Calendar of Oregon Supreme Court for Following Two Weeks.

(Salem Bureau of The Journal.) Salem, Or., Nov. 20.—Among the more important cases to be heard by the supreme court within the next two weeks is the Dunbar case, set for hearing Wednesday, December 2 at 10 o'clock, and the rehearing in the Jew Nun case, set for Tuesday, December 1 at 2 o'clock. E. L. Dunbar was formerly secretary of state and was accused and convicted in the lower court of accepting fees while in office in violation of the state law.

In the Jew Nun case an important point has been raised which will have a bearing on several other important cases. It is contended by the attorneys for Jew Nun that since the defendant was charged by information of the district attorney and not by the regular

indictment of the grand jury he was not legally tried and convicted, for since last June the people voted to do away with the charge by information of the district attorney.

This same point will be raised by the counsel for J. Thorburn Ross, convicted for larceny of state funds in connection with the failure a year ago of the Title Guarantee & Trust company, should the attorneys for Jew Nun obtain a favorable opinion from the supreme court.

The calendar of the supreme court for the next two weeks follows: Wednesday, November 25, at 10 o'clock, Krohn company vs. Taylor, city marshal of Independence; at 2 o'clock, Patty vs. Salem Flouring Mills, (both rehearings); Tuesday, December 1, at 10 o'clock, state vs. Sullivan; at 2 o'clock, state vs. Jew Nun.

Wednesday, December 2, at 10 o'clock, state vs. Fisher, involving an interpretation of the game laws; at 2 o'clock, state ex rel vs. E. L. Dunbar, vs. Taylor, city marshal of Independence; at 3 o'clock, Patty vs. Salem Flouring Mills, (both rehearings); Thursday, December 3, at 10 o'clock, Boyle et al vs. Yamhill county; at 2 o'clock, Kelfer vs. Victor Land company.

(United Press Leased Wire.) San Francisco, Nov. 20.—District Attorney Langdon and Detective W. J. Burns last night filed charges against Policemen Charles R. Kelly and John C. Attridge, two of the Haas guards. The charges were received by the police commission without comment and the hearing of the case was set for a week from tonight. (United Press Leased Wire.) Napa, Cal., Nov. 20.—The body of an unidentified man was found in the Napa river near Jack's Point. The body had a heavy weight attached to it with a rope. There were no other evidences of foul play. The body was that of a man about 40 years of age, with light brown hair and mustache. It was clad with trousers, but no coat or shoes. The body had been in the water several days. It was seen by Captain G. H. Pinkham of the steamer Zinfandel. An inquest is to be held tomorrow.

S.S.S. HEALS OLD SORES

Before any sore can heal, the cause which produces it must be removed. As long as the blood, from which our systems receive their necessary nourishment and strength, remains impure and contaminated with disease germs, any old sore on the body will remain open, and resist every effort made to heal it. The nerves and tissues of the flesh around the places are continually fed with unhealthy matter and nature is simply disposing of the poison by draining it from the system through the sore. The only cure for an old sore is a thorough cleansing of the blood, entirely ridding the system of the cause. S. S. S. heals old sores by removing every particle of impurity from the circulation. It goes down to the very bottom of the trouble and so completely cleanses the circulation that there is no longer any impurity to drain through the sore, but the place is once more nourished with rich, healthful blood. S. S. S. heals the sore from the bottom, the place soon fills with healthy, firm flesh, the tenderness leaves, all discharge ceases, the skin regains its natural color and when S. S. S. has thoroughly cleansed and purified the blood the place is permanently healed. Book on Sores and Ulcers and any medical advice free to all who write.
