COLLEGE MEN COME HERE IN JULY

President Kerr Arranges to Bring National Conventions of University Presidents and of Farmers' Institutes to This City.

President Kerr of the Oregon Agricultural college arrived in Portland this morning from Washington, D. C., and has been in conference throughout the day with Mr. McMurray of the Harriman lines, Tom Richardson of the Commercial club and Governor Chamberlain with reference to the convention of agricultural college presidents and directors of experiment stations of the country, expected to be held in Portland next July.

The convention will bring with it, not only its own delegates, including many of the noted scientists along agricultural lines, but the national convention of university president and the national convention of farmers institutes, comprising in all a body of 500 delegates of distinguished persons, many of whom will be accompanied by members of their families.

The convention comes in midsummer and many of the delegates are planning to make a summer vacation of the trip, remaining in Portland and vicinity for a period of from four to six weeks. The sentiment of the national convention of college presidents and directors of experiment stations just closed at Washington was unanimous in favor of the Portland convention, and it is regarded as certain that if arrangements at this end of the line can be perfected, the executive committee will settle on Portland as the convention city.

The presence of such a body of men in Portland and the side trips that can be arranged for them through Oregon is regarded by Dr. Kerr as a most excellent thing for the whole state.

President Kerr's trip to Washington, though it included attendance at the national convention of college presidents, was chiefly in the interest of proposed experimentation work in eastern Oregon. In the latter field he met with flattering success. Concessions were secured from the various departments that will place a valued experiment station for working out irrigation program at Hermiston within easy reach of the state and at very small expense.

The government will supply the land and buildings, supply the water and run it through laterals over the irrigated lands, do the fencing and bear half the cost of maintenance. It is a concession that President Kerr regards as unexpectedly favorable, and is doubtless largely due to personal representations made to the departments by President Kerr himself.

An equally favorable concession was secured in behalf of a dry farming experiment station to be located in some of the arid counties. The concession in each case is made contingent upon the action of the state in sharing half the expense of maintenance.

The movement, if provided for, Dr. Kerr is convinced, will be of inestimable value to the inland empire in discovering and disseminating information with reference to the problems incident to agricultural activity in that region.

Dr. Kerr leaves for Corvallis this afternoon.

WEISER PRISONERS MAKE GOOD ESCAPE

(Special Dispatch to The Journal.)

Weiser, Idaho, Nov. 27.—Johnson and O'Neal, two prisoners serving a six months' sentence in the Washington county jail at Weiser, for petty larceny, broke jail yesterday afternoon by sawing the locks off. All efforts toward their capture have failed.

Y. M. C. A. and Pacific.

The first game of the Oregon State basket ball league will be played tonight at the Y. M. C. A. building between Pacific University and the local Y. M. C. A. The local team lines up as follows: Young, center and captain; Hartman and Sheets, forwards; Commans and Freeman, guards.

25 per cent off on silver at Metzger's, 342 Washington street.

OREGON ELEVEN IS VICTOR AGAIN

Speedy Varsity Team Wins Over Multnomah Third Successive Year.

University of Oregon's youthful but well trained and high spirited football team triumphed for the third straight time over Multnomah club's heavy veterans in the annual Thanksgiving game yesterday. A touchdown on a blocked punt and a place kick, splendidly executed by Captain Moullen, did the work for the students.

It was a game characterized by the uncertain element until the closing minutes of the last half. During the first half the heavier club men outplayed their light opponents and it was only Clarke's superior punting that kept the varsity goal from violation. During the first half the ball was never but once in Multnomah's territory without being safely within the grasp of the marooned jerseyed lads.

The game was a little slow owing to the numerous injuries, frequent penalties and general fumbling. There was a reversal of form in several of the Oregon players of their showing last Saturday against Oregon Agricultural college.

Latourette, whose running back of punts was the feature of the Saturday game, was woefully short on judgment. However, his inability to return was more on account of the speedy club ends, who harassed him at every turn. On the other hand Captain Stott of the Multnomah eleven, was a feature at this work. Turning, dodging, twisting, time and again he eluded the agile Oregon ends for good runbacks. In the first half the sun interfered with Latourette's catching of punts, which may have caused his poorer work.

Clarke a Star.

Clarke was the star of the Oregon defense, though in this respect he was closely pressed by Dodson and Pinkham. Moullen played a grand game at tackle and was always in the running. In fact, Moullen seemed to play his best game of the season. Clarke's backing up of the line was a feature of the game. He tackled with unusual ferocity and was invariably in the way of the Multnomah runner.

Pinkham pitted against Oswald and McMillan, seemingly had a shade over both. However, Oswald played a high class game. Pinkham is undoubtedly the best tackle in the northwest today at the defensive game.

Dodson was down the field on punts every time and some of his tackles were spectacular. Main played a good game at half and so did Klitz at end. Means, the varsity center, is a boy to be watched. In his first year he has created a great impression.

