WRESTLERS ARE READY FOR WORD

O'Connell and Smith in Pink of Condition for the Match Tonight.

O'Connell's Statement.
I have never felt more confident of winning a wrestling match in my life. I have nursed myself along until I am in the pink of condition. When I emerge from the ring tonight I shall have no excuse to offer if I am defeated by Smith. I know that he is a dangerous man with the "choke" hold, but I don't anticipate much trouble in breaking it. I have been against strange holds before and I know what to do.—Ed. J. O'Connell.

Smith's Statement.
I believe my long work has placed me in the best possible condition to meet O'Connell tonight. O'Connell is a first-class wrestler in every department of the game, but I know that I am stronger than he and the long route of five falls is to my liking. I am practically tireless up to two hours and I don't think the match will go that long before a winner is returned. I concede that O'Connell is fast, but when I can travel at a pretty rapid rate myself, I shall almost be ready to admit that O'Connell is the better man if he downs me tonight.—Strangler Smith.

(Special Dispatch to The Journal)

ALBINA ELEVEN WILL MEET OREGON CITY

Football enthusiasts of Albina are anticipating the scheduled game between the Barclay High school eleven and Oregon City and the popular Catholic Athletic club's eleven. The game will be played on the young men's gridiron at Williams avenue and Stanton street Saturday afternoon at 3:30 o'clock.

Little is known of the Oregon City scholastics, as it has been years since an Oregon City aggregation has played in this city. Coach Kennedy of the local clubmen is confident of victory, and declares it is only a question of how many touchdowns the defenders of the blue and gold will make. The locals will outweigh their rivals, but as speed cuts, burns and scalds Ballard's Snow Liniment is the best thing to use. NOTRE DAME ELEVEN TO DECIDE AT ONCE

Manager Martin Pratt of the Multnomah club football team this morning received a message from Coach Victor Place of Notre Dame university, stating that a conference would be held within the next day or so to determine if the New Year's game should be given to Portland instead of the University of Washington at Seattle.

This message followed Pratt's peremptory request to the Notre Dame football authorities to accept his proposition within the next three or four days, or call it off altogether. Pratt has posted a \$1,500 guarantee to cover the expenses of the Hoosiers in conjunction with the Pullman game at Spokane.

In the event that Notre Dame decides to play in Seattle, the Olympic club team of San Francisco will be brought north for Christmas or New Year's.

Aggies Defeat Whitman Eleven

(Special Dispatch to The Journal)

The game was characterized by stiff defense on the part of the Missionaries and slow playing by the collegians. Wolfe made the first score in the first half on a place kick after an official had interrupted a play on the part of the Beavers.

All cigarettes look alike to the smoker, except—

IMPERIALES CIGARETTES

There are none made just like them—surely none that taste just like them. It's this indescribable, individual, inimitable taste and flavor of Imperiales Cigarettes which has put them head and shoulders above all other brands sold in the West. They're reaching eastward, too—steadily. You don't taste the paper when you smoke an Imperiales—just the tobacco. Furthermore, the mouthpiece Imperiales insure a perfectly cool, sweet smoke. Smoke them all day long if you want to—no after effects.

The men of the West smoked over 125,000,000 Imperiales Cigarettes in 1907.
