

WILLIE'S ELECTRIC WAITER WAS ALL RIGHT--EXCEPT THE SHOCK ABSORBER

Dear Tommy—We had our Thanksgiving at home. The waitress Mamma engaged didn't come, and I had to improvise a dinner server. The turkey arrived in fine shape, and Papa gave a short lecture on our emancipation from the tyranny of the hired girl. Then he signaled the cook for the vegetables. But when they came along the spring on shock absorber got caught!!! Yours, etc., WILLIE.