For the clubmen Stott, Rader, Pilkington, Alexander, Slaker and Walker played a good game.

Moullen kicked off for Oregon at 2:30 o'clock, booting the ball 40 yards to Alexander. Multnomah took no time at the rushing game and Rader kicked back 20 yards to Main. Main fumbled and Rader was on the ball. Stott ordered another punt and Rader shot the ball 40 yards to Latourette. Michael, who had been sent into the game in the first half to give Dodson as much of a rest as possible, was injured again and the Baker City lad replaced him. Oregon immediately tried a forward pass but Oswald found himself within catching distance of the ball and promptly fastened onto it. Pilkington made five yards on the first down and then made four on the second. Slaker made yardage with two more. Multnomah fumbled behind the line but Stott recovered the ball. Moullen got Pilkington for a loss and then Stott tried a place kick from the 15-yard line.

The oval struck one of the posts, paused a moment and then bounded to one side and back of the goal line. Smithson fell on the ball for a touchback and Oregon kicked out.

Clarke booted the ball out of danger, sending it 40 yards to Stott. Walker was requisitioned and annexed nine yards in a tackle around play. Slaker ripped up the line for two more. On the next play Knudson made five yards but Oregon was offside and suffered a five-yard penalty. Knudson made another yard through right guard and Pilkington brought three more home on a straight buck. An onside kick sent the ball into "Sap" Latourette's hands on the eight-yard line. Clarke made five yards on a fake kick and then punted 35 yards to Pilkington. Stott by an unusually clever triple forward pass made 14 yards around little Dodson's end. Pilkington shot through the Oregon line for five yards, Slaker made four more on the other side and then made it first down with three more yards.

Collegians Brace.

This was on the 23-yard line and the collegians braced wonderfully. Knudson failed to make any material gain and Alexander was stopped after a one-yard gain. Stott then signaled for a second place kick from the 20-yard line. The ball caromed to one side and Latourette stopped it on the 12-yard line.

Clark kicked out to Stott to the center of the field. Pilkington made 13 yards around Klitz's end, but Pinkham nailed Knudson for a loss of a yard on the very next play. Walker split the Oregon line for six yards and then Dodson broke up the next play when Walker tried to turn the same trick. Dodson not only shattered the interference, but nailed the Multnomah heavyweight in addition.

Shortly afterward Multnomah lost a good chance to score when Pilkington was removed from the game for alleged roughness. Pilk was given the ball for a trip around Oregon's left end and had made about 10 yards when he ran into Pinkham's waiting arms. Pilkington was going with tremendous speed and was seen to hesitate momentarily to pick out the easiest avenue of escape from the four students who were bearing down upon him. Pilk runs high and when he decided to run over Pinkham he put on all speed. When the men came together Pilk's knees hit Pink in the head and the Oregon tackle was laid low for a minute.

Archie Hahn, the field judge, ruled that Pilkington had engaged in rough tactics and disqualified him. To those on the side lines it appeared that Pilkington had not intentionally indulged in unsportsmanlike tactics and several of the Oregon players thought Hahn did the wrong thing in disbarring him.

Suffers Big Penalty.

Upon this incident Multnomah was penalized half the distance to the goal line, which placed the spheroid on the 35 yard line. James, who took Pilkington's place, engaged in an exchange of punts after which time was called with the ball on the 25 yard line in the winged "M" possession.

Only once during the first half did the college boys have the ball in their possession in Multnomah's territory. This occurred early in the first half. After Moullen kicked off and Rader punted back to the 45 yard line, the students returned the ball to the 43 yard line, where it was fumbled. After that the ball was in M. A. A. C.'s territory on kicks, but the "Winged M" always had possession of the ball.

When the second half opened the collegians played with great dash. The clubmen also showed the effect of the 10 minutes' rest. A series of line bucks and a punt to Latourette which he fumbled and Alexander recovered, placed the ball on Oregon's 30 yard line.

Latourette Carried Off.

Here Latourette who had been playing a gritty game, was injured and was substituted by Ben Chandler, a brother of the famous "Weary." "Sap" was carried off in a stretcher. The old reliable George McMillen, who had received an ovation when he replaced Oswald a couple of downs before, tore off four yards on a tackle around play. Slaker went a couple of more yards and Hickson, who replaced Klitz at end, tackled McMillan for a loss, making one of the prettiest plays of the day. He dumped all the interference and captured his man. This play gave Oregon the ball and Clarke punted 35 yards, the ball going out of bounds. Stott then tried an onside kick through the scrimmage, which went to Hurd on the 8 yard line. Clarke punted out of danger.

Gradually the Oregonians worked the ball down on kicks, three of them, two of 50 and one of 55 yards, overcame James' return kicks and placed the ball on Multnomah's 1 yard line.

