missionaries in yesterday's contest.

Today's game with Willamette will serve as a try-out for varsity squad and will prepare the men for a hard game Wednesday. Local business men will close their places of business on the afternoon of the Whitman game and a half holiday has been granted by the college faculty. At a meeting of the faculty yesterday the students petition for an extension of the Thanksgiving holidays was granted so that college work will be done for a week after the O. A. C.-Oregon game on November 21 in Portland.

DORANDO COMING TO MEET JOHNNY HAYES

New York, Nov. 7.—The lovers of athletic sports in this city may soon be given an opportunity to witness a contest for supremacy between John J. Hayes, winner of the Marathon race in the Olympic games at London last July, and Dorando Petri, the Italian runner who finished first in the great race but was disqualified because of being helped across the line.

Hayes, who is endeavoring to bring the two fast runners together, has received a cable dispatch stating that Dorando will sail for New York today. If Hayes can arrange his theatrical engagements the race will probably be held the latter part of this month in Madison Square garden. It will be over the same distance as the Marathon race, that is, 26 miles, 385 yards. If Hayes and Dorando meet it will be the real sporting sensation of the winter and undoubtedly will attract an enormous crowd. No athletic contest of modern times created such feeling as the finish of the Marathon race in London last summer. Hayes, who was leading by about four minutes, collapsed after entering the stadium. Half a mile or more before reaching the finish Dorando, it was said, received a drink of wine which caused his legs to give way under him. At any rate he was in a frightful state and sprawled on the track but the spectators in their excitement held him to his feet and he managed to crawl across the line. A protest was lodged by the Americans and Hayes got the race. A special prize was presented to Dorando by her majesty, Queen Alexandra.

CLUBS GET EVEN BREAK IN MEET

Frank and Neicken Bring Honors to Club in Seattle Engagement.

Multnomah and Seattle broke even in wrestling and boxing last night, Edgar Frank, the local boy, defeating Bert Kincaid of Seattle, and Henry Neicken getting a knockout over Billy Speck of Seattle. After a hard struggle during which he was compelled to use all the strategy he knew, Vic Venables of Seattle got straight falls over E. D. Smith, Cal Harris, another Seattle man, got a clean decision over C. C. Ralph in the 145-pound affair.

The most marked feature of the entire night was the noticeable improvement of the Multnomah club wrestlers. Frank was so much better than ever before that his visiting opponent never had a chance. A head scissor put Kincaid in the down and out club after nine minutes and 42 seconds of struggling had been pulled off. Neicken had desired but under instructions from instructor Nelson tried out a variety of shifts and holds on his worthy antagonist. Unknowningly Frank applied the scissors with a little more strength than was necessary and Kincaid's wind was stopped. He was so winded that he could not stand up more than a minute before the clever and aggressive Venables. Last night he gave the northwestern the battle of his life. Smith slid over of dangerous holds like an eagle and came back like a master of the art. His improvement was even more marked than that of Frank. He caused Venables no end of anxiety before he was finally put down. Venables secured the first fall in 8 minutes and 27 seconds, and the second in 7 minutes and 13 seconds. Neicken's lucky punch put the kibosh on Billy Speck. For couple of rounds the men were very evenly matched, but Speck allowed an opening in the second round which the club boxer was quick to take advantage of. He swung hard with his right, followed by an equally vicious left, which dazed the Seattleite. Speck, like a good boxer, tried to cover but Neicken rushed and both boys went down, with Neicken on top. He was up in 27 seconds and leaving Speck on the canvas. Speck rose to his knees awaiting the count of nine to stand when the club officials stopped the bout.

Harris was given the decision over Ralph for better all-round work. He took a lot of heavy blows but his general work was superior. The preliminaries between Fred Miller and Tom Burke and Willie Struck and Cliff Pregmeyer were generously applauded.

The Hawaiian Symphony Orchestra will open their engagement at the Perkins Grill for the first time in Portland, Nov. 8th.

TEN THOUSAND TROUT TAKEN FROM STREAMS

Husum, Wash., Nov. 7.—The season for landing big trout in the Big Klickitat and White Salmon rivers appears to be at its height, even at this late date. The finest string of large beauties caught this season in the Will Salmon river was exhibited a few days ago by Harry Mathews of Husum, the bunch of fish ranging from seven to ten pounds each.

It is estimated that at least 10,000 trout have been captured in the Big Klickitat this season by Goldendale sportsmen. One of the best of these was William Hale returned to that point with several hundred speckled beauties, eight of which ranged from 10 to 15 pounds in length. Nothing but an unusually cold snap will close the season for trout fishing.

PREXY TELLS OFFICERS REAL DOPE

Washington, Nov. 7.—There is an excess of athletic zeal at the army war college, following the example of the military academy, and the result is a rather amusing aftereffect. General Bell was scheduled to lecture on physical culture, and as President Roosevelt also had a few words to say to the officers on that subject before the lecture began, the officers listened attentively to the remarks of the general.