The spheroid was under the goal post and was brought out 10 yards to kick. On the punt Means broke through Carslen and blocked the ball, falling on it on the two yard line. Oregon hopes went high. Here Umpire Hockenberry was called upon for a difficult ruling. The recovery of the blocked ball would have placed it in Oregon's possession eight yards back of the goal, owing to the ten yard allowance, but Hockenberry split the two yard distance to be gained.

With one yard to gain Clarke was given the ball for a try through the line. He had probably made the goal line but the ball slipped out of his hands on the play, rolling over the players. Means made a quick dive and fell on the airbag behind the line for a touchdown. Moullen kicked an easy goal.

About four minutes later Dodson recovered one of Clarke's punts on Multnomah's 16 yard line. Sullivan made two yards and Moullen made a beautiful kick from placement 30 yards from the goal line.

Clarke who injured his ankle went out of the game, which shifted Moullen to full, Main to right tackle and McKinley to right half. After the kickoff Moullen by an excellent display of headwork returned with a punt. An onside kick by Stott was recovered by Sullivan. Dodson made five yards and then a fake place kick by Moullen which drew four charging players directly at him, allowed the Oregon captain to clear them for a 10 yard gain. Here time was called and the game ended.

WAGNER AND FIAT WIN GRAND PRIZE

(United Press Leased Wire.)

Savannah, Ga., Nov. 27.—Louis Wagner, driving a Fiat car, won the American grand prix at Savannah yesterday. Hemery, in a German Benz, was second and Nazarre, in a Fiat No. 6, was third.

YELLOW PERIL LOOMS UP AT THE PRESIDIO

(United Press Leased Wire.)

San Francisco, Nov. 27.—The presidio is excitedly discussing the question whether a Chinese laundry, recently installed by the Seventieth company of the coast artillery, shall remain, in the face of vehement and even tearful objections on the part of soldiers' wives who until John Chinaman arrived did all the washing for the post.

The wives of the enlisted men formerly acted as the laundresses on the reservation, but complaints were made that they did poor work and charged too much. The only remedy which suggested itself to Captain Edwin C. Long was to employ Asiatics, which he did without asking anybody's permission.

The Chinese did the washing cheaper than the women, but there is a difference of opinion about the quality of the work, the women insisting that the change has done nothing but harm to the post's collars and cuffs, while the inspecting officers assert that for the first time in months the men in ranks present a neat appearance.

Although the matter is purely a company affair, the squabble has attracted so much attention that it may be necessary for the head post officers to take cognizance of this oriental laundry, operating on Uncle Sam's military reservation to the alleged exclusion of the wives of the soldiers.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Portland Citizen Can Afford to Ignore

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Portland proof:

W. Jenkins, retired, 1110 E. Harrison St., Portland, Oregon, says: "Doan's Kidney Pills have been used by myself and other members of my family with entire satisfaction. Acute attacks of backache annoyed me off and on for some time and dull dragging pains throughout the kidney regions made it difficult for me to attend to my work. The kidneys were badly out of order and caused me additional annoyance. When Doan's Kidney Pills were brought to my attention, I procured a box and began their use. They brought relief sooner than I expected and I continued taking them until my trouble had entirely disappeared. From that time to this I have had continued freedom from kidney complaint and I cheerfully recommend Doan's Kidney Pills to all sufferers of weak or inactive kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name — Doan's — and take no other.

GUNBOAT HELENA TO THE YANGTZE KIANG

Manila, P. I., Nov. 27.—The United States gunboat Helena will depart today for Shanghai to protect American interests in the Yangtze Kiang region. Rioting in that district has so alarmed Consul General Denby, at Shanghai, that he hurriedly sent a request yesterday to Rear Admiral Harber for aid.

The Panther and Culgoa, auxiliary ships connected with the Atlantic fleet, will leave for Colombo tomorrow and the Yankton will steam for Singapore on Sunday.

WEATHER REPORT

A large high pressure area is central over Missouri, and a small high pressure area is central over Idaho. The California storm has moved southeastward to Arizona, and the barometer is relatively low in the Canadian northwest and also over the New England states. Light rain has fallen at scattered places in the north Atlantic states and in Texas and Arizona. The rains in California have ceased, and fair weather continues in the north Pacific states. The temperatures are below normal on the Pacific slope and above normal in the eastern and southern states. A minimum temperature of 32 degrees was registered at Portland this morning, which is the coldest weather this season at that station.

The indications are for fair weather in this district tonight and Saturday, except in southeastern Idaho, where light snow will probably occur.

STINKER LOTS FOR SALE—Residence lots in reach of the offensive odors from the packing houses at South Omaha can be purchased for less than half of the selling price when first placed on the market 25 years ago, plus taxes, interest and street assessments, but business lots in the midst of the odors have risen to extremely high prices. P. D. Armour, the once famous packer, said: "the more stink the more money," this is true only of business lots. We have for sale at a bargain prospective business lots in the thick of the stink south of the packing plant on Patton ave., midway between Kenton and Swinton. Oak Lumber Co., 617 Commercial block.
